America,1924 **Getting Mother's Body** Suzan-Lori Parks,2004-04-13 Pulitzer Prize winner Suzan Lori Parks s wildly original debut novel *Getting Mother s Body* follows pregnant unmarried Billy Beede and her down and out family in 1960s Texas as they search for the storied jewels buried or were they with Billy s fast running six years dead mother Willa Mae *Getting Mother s Body* is a true spiritual successor to the work of writers such as Zora Neale Hurston and Alice Walker but when it comes to bringing hard luck characters to ingenious uproarious life Suzan Lori Parks shares the stage with no one

Encyclopedia of New Year's Holidays Worldwide William D. Crump,2014-05-09 Among the world s myriad cultures and their associated calendars the idea of a New Year is relative and hardly specifies a universal celebration or even a universal point in time Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods music dancing noisemaking fireworks and drinking This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year beyond its traditional Western associations with Christmas National or regional entries detail the principal traditions and customs of 130 countries while 27 entries discuss major calendar systems in current use or of significant historical interest The remaining entries cover a wide variety of subjects including literary works movies and television specials the customs of specific ethnic groups universal customs such as toasting and drinking football bowl games and parades and the New Year celebrations at the White House and the Vatican The Key to Culture Paul Thomas Gilbert,1921 Postcards From My Mind Christopher Setterlund,2009-12-17 *Postcards From My Mind* is the first collection of my own personal poetry and song lyrics written over a ten year span from 1996 2006 They explore the vast range of emotions felt through the late teen years and into the twenty something age Anybody can relate to what I have written *Merchant Vessels of the United States ... (including Yachts)* ,1952 Stuck Marc Sommers,2012 Young people are transforming the global landscape As the human population today is younger and more urban than ever before prospects for achieving adulthood dwindle while urban migration soars Devastated by genocide hailed as a spectacular success and critiqued for its human rights record the Central African nation of Rwanda provides a compelling setting for grasping new challenges to the world s youth Spotighting failed masculinity urban desperation and forceful governance Marc Sommers tells the dramatic story of young Rwandans who are stuck striving against near impossible odds to become adults In Rwandan culture female youth must wait often in vain for male youth to build a house before they can marry Only then can male and female youth gain acceptance as adults However Rwanda s severe housing crisis means that most male youth are on a treadmill toward failure unable to build their house yet having no choice but to try What follows is too often tragic Rural youth face a future as failed adults while many who migrate to the capital fail to secure a stable life and turn fatalistic about contracting HIV AIDS Featuring insightful interviews with youth adults and government officials *Stuck* tells the story of an ambitious controlling government trying to govern an exceptionally young and poor population in a densely populated and rapidly urbanizing country This pioneering book sheds

new light on the struggle to come of age and suggests new pathways toward the attainment of security development and coexistence in Africa and beyond Published in association with the United States Institute of Peace **Researches Into Chinese Superstitions** Henri Doré,1917 *George & Charlie* Marcie Jones,2015-08-16 George Charlie are two little dogs who are best friends In this their first adventure they learn all about responsibility and how to take care of others The adventures of George Charlie is a gorgeously illustrated book for all the family Follow the two little dogs as they remember their first meeting and share in their joy as they realise how lucky they are to have found each other and their wonderful owner Emily You can also listen to the story as narrated by the author and sing and dance along to her new song Best Friends **Five Nights at Freddy's Character Encyclopedia (An AFK Book)** Scott Cawthon,2023-02-07 An in depth look at all the characters from Five Nights at Freddy s in a beautiful deluxe hardcover format The massive roster of characters from Five Nights at Freddy s is presented here in a giant hardcover that will make the perfect addition to any fan s library From the games to the novels and short stories all the characters are here and laid out in awesome detail that will deepen the knowledge of even the most enthusiastic player With over 200 pages of full color art this encyclopedia is not to be missed Sharpening Everyday Mental/thinking Skills Through Mathematics Problem Solving And Beyond Alfred S Posamentier,Hans Humenberger,2024-01-22 Mathematics is a subject taught from kindergarten through to high school and yet it is the one subject that most adults are almost proud to admit to not having been very good at and therefore tend to avoid it where they can However one of the key factors in mathematics is its ability to enable us to solve everyday problems When we consider the worst case scenario of the situation it is analogous to solving a mathematical problem by considering extremes Or we might consider the best path to take from point A to point B where geometric relationships can be helpful This book is intended to demonstrate a variety of neglected aspects of mathematics in order to demonstrate the power and beauty of the field of mathematics beyond where most people students and teachers believe is possible The chapters of the book explore a multitude of topics unusual arithmetic calculations and shortcuts entertaining and instructional problem solving strategies unusual applications of algebra and how geometry allows us to better appreciate physical relationships Only a basic mathematical knowledge is needed to understand these topics and problems however the book also demonstrates that armed with even this level of understanding our mathematical skills far exceed what we learned at school The final chapter is the most challenging and explores a curious problem solving technique
