Message 'n a Bottle Alfred Powell,1996-01-01 Knowledge, Attitudes, and Malt Liquor Beer Drinking Behavior Among African American Men in South Central Los Angeles Didra Brown Taylor,2000-08-03 Alcohol use continues to be one of the most serious and complex social and health related problems affecting the African American community today A review of the literature suggested that African American drink less but suffer from more negative consequences of drinking Although African Americans are only 14% of the population they are reported to consume 30% of malt liquor beers Most surveys which seek to measure alcohol consumption patterns for African American men refer to questions related to mainstream alcohol types For African American men the literature has not addressed these phenomena nor adequately provided a culturally specific theoretical framework by which to start addressing these issues The present study uses an Africentric perspective based on the Association of Black Psychologist Behavioral Change Model Nobels et al 1998 to provide the conceptual framework for understanding the influence that age level of education and employment status have on African American men s knowledge attitudes and malt liquor beer drinking behavior **My Yoke Ain't Always Been Easy** Dr. Harry M. Cartwright Sr. Ph.D.,2018-01-24 This is a parable about an African American male who grew up on the Eastern Shore of Maryland basically poor but relatively happy like so many of his peers who played and worked together while dreaming lofty dreams of making a better life for ourselves Through learning to have faith in God and the proper guidance from family the church teachers and a community that expected high achievements from the youth of that community the die had been cast Dr Cartwright was able to develop a huge desire to be the best that he could be and to live a righteous and prosperous life despite his humble beginnings In this book he used many Biblical principles to remind the public of the living Word in hopes of lifting others up in their daily struggles to succeed He has unselfishly opened himself up to scrutiny by revealing some of his own darkest moments and how he was able to overcome hoping to illuminate a path of self redemption and grace that is available to us all Challenge ,2004 Black Eyed Peas for the Soul Donna Marie Williams,1997-11-14 To tell a story well you have to live a story well with courage persistence and faith that everything s going to turn out all right Black Eyed Peas for the Soul is a collection of stories that reveals universal themes as well as the unique perspectives of African Americans The first collection of its kind Black Eyed Peas for the Soul boldly dispels the myth of a homogeneous Black culture Diverse voices including those of Zora Neale Hurston Dawn Turner Trice and Frederick Douglass tell our stories of beginnings wisdom patience hard work excellence joy and miracles Stories about love healing and atonement are told with insight humor and gritty honesty Arising from these distinct voices is the call for hope Enjoy these stories and let them guide your soul to a place where you can find solace and draw nourishment a place that can warm and soothe you like a bowl of black eyed peas The American Directory of Certified Uncle Toms ,2002 The American Directory of Certified Uncle Toms is a well documented critique of the most stridently Eurocentric elements of the Black community The book clearly

distinguishes Black interests economic political and creative Black self determination from the practices of Black Eurocentrists undermining grassroots Black leadership justifications for white supremacy artistic portrayals of black pathology for financial gain and fronting anti Black agendas with no accountability to Black constituencies Finally we have a publication that critiques white liberalism black conservatism elitism in the black upper and middle classes and an inordinate Zionist influence the section where Ron Dellums was forced to have a family meeting because he feared a political backlash for not supporting aid to Israel was especially telling Whether you agree or disagree with all entries Dubois and Washington both with five stars The American Directory of Certified Uncle Toms is an important work From book review by Vincent Thomas Amazon com *Bibliographic Guide to Black Studies* Schomburg Center for Research in Black Culture,1996
