Blavatsky, Annie Besant, 2014-03 This Is A New Release Of The Original 1892 Edition *A History of Islam in America* Kambiz GhaneaBassiri, 2010-04-19 Muslims began arriving in the New World long before the rise of the Atlantic slave trade Kambiz GhaneaBassiri's fascinating book traces the history of Muslims in the United States and their different waves of immigration and conversion across five centuries through colonial and antebellum America through world wars and civil rights struggles to the contemporary era The book tells the often deeply moving stories of individual Muslims and their lives as immigrants and citizens within the broad context of the American religious experience showing how that experience has been integral to the evolution of American Muslim institutions and practices This is a unique and intelligent portrayal of a diverse religious community and its relationship with America It will serve as a strong antidote to the current politicized dichotomy between Islam and the West which has come to dominate the study of Muslims in America and further afield Lucifer ,1894-09
