Marriage Divorce And Remarriage In The Bible:

Divorce and Remarriage in the Bible David Instone-Brewer, 2002-06-07 To many the New Testament's teaching on divorce and remarriage seems to be both impractical and unfair. The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one's former spouse. But are these proscriptions the final word for Christians today? Are we correctly reading the scriptures that address these issues? By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco-Roman world, this book shows that the original audience of the New Testament heard these teachings differently. Through a careful exploration of the background literature of the Old Testament, the ancient Near East, and especially ancient Judaism, David Instone-Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present-day readings. Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds; that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse; and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce. Instone-Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships. Enhanced with pastoral advice on how to apply the biblical teaching in today's context, this volume will be a valuable resource for anyone seeking serious answers about married life.

What the Bible Really Says about Marriage, Divorce, and Remarriage Bishop Lee Bowling, 2016-12-31 A covenant is defined as a formal solemn and binding agreement. It is entered into by mutual agreement of two parties. Biblical Principles and a look in the word of God and what the Lord really says about Divorce and Remarriage by Bishop Lee Bowling is sure to open up a better and more clearer understanding of this subject. Divorce and remarriage is a monstrous evil and there is a pressing need for some clear teaching on the subject. We must be loyal to the Scriptures and not be carried away by the opinions of men. It is a sin to remarry if you were the one who filed for divorce. Sadly, most people don't care what God thinks anymore. God will judge those who divorce. God hates divorce, which is a sin rooted in selfishness and self-righteousness. Divorce is a horrible sin and remarriage even worse. You made a promise on your wedding day to remain with your spouse until death. If you break that vow, then you are a liar and a scoundrel. It matters not what apostate ministers may say. God will be your only Judge. Romans 14:12. There are innumerable rotten pastors today who permit abortion, homosexuality, and divorce. God hates these sins as He does all sin and will Judge accordingly. Divorce and remarriage is certainly not a new subject. It is as old as the Scriptures themselves. Divorce was a problem in Noah's day. Moses had to contend with it. The question was brought to Jesus nearly two thousand years ago. They said, "Is it lawful for a man to put away his wife?" John the Baptist lost his head because of divorce and remarriage. He had told King Herod that the woman he married was not really his wife but that she was still the wife of Philip, her first husband. And this enraged the woman and she took

revenge Every year thousands of American homes are broken by separation and divorce In 1887 there was hardly a divorce in the entire United States In 1913 there were only sixty divorced couples in the entire country of Canada But divorce has rapidly increased until today in our country approximately one marriage out of every three ends in divorce While it is best not to separate if a couple does separate they are not free to remarry God does not approve divorce There are a number of Scriptural commands and principles which a divorce always violates This book was written to look into what the BIBLE says on the matter *Marriage, Divorce, and Remarriage* Daniel Goepfrich,2007-09 Goepfrich offers help and hope to those who are considering marriage getting married for the first time in a marriage that is falling apart divorced or considering divorce remarried or considering remarriage or concerned about a friend or family members marriage Practical Life What the Bible Says about Marriage, Divorce and Remarriage Olan Hicks,1978 *Marriage, Divorce and Remarriage* Richard Aegerter, What the Bible Really Says about Marriage, Divorce, and Remarriage Ed Dobson,1986-01-01 **Marriage, Divorce, and Remarriage in the Bible** Jay E. the same Scriptures Which interpretation is correct and in keeping with the context of Scripture In this thorough exegesis of all the biblical texts on the issue of divorce and re marriage Timothy Klaver once again leads the reader by the hand allowing the reader to see with their own eyes what the Bible itself has to say on this life altering issue This book will be an immensely valuable tool in instructing those who are troubled and struggle with this subject May we give marriage the same reverence that Scripture gives it Let marriage be held in honor among all Heb 13 4a

The 1249 Club Russ Brown,2018-02-02 Russ has personally experienced the destructive cycle of marriage divorce and remarriage in his and his family s lives multiple times Unfortunately in the Western world today the common statistics of marriage failures are one out of two first marriages fail two out of three second marriages fail and four out of five third and on marriages fail Russ has now written The 1249 Club for 1 those who are married and want to be married 2 those who are married and do not want to be married and 3 those who are not married and want to be married The 1249 Club aims to scripturally help many to 1 avoid marriage for the wrong reasons 2 strengthen existing marriages 3 save troubled marriages 4 spark forgiveness and reconciliation between separated or divorced couples 5 save families where possible and 6 lower the divorce rate to 1 out of 1 250 Another way of saying it is The 1249 Club teaches married couples divorced couples and singles the subtle causes devastating consequences and achievable cures of breaking the marriage covenant The cause of divorce is selfish sinful and unloving behavior and the cure of divorce is selfless sinless and loving behavior When divorce occurs the hurtful consequences are life altering and unending for generations The consequences can be avoided when divorce never occurs but results in confession repentance forgiveness and reconciliation The 1249 Club teaches these biblical principles and how to apply them They are simple but make no mistake not easy yet with God all things are possible Get the book and 1 listen to the teachings 2 hear the teachings in your spirit 3 understand the teachings and 4 apply the teachings to your lives That and God will make a difference in your marriage journey

Marriage, Divorce, and Remarriage Paul M. Gabriel,2018-02-14 Divorce is a very real problem in today s churches but the Bible s teaching on this vital subject is very often misunderstood Many faithful Christians are marginalized because of a past divorce often resulting in unnecessary and undeserved guilt Taking the position that the Bible is both inerrant and essential for guiding our beliefs and practices the author finds that divorce is not only permitted in certain circumstances but it is regulated by scriptural principles as well A number of common question are answered such as What constitutes marriage Are all marriages recognized by scripture Does the Bible allow divorce Is divorce forgivable Does the Bible allow divorced men to be pastors or deacons Does the Bible permit remarriage after divorce

The Marriage Covenant Samuele Bacchiocchi,1991

Put Away But Not Divorced Robert Waters,2012 Because of the ramifications divorce and remarriage is one of the most hotly debated biblical issues in the church today Many people find this issue to be a challenging subject Preachers and dedicated Bible students have written numerous books and engaged in countless discussions seeking to answer the question of whether one who has been divorced or has divorced may marry again Yet

Christians are far from united on this issue Many find it so difficult and troublesome to discern the truth that they refuse to even open their mind to an honest study of the subject Others are so fully convinced they have the answer and that what they know is so vital to truth and morality they will have no fellowship with those who differ with them Does God intend for divorced women to remain celibate Will divorcees be judged as having committed a sin by remarrying Do you know what the Bible actually says concerning marriage divorce remarriage MDR In his honest look at MDR Robert Waters examines the Greek word *apulo* put away and discusses its true meaning in the context of Jesus s time Through this examination to include a comprehensive study of relevant passages and a thorough rejoinder to opposing arguments Waters guides the reader to a better understanding of MDR and God s intention for divorce in Put Away but Not Divorced *What the Bible Says About Marriage, Divorce, and Remarriage* Olan L. Hicks,1987 **Divorce and Remarriage** H. Wayne House,1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards *The Image of God* K. W. Swain,2004-04 In this epic we enter into history and live it through the loves of generations of the Worthington family Nicholas young and idealistic fought on the side of King Charles I of England against Cromwell After the king was beheaded Nicholas was forced to leave his ancestral manor undertake the perilous sea journey and start life in a struggling New World Thus begins the vivid account of frontier life pioneer hardships and Indian massacres Every important event is authentically documented with copious footnotes The history vividly spans three hundred years from the 1600s through the Second World War The reader not views the reality of all major happenings such as the Boston Tea Party the American Revolution and Civil War but also witnesses daily life and fun at a husking bee frontier raising an early circus and the St Louis World s Fair We see the birth of the automobile as well as electricity **Divorce and Remarriage** B. Ward Powers,2013-12-16 Description The Bible s Law and Grace approach is summed up in the one short saying 1 Corinthians 7 27 28 CEB If you are married don t get a divorce If you are divorced don t try to find a spouse But if you do marry you have not sinned This book provides a careful and detailed presentation of these aspects of the Bible s teaching and its application in the lives of Christians in the twenty first century Divorce is completely contrary to the will and purpose of God which is One man one woman for life For I hate divorce says the Lord Mal 2 16 But Jesus focuses our attention on the real problem sin disrupting damaging and ultimately destroying the marriage relationship Do not let this happen Jesus warns us He says They are no longer two but one flesh Therefore humans shouldn t pull apart what God has put together Matt 19 6 Mark 10 8 9 CEB And to allow or to cause the marriage relationship to be sundered is a serious sin But the grace of Christ can forgive sin and restore the sinner And in certain circumstances as set out by Paul the Apostle says to those who have been divorced they must marry THE THREE STEP PAULINE PROCEDURE when a marriage is being sundered 1 If there is a rift in the marriage relationship seek reconciliation 1 Corinthians 7 11b Paul bases this instruction upon the crystal clear command of Christ Do not let anyone

sunder the one flesh relationship of marriage Matt 19 6 Whatever is going wrong with that relationship deal with it This is the word of the Lord himself 2 But if because of human sin and disobedience the marriage breaks up then remain unmarried 1 Corinthians 7 11a And seek now whether God is giving the gift of celibacy chastity and continence as Paul himself had received 1 Corinthians 7 7 8 This may now be God s calling to the person who has become agamos demarried whether divorced or widowed 3 But for others who have become agamos and who find after seeking to live celibate that they do not have this gift Paul has a word of guidance in their circumstances they must marry 1 Corinthians 7 9 **The Divorce Myth J.**
