Mason Patrick Ryan, 2004-12 Set in the real world of modern day the first half of this work traces the journey to individual salvation It focuses on faith overcoming obstacles salvation treachery brutality through journeyman-like adventures Mason and Samantha show their struggle to gain valor and integrity through transportation and geography loss of paradise and redemption in their journey to salvation It is the power of common man to triumph over environment and destiny The second half explores man's choices between duty to survive and crime Driven by bad luck and a difficult social system it focuses on weak morals opportunism money and greed Through the Bainbridge and Montgomery families we see two women who marry for money and push their husbands to commit murder or at least hasten death for money There is no genuine passion between spouses and children are used as pawns to dominate and control relationships Mason's social commentary in the second half of the novel shows that the optimism of wealth through a thousand indignities ends in an awareness of current social justice Those who allow their spiritual forces to control their being for self

aggrandizement will end in tragic consequences while those who can reconcile intellect ambition and remain loyal to self and others are rewarded
