The Trailblazer Gina Azzi, 2021-11-11 I always knew I'd marry my first everything Declan Yaeger the Southern boy with Irish roots. That was before he became my first heartbreak, a NHL superstar with a playboy reputation I no longer recognize. The summer he left our small Tennessee town to pursue his hockey dream is the summer my life changed. That was seven years ago before he became a defenseman for the Boston Hawks. Before I became a hardened desperate woman trying to survive. To protect my grandfather's legacy I agree to marry my oldest childhood friend Henry. But when I enter the Church on my wedding day the grey eyes piercing mine aren't my fiancé's. They're Declan's the last person I expect to show up with an offer of his own. One I can't refuse even though my heart should know better than to accept. Will my marriage to Declan heal the broken between us. Or are we destined to repeat the mistakes of our past

Life in the Moments Laura Lee McKellips, 2018-10-31 Life is a collection of moments. Most are wonderful, many are good, some are bad, and a few are terrible. They can blend to form a life or shatter one into pieces. As the high school football coach and art teacher Beau and Amelia have shared many moments to get to this point. Their life isn't easy but they have overcome every obstacle that has been in their way. Until now. One terrible moment shifts their world off its axis. The moment Amelia discovers she has cancer. Not all cancers are pink but Amelia's was. As they process the news they are reminded of their past through a series of moments. Now they're in a fight against time, facing an invisible foe to save not only Amelia but their life together. With each failed treatment Amelia slips further away. It's up to Beau and the rest of the family to help Amelia fight. Are their moments enough to save Amelia. Or will this fight blur those moments and leave everyone shattered in the wake.

Generational Curses Mertyle Silverius, 2014-11-04 A cloak is a loose garment that is worn over indoor clothing and serves the purpose as an overcoat. It protects you from the cold rain or wind. Or it can be used as a fashionable outfit. There has always been some form of long unstructured outer garment used to protect people from the weather. However, in my book it is a cover up for evil spirits to hide under. I am going to take the cloak off so you can see them for who they are. My prayer is that you will be able to know what to do after I have removed them from under the cloak

Fear & Hope Luke Marusiak, 2013-06 The collapse of the steel industry in the 1970s hit Western Pennsylvania hard. Hundreds of thousands lost

their livelihoods population sank schools closed and despair ruled many In the midst of these trials the destinies of three who came of age during that time Philip Bennet Liam Conti and Ruth O Brien were determined by the choice they made that of fear or that of hope As the three grapple with their situation and their yearning for significance they discover their fight is part of a much larger struggle Excerpt from the preface Barack Obama referring to Pennsylvanians April 2008 It s not surprising then that they get bitter they cling to guns or religion or antipathy to people who aren t like them That characterization is so far from the truth an answer is in order Fear Hope is intended to be that answer This novel is meant first of all to entertain because the Western Pennsylvania tragedies and triumphs are one heck of a story But it is also in some small measure meant to both rebuff Mr Obama s pompous marginalization and point out the cautionary tales of high cost mistakes made then that are being repeated today This novel is part of the Good Fight Series and overlaps times and characters of Marx Ford Loud Clear and the upcoming Gold Glory
