Occasions Of Faith An Anthropology Of Irish Catholics:

Occasions of Faith Lawrence J. Taylor, 1995-04 Devotional occasions or experiences by Irish Catholics form the crux of this powerful first book length anthropological study of Irish Catholicism Questions central to the study of religion inform Occasions of Faith What is religion and how do official and popular religion differ What is the relation between power and meaning What are the roles of religious and political regimes in the social construction of religion In exploring these questions the book draws on two major theoretical traditions in the anthropological study of religion the tradition of Geertz Douglas and Turner and that of Marx Foucault and Asad Even the powerful religious regime Taylor finds in Irish Catholicism must leave creative space for what he calls a religious imagination Basic fears and needs propel the people of southwest Donegal and all of us Taylor argues to respond creatively to strong personal religious experiences and to invent forms to express them

The Anthropology of Ireland Hastings Donnan, Thomas M. Wilson, 2020-08-04 Where and what is Ireland What are the identities of the people of Ireland How has European Union membership shaped Irish people s lives and interests How global is local Ireland This book argues that such questions can be answered only by understanding everyday aspects of Irish culture and identity Such understanding is achieved by paying close attention to what people in Ireland themselves say about the radical changes in their lives in the context of wider global transformation As notions of sex religion and politics are radically reworked in an Ireland being re imagined in ways inconceivable just a generation ago anthropologists have been at the forefront of recording the results The first comprehensive book length introduction to anthropological research on the island as a whole The Anthropology of Ireland considers the changing place in a changing Ireland of religion sex sport race dance young people the Travellers St Patrick s Day and much more *The Oxford History of British and Irish Catholicism, Volume V* Alana Harris, 2023-09-01 The fifth volume of The Oxford History of British Irish Catholicism covering the period from the Great War through the Second World War and the Second Vatican Council surveys the transformed ecclesial landscape between the papacies of Benedict XV and Pope Francis It explores the efforts of bishops priests and people in Ireland and Scotland Wales and England to respond to modern challenges and reintegrate the experiences and expertise of the laity into the ministry of the Church Alongside the twentieth century s designation as an era of technological innovation war peace globalization decolonization and liberation this period has also been designated the People s Century Viewed through the lens of the Catholic church in Britain and Ireland these same dynamics are explored within thematic synoptic chapters by leading scholars As a century characterized by the rise or better renewal of the apostolate of the laity this edited collection traces the struggles to reconcile tradition re evaluate hierarchical authority adapt to social and educational mobility as well as to adjudicate serious challenges from outside and within including inflammatory biopolitics and clerical sexual abuse to religious belief and the legitimacy of the Church as an institution *The Oxford Handbook of Religion in Modern Ireland* , 2024-01-16 What does religion mean to modern Ireland and what is its recent social

and political history The Oxford Handbook of Religion in Modern Ireland provides in depth analysis of the relationships between religion society politics and everyday life on the island of Ireland from 1800 to the twenty first century Taking a chronological and all island approach it explores the complex and changing role of religion both before and after partition The handbook s thirty two chapters address long standing historical and political debates about religion identity and politics including religion s contributions to division and violence They also offer perspectives on how religion interacts with education the media law gender and sexuality science literature and memory Whilst providing insight into how everyday religious practices have intersected with the institutional structures of Catholicism and Protestantism the book also examines the island s increasing religious diversity including the rise of those with no religion Written by leading scholars in the field and emerging researchers with new perspectives this is an authoritative and up to date volume that offers a wide ranging and comprehensive survey of the enduring significance of religion on the island

Irish women and the creation of modern Catholicism, 1850-1950 Cara Delay,2019-03-26 This is the first book length study to investigate the place of lay Catholic women in modern Irish history It analyses the intersections of gender class and religion by exploring the roles that middle class working class and rural poor women played in the evolution of Irish Catholicism and thus the creation of modern Irish identities The book demonstrates that in an age of Church growth and renewal stretching from the aftermath of the Great Famine through the Free State years lay women were essential to all aspects of Catholic devotional life including both home based religion and public rituals It also reveals that women by rejecting negotiating and reworking Church dictates complicated Church and clerical authority Irish women and the creation of modern Catholicism re evaluates the relationship between the institutional Church the clergy and women positioning lay Catholic women as central actors in the making of modern Ireland

Reproducing Reproduction Sarah Franklin,Helena Ragone,Helena Ragoné,1998 Reproducing Reproduction addresses these debates in a range of sites in which reproduction is being redefined and argues persuasively for a renewed appreciation of the centrality of reproductive politics to cultural and historical change

The Reformations in Ireland Samantha A. Meigs,1997-10-13 Why was Ireland the only region in Europe which successfully rejected a state imposed religion during the confessional era This book argues that the anomalous outcome of the Reformations in Ireland was largely due to an unusual symbiosis between the Church and the old bardic order Using sources ranging from Gaelic poetry to Jesuit correspondence this study examines Irish religiosity in a European context showing how the persistence of traditional culture enabled local elites to resist external pressures for reform

The Role of Religion in Modern Societies Detlef Pollack,Daniel V.A. Olson,2012-08-21 Does modernization lead to the decline of religion This question lies at the centre of a key debate in the sociology of religion During the past decade American scholars using primarily American data have dominated this debate and have made a strong case that the answer to this question is no Recently however a new crop of European scholars working with new sources of European data have uncovered evidence that points toward an affirmative

answer This volume pays special attention to these trends and developments to provide the reader with a more well rounded understanding of the many ways in which religion interacts with modernization Respected scholars such as David Voas Steve Bruce and Anthony Gill examine modern societies across the world in this splendid book which will interest sociologists political scientists historians and theologians in equal measure **Religion, Globalization, and Culture** Peter Beyer, Lori G. Beaman, 2007-10-30 This volume brings together over 25 articles by many of the most important authors who have worked on issues directly related to the theme of religion and globalization An additional emphasis on culture flags the inclusion of the relation of religion to its wider social context and also permits questioning the boundaries of religion so as to avoid a strong bias in favour of the analysis of institutionalized religion The key emphasis of the book however is the focus specifically on religion a topic that is still largely ignored in the burgeoning literature on globalization The articles are divided into five subthemes theoretical issues historical approaches to religion and globalization forms and boundaries of religion key issues such as ecology and gender and regional perspectives Contributors Afe Adogame Elisabeth Arweck Lori Beaman Peter Beyer John Boli Gary Bouma Dave Brewington George Van Campbell Jos Casanova Paul Freston Nobutaka Inoue Laurel Kearns Otto Maduro Vasilios Makrides Meredith McGuire Vincenzo Pace Rubina Ramji James T Richardson Ole Riis Roland Robertson Marie Andr e Roy Shandip Saha John H Simpson James V Spickard William Stahl George Thomas Bryan Turner Margit Warburg and Michael Wilkinson The Ashgate Research Companion to the Counter-Reformation Alexandra Bamji, Geert H. Janssen, Mary Laven, 2016-03-23 In the last two decades the history of the Counter Reformation has been stretched and re shaped in numerous directions Reflecting the variety and innovation that characterize studies of early modern Catholicism today this volume incorporates topics as diverse as life cycle and community science and the senses the performing and visual arts material objects and print culture war and the state sacred landscapes and urban structures Moreover it challenges the conventional chronological parameters of the Counter Reformation and introduces the reader to the latest research on global Catholicism The Ashgate Research Companion to the Counter Reformation presents a comprehensive examination of recent scholarship on early modern Catholicism in its many guises It examines how the Tridentine reforms inspired conflict and conversion and evaluates lives and identities spirituality culture and religious change This wide ranging and original research guide is a unique resource for scholars and students of European and transnational history **Charms, Charmers and Charming in Ireland** John Carey, Ciarán Ó Gealbháin, Ilona Tuomi, Barbara Hillers, 2019-10-15 The first study of the full chronological range of Irish charms from the Middle Ages until the present Includes survey articles which give the reader a broad overview of major aspects of the subject Includes new discoveries in the field information concerning which is not yet available elsewhere Includes articles dealing with folk medicine and traditional healing The Event and Its Terrors Stuart John McLean, 2004 The Event and its Terrors undertakes a critical reimagining of one of the major events of Irish history the Great Famine of the 1840s and of its subsequent legacies Drawing

on a wide range of sources past and present it considers the emergence of the Famine as an object of historical knowledge and controversy with reference both to the experience of modernity and to the production of academic and nationalist histories in colonial and post independence Ireland In doing so it explores the possibility of alternative modes of engagement with the past via contemporary eyewitness accounts oral histories literature folklore and present day commemorative events

Lived Religion Meredith B McGuire,2008-08-22 How can we grasp the complex religious lives of individuals such as Peter an ordained Protestant minister who has little attachment to any church but centers his highly committed religious practice on peace and justice activism Or Hannah a devout Jew whose rich spiritual life revolves around her women s spirituality group and the daily practice of meditative dance Or Laura who identifies as Catholic but rarely attends Mass and engages daily in Buddhist style meditation at her home altar arranged with symbols of Mexican American popular religion Diverse religious practices such as these have long baffled scholars whose research often starts with the assumption that individuals commit or refuse to commit to an entire institutionally framed package of beliefs and practices Meredith McGuire points the way forward toward a new way of understanding religion She argues that scholars must study religion not as it is defined by religious organizations but as it is actually lived in people s everyday lives Drawing on her own extensive fieldwork as well as recent work by others McGuire explores the many seemingly mundane ways that individuals practice their religions and develop their spiritual lives By examining the many eclectic and creative practices of body mind emotion and spirit that have been invisible to researchers she offers a fuller and more nuanced understanding of contemporary religion

Religion in Today's World Melissa M. Wilcox,2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective

Piety and Privilege Tom A. O'Donoghue,Judith Harford,2021 For centuries the Catholic Church ran schools around the world but by the 20th century most countries had moved to a state school system Piety and Privilege shows Ireland as an exception with the state financing schools leaving the Church to promote practices aimed at salvation of souls and at the reproduction of a loyal middle class

Sightlines Eileen Kane,2022-10-03 It is the 1960s and Ireland is hoping to join what will later become the European Union The government has devised a plan to stem emigration and save the Irish language by supporting small factories in the Gaeltacht traditional Irish speaking villages in remote western areas But is the plan working With her signature humor and charm Eileen Kane transports the reader to County Donegal with a detailed account of rural Irish life during this period of

rapid change This is a story about people living beyond the margins of maps boundaries language groups and government departments people bound by borders that have little or no correspondence to their own cultural economic and historical margins Ultimately it is a story about life on the edges and the places and people who fall outside them *History and Presence* Robert A. Orsi, 2018-06-11 A Choice Outstanding Academic Title of the Year Beginning with metaphysical debates in the sixteenth century over the nature of Christ's presence in the host the distinguished historian and scholar of religion Robert Orsi imagines an alternative to the future of religion that early moderns proclaimed was inevitable Orsi's evoking of the full reality of the holy in the world is extremely moving shot through with wonder and horror Caroline Walker Bynum Common Knowledge This is a meticulously researched humane and deeply challenging book The men and women studied in this book do not belong to a world we have lost They belong to a world we have lost sight of Peter Brown Princeton University A brilliant theologically sophisticated exploration of the Catholic experience of God's presence through the material world On every level from its sympathetic honest and sometimes moving ethnography to its astute analytical observations this book is a scholarly masterpiece A W Klink Choice Orsi recaptures God's breaking into the world The book does an excellent job of explaining both the difficulties and values inherent in recognizing God in the world Publishers Weekly This book is classic Orsi careful layered humane and subtle a thought provoking expertly arranged tour of precisely those abundant excessive phenomena which scholars have historically found so difficult to think Sonja Anderson Reading Religion *Remembering Peasants* Patrick Joyce, 2024-02-20 I had been waiting for much of my life to read this extraordinary book there are clues and messages for every fortunate reader who picks it up Annie Proulx A New York Times Book Review Editors Choice A landmark history of the peasant experience exploring a now neglected way of life that once encompassed most of humanity but is rapidly vanishing in our time What the skeleton is to anatomy the peasant is to history its essential hidden support For over the past century and a half and most notably over the last seventy years the world has become increasingly urban and the peasant way of life the dominant way of life for humanity since agriculture began well over 6 000 years ago is disappearing In this vital history of peasantry social historian Patrick Joyce aims to tell the story of this lost world and its people and how we can commemorate their way of life In one sense this is a global history ambitious in scope taking us from the urbanization of the early 19th century to the present day But more specifically Joyce's focus is the demise of the European peasantry and of their rites traditions and beliefs Alongside this he brings in stories of individuals as well as places including his own family and looks at how peasants and their ways of life have been memorialized in photographs literature and in museums Joyce explores a people whose voice is vastly underrepresented and is usually mediated through others in human history and now peasants are vanishing in one of the greatest historical transformations of our time Written with the skill and authority of a great historian *Remembering Peasants* is a first class work Kirkus Reviews a richly complex and passionate history written with exquisite care It is also deeply resonant as Joyce shines a light

on people whose knowledge of the land is being irretrievably lost during our critical time of climate crisis and the rise of industrial agriculture Enlightening timely and vitally important this book commemorates an extraordinary culture whose impact on history and the future remains profoundly relevant

Ignorance, Power and Harm Alana Barton, Howard Davis, 2018-10-15 This book discusses the concept of agnosis and its significance for criminology through a series of case studies contributing to the expansion of the criminological imagination Agnotology the study of the cultural production of ignorance has primarily been proposed as an analytical tool in the fields of science and medicine However this book argues that it has significant resonance for criminology and the social sciences given that ignorance is a crucial means through which public acceptance of serious and sometimes mass harms is achieved The editors argue that this phenomenon requires a systematic inquiry into ignorance as an area of criminological study in its own right Through case studies on topics such as migrant detention historical institutionalised child abuse imprisonment environmental harm and financial collapse this book examines the construction of ignorance and the power dynamics that facilitate and shape that construction in a range of different contexts Furthermore this book addresses the relationship between ignorance and the achievement of manufactured consent to political and cultural hegemony acquiescence in its harmful consequences and the deflection of responsibility for them

The End of Outrage Breandán Mac Suibhne, 2017-08-05 South west Donegal Ireland June 1856 From the time that the blight first came on the potatoes in 1845 armed and masked men dubbed Molly Maguires had been raiding the houses of people deemed to be taking advantage of the rural poor On some occasions they represented themselves as Molly s Sons sent by their mother to carry out justice on others a man attired as a woman introducing herself as Molly Maguire demanding redress for wrongs inflicted on her children The raiders might stipulate the maximum price at which provisions were to be sold warn against the eviction of tenants or demand that an evicted family be reinstated to their holding People who refused to meet their demands were often viciously beaten and in some instances killed offences that the Constabulary classified as outrages Catholic clergymen regularly denounced the Mollies and in 1853 the district was proclaimed under the Crime and Outrage Ireland Act Yet the outrages continued Then in 1856 Patrick McGlynn a young schoolmaster suddenly turned informer on the Mollies precipitating dozens of arrests Here a history of McGlynn s informing backlit by episodes over the previous two decades sheds light on that wave of outrage its origins and outcomes the meaning and the memory of it More specifically it illuminates the end of outrage the shifting objectives of those who engaged in it and also how after hunger faded and disease abated tensions emerged in the Molly Maguires when one element sought to curtail such activity while another sought unsuccessfully to expand it And in that contention when the opportunities of post Famine society were coming into view one glimpses the end or at least an ebbing of outrage in the everyday sense of moral indignation at the fate of the rural poor But at heart The End of Outrage is about contention among neighbours a family that rose from the ashes of a mode of living those consumed in the conflagration and those who lost much but not all Ultimately

the concern is how the poor themselves came to terms with their loss how their own outrage at what had been done unto them and their forbears lost malignancy and eventually ended The author being a native of the small community that is the focus of *The End of Outrage* makes it an extraordinarily intimate and absorbing history

Getting the books **Occasions Of Faith An Anthropology Of Irish Catholics** now is not type of inspiring means. You could not on your own going bearing in mind ebook gathering or library or borrowing from your friends to door them. This is an unquestionably easy means to specifically acquire lead by on-line. Occasions Of Faith An Anthropology Of Irish Catholics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Occasions Of Faith An Anthropology Of Irish Catholics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Occasions Of Faith An Anthropology Of Irish Catholics has opened up a world of possibilities.

Downloading Occasions Of Faith An Anthropology Of Irish Catholics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Occasions Of Faith An Anthropology Of Irish Catholics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Occasions Of Faith An Anthropology Of Irish Catholics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Occasions Of Faith An Anthropology Of Irish Catholics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Occasions Of Faith An Anthropology Of Irish Catholics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices

have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Occasions Of Faith An Anthropology Of Irish Catholics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Occasions Of Faith An Anthropology Of Irish Catholics Books
