covers the Bible from Genesis through Second Chronicles is the work of one who has devoted years to the study of the Bible. The first of three volumes it tells the early Bible stories in simple uncomplicated language. It incorporates the contributions from the Bible scholars plus the historians, archaeologists and scientists. Its purpose is to present the ancient people of the Bible as accurately as possible. Now the twenty-first century reader can relate to the people of the Bible and even empathize with them. Finally, this book offers the essential teachings, their value to us, and their place in the overall scope of the Bible. God's gradual revelation of the means to salvation and thus the religious progress of mankind are unfolded through the truths taught in the Bible. This book attempts to present those truths in simple understandable language. The book begins with a concise overview of the entire Bible which describes its contents, its authors, the timeframe over which it was written, and how it has come down to us. The book ends with the devastation of Israel and that event's affect upon the coming of God's Son, the Messiah.

Holy Spirit 101 Darryl L. Gay, 2024-05-25

Holy Spirit 101: Understanding the Seven Spirits of God This book provides a clear and concise picture of who the Holy Spirit is, His purpose, and His plan concerning how He interacts with the believer. In the Bible, the number 7 is often used to convey the idea of completion. The Word of God declares that the God we serve is a Spirit. The Scriptures reveal that there are seven Spirits or attributes of God which clearly define who He desires to be in the life of every true believer. Additionally, the Bible provides proof that our Creator wants all seven Spirits or attributes to actively operate in our lives to ensure that we are fully empowered to overcome every temptation and obstacle that the enemy may throw our way. Our Creator desires for us to mature into the people that we were created to become. Journey with me as we learn more about the seven Spirits of God and how to incorporate them effectively into our daily lives.
