Perfectly Japanese Making Families In An Era Of Upheaval:

Perfectly Japanese Merry I. White, 2002 Perfectly Japanese Merry White, 2002-09-02 Are Japanese families in crisis In this dynamic and substantive study Merry Isaacs White looks back at two key moments of family making in the past hundred years the Meiji era and postwar period to see how models for the Japanese family have been constructed The models had little to do with families of their eras and even less to do with families today she finds She vividly portrays the everyday reality of a range of families young married couples who experience fleeting togetherness until the first child is born a family separated by job shifts a family with a grandmother as babysitter a marriage without children The Wiley Blackwell Companion to the Sociology of Families Judith Treas, Jacqueline Scott, Martin Richards, 2017-08-14 Written by an international team of experts this comprehensive volume investigates modern day family relationships partnering and parenting set against a backdrop of rapid social economic cultural and technological change Covers a broad range of topics including social inequality parenting practices children s work changing patterns of citizenship multi cultural families and changes in welfare state protection for families Includes many European North American and Asian examples written by a team of experts from across five continents Features coverage of previously neglected groups including immigrant and transnational families as well as families of gays and lesbians Demonstrates how studying social change in families is fundamental for understanding the transformations in individual and social life across the globe Extensively reworked from the original Companion published over a decade ago three quarters of the material is completely new and the remainder has been comprehensively updated **Inclusion through Access to Higher Education** , 2017-01-01 A key feature of the 21st century is undoubtedly the increased flow of goods ideas and people across geographical cultural and political boundaries which has led to new dynamics and ever more complex forms of interconnectedness In this context the inclusion of people on the move through education is a central issue which this book addresses in an original way it combines three extensively yet often separately studied themes namely access to higher education immigration and languages Written by both established and new researchers the studies which make up this interdisciplinary volume shed light on the complex political social and cultural dynamics at play between the three dimensions in different settings Drawing on the specific stakes related to higher education the tensions between barriers and opportunities for future students such as immigration regulations language policies and internationalization strategies are analysed and confronted with less visible yet powerful logics such as personal and professional aspirations cultural identities or family priorities Decades after many national higher education systems strove to widen access internally to under represented groups this book offers new international comparative insights on the way higher education can meet external demands from people experiencing chosen or unchosen displacement while taking hold of the specific challenges raised by their linguistic and cultural diversity **Intimate Disconnections** Allison Alexy, 2020-07-08 In many ways divorce is a quintessentially personal decision the choice to leave a marriage that causes

harm or feels unfulfilling to the two people involved But anyone who has gone through a divorce knows the additional public dimensions of breaking up from intense shame and societal criticism to friends and relatives unsolicited advice In *Intimate Disconnections* Allison Alexy tells the fascinating story of the changing norms surrounding divorce in Japan in the early 2000s when sudden demographic and social changes made it a newly visible and viable option Not only will one of three Japanese marriages today end in divorce but divorces are suddenly much more likely to be initiated by women who cite new standards for intimacy as their motivation As people across Japan now consider divorcing their spouses or work to avoid separation they face complicated questions about the risks and possibilities marriage brings How can couples be intimate without becoming suffocatingly close How should they build loving relationships when older models are no longer feasible What do you do both legally and socially when you just can't take it anymore Relating the intensely personal stories from people experiencing different stages of divorce Alexy provides a rich ethnography of Japan while also speaking more broadly to contemporary visions of love and marriage during an era in which neoliberal values are prompting wide ranging transformations in homes across the globe

Reading the Kimono in Twentieth-Century Japanese Literature and Film Michiko Suzuki, 2023-08-31 Often considered an exotic garment of traditional Japan the kimono is in fact a vibrant part of Japanese modernity playing an integral role in literature and film throughout the twentieth century *Reading the Kimono in Twentieth Century Japanese Literature and Film* is the first extended study to offer new ways of interpreting textual and visual narratives through kimono language what these garments communicate within their literary historical and cultural contexts Kimonos on the page and screen do much more than create verisimilitude or function as one dimensional symbols They go beyond simply indicating the wearer's age gender class and taste as eloquent heterogeneous objects they speak of wartime and postwar histories and shed light on everything from gender politics to censorship By reclaiming kimono language once a powerful shared vernacular Michiko Suzuki accesses inner lives of characters hidden plot points intertextual meanings resistant messages and social commentary *Reading the Kimono* examines modern Japanese literary works and their cinematic adaptations including Tanizaki Jun'ichirō's canonical novel *The Makioka Sisters* and its film versions one screened under the US Occupation and another directed by Ichikawa Kon in 1983 It also investigates Koda Aya's *Kimono and Flowing* as well as Naruse Mikio's 1956 film adaptation of the latter *Reading the Kimono* additionally advances the study of women writers by discussing texts by Tsuboi Sakae and Miyao Tomiko authors often overlooked in scholarship despite their award winning bestselling stature Through her analysis of stories and their afterlives Suzuki offers a fresh view of the kimono as complex material to be read She asks broader questions about the act of interpretation what it means to explore both texts and textiles as inherently dynamic objects shaped by context and considered differently over time *Reading the Kimono* is at once an engaging history of the modern kimono and its representation and a significant study of twentieth century Japanese literature and film

Intimacy and Reproduction in Contemporary Japan Genaro Castro-Vázquez, 2016-07-01 This book

presents an ethnographic investigation of intimate and reproductive behaviour in current Japanese society grounded in the viewpoints of a group of Japanese mothers. It adopts a new approach in studying the decreasing fertility rates which are contributing to the ageing population in modern Japan. Based on the accounts of 57 married Japanese women, it employs symbolic interactionism as a framework to examine the various factors affecting decision making on childbirth. The influence of Assisted Reproductive Technologies (ARTs), abortion and contraception in the daily interactions and experiences of the mothers are analysed to offer a new perspective on the Japanese demographic conundrum. With strong contextual information as the foundation, the book contributes fresh insight into how Japanese women perceive the idea of childbirth in a modernized society and also assists our understanding of the factors causing Japan's ageing population. Further, it places the mothers' experiences within current global debates to highlight the salience of the Japanese case. As the first book to provide an in-depth examination of the social process underpinning the decision to become a mother in Japan, it will appeal to students and scholars of Japanese culture and society, Gender Studies and Sociology.

Routledge Handbook of Families in Asia Stella R. Quah, 2015-03-24. Research on the family has expanded considerably across Asia, but studies tend to be fragmented, focusing on narrow issues within limited areas: cities, towns, small communities, and may not be accessible to international readers. These limitations make it difficult for researchers, students, policy makers and practitioners to obtain the information they need. The Routledge Handbook of Families in Asia fills that gap by providing a current and comprehensive analysis of Asian families by a wide range of experts in a single publication. The thirty-two chapters of this comparative and multi-disciplinary volume are organized into nine major themes: conceptual approaches, methodological issues, family life in the context of culture, family relationships across the family life cycle, issues of work and income, stress and conflict, family diversity, family policy and laws, and environmental setting of homes. Each chapter examines family life across Asian countries, studying cultural similarities and differences and exploring how families are changing and what trends are likely to develop in the future. To provide a fruitful learning experience for the reader, each chapter offers examples, relevant data and a comprehensive list of references. Offering a complete interdisciplinary overview of families in Asia, the Handbook will be of interest to students, academics, policy makers and practitioners across the disciplines of Asian Studies, Sociology, Demography, Social Work, Law, Social Policy, Anthropology, Geography, Public Health and Architecture.

Shichigosan Melinda Papp, 2016-06-07. This book presents a case study of shichigosan, an extremely popular childhood family ritual in contemporary Japan. It is an interesting example of a custom with very ancient roots going back to the tenth century that has undergone several transformations during the course of its history, adapting to changing socio-economic and cultural circumstances. Within the study, the ritual unfolds as a shared platform where basic social values, views on children and family life, and individual perceptions emerge, are expressed and moulded at the same time. This book offers a multidisciplinary approach to the study of a ritual practice in the intensely urbanized context of present-day Japan.

Intimate Japan Allison Alexy, Emma E. Cook, 2019-01-31 How do couples build intimacy in an era that valorizes independence and self responsibility How can a man be a good husband when full time jobs are scarce How can unmarried women find fulfillment and recognition outside of normative relationships How can a person express their sexuality when there is no terminology that feels right In contemporary Japan broad social transformations are reflected and refracted in changing intimate relationships As the Japanese population ages the low birth rate shrinks the population and decades of recession radically restructure labor markets Japanese intimate relationships norms and ideals are concurrently shifting This volume explores a broad range of intimate practices in Japan in the first decades of the 2000s to trace how social change is becoming manifest through deeply personal choices From young people making decisions about birth control to spouses struggling to connect with each other parents worrying about stigma faced by their adopted children and queer people creating new terms to express their identifications Japanese intimacies are commanding a surprising amount of attention both within and beyond Japan With ethnographic analysis focused on how intimacy is imagined enacted and discussed the volume's chapters offer rich and complex portraits of how people balance personal desires with feasible possibilities and shifting social norms *Intimate Japan* will appeal to scholars and students in anthropology and Japanese or Asian studies particularly those focusing on gender kinship sexuality and labor policy The book will also be of interest to researchers across social science subject areas including sociology political science and psychology

Gender, Humiliation, and Global Security Evelin Lindner, 2010-02-26 An award winning author and transdisciplinary social scientist offers a must read guide to paradigm change for creating a socially and ecologically sustainable future *Gender Humiliation and Global Security Dignifying Relationships from Love Sex and Parenthood to World Affairs* aims at outlining the kind of change that needs to be made if we wish to create a less crisis prone world This audacious work describes a vision for an alternative future showing how new approaches to love can dignify gender relations sex parenthood and leadership and how they can guide us to a world where all citizens can live dignified lives The book is organized in three parts Part I *Gender Humiliation and Lack of Security in Times of Transition* examines the nature of humiliation and how love and humiliation are influenced by large scale historical transitions such as globalization Part II *Gender Humiliation and Lack of Security in the World Today* looks at love sex parenthood and leadership and how they can be dignified Part III *Global Security through Love and Humility in the Future* explores how love can be used to inspire psychological social cultural and political strategies and to stimulate global systemic change

Modern Japan, Student Economy Edition Mikiso Hane, 2018-04-27 This book presents the essential facts of modern Japanese history It covers a variety of important developments through the 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments

Beyond the Cubicle Allison J. Pugh, 2017 *Beyond the Cubicle* looks at the hidden ramifications of job insecurity upon workers intimate lives personal relationships and crises of identity and self worth The broad and wide ranging essays explore how changes in

work have altered our emotions reworked the interplay of gender race and class and contributed to a contemporary radical individualism in variety of contexts

Routledge Handbook of Japanese Culture and Society Victoria Bestor, Theodore C. Bestor, Akiko Yamagata, 2011-04-13 This Handbook is an interdisciplinary resource that focuses on contemporary Japan and the social and cultural trends that are important at the beginning of the twenty first century

Routledge Handbook of Japanese Politics Alisa Gaunder, 2011-02-25 The Routledge Handbook of Japanese Politics is an advanced level reference guide which surveys the current state of Japanese politics featuring both traditional topics and cutting edge research The volume is divided into five sections covering domestic politics civil society social policy political economy and international relations security The first four sections begin with an overview chapter that provides historical background information on the section s overarching topic The chapters that follow explore more specific topics in the sub area In the final section historical background information is contained in the individual chapters which cover the diverse areas of international political economy security and foreign policy Offering a complete overview of the full spectrum of Japanese politics the Handbook is an invaluable resource for academics researchers policy analysts graduate and undergraduate students studying this ever evolving field

Rediscovering America Peter Duus, Kenji Hasegawa, 2011-08-20 Rediscovering America makes available in English for the first time a varied sampling of writings about the United States by Japanese observers from many different walks of life Robert Tierney author of *Tropics of Savagery* The Culture of Japanese Empire in Comparative Frame Rediscovering America is a splendid collection of Japanese writings on the American century covering the period from 1868 to 1989 from the Meiji to the Showa eras in Japanese calendar Many of the issues raised by the authors are still heard today Akira Iriye author of *Across the Pacific An Inner History of American East Asian Relations*

Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of *Historical Dictionary of Postwar Japan* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan

[Inside Japanese Classrooms](#) Nancy Sato, 2003-12-16 This detailed ethnographic study of fifth and sixth grade classrooms offers new insights into Japanese culture as many aspects of daily social life are embedded in the educational system Additionally this book provides new perspectives on educational reform in the U S since many current issues and programs focus on notions of community collaboration and systemic reform all of which are central to understanding

Japanese teaching learning processes in schools Capturing Contemporary Japan Satsuki Kawano, Glenda S. Roberts, Susan Orpett Long, 2014-01-31 What are people's life experiences in present day Japan This timely volume addresses fundamental questions vital to understanding Japan in the first decade of the twenty first century Its chapters collectively reveal a questioning of middle class ideals once considered the essence of Japaneseness In the postwar model household a man was expected to obtain a job at a major firm that offered life long employment his counterpart the professional housewife managed the domestic sphere and the children who were educated in a system that provided a path to mainstream success In the past twenty years however Japanese society has seen a sharp increase in precarious forms of employment higher divorce rates and a widening gap between haves and have nots Contributors draw on rich nuanced fieldwork data collected during the 2000s to examine work schooling family and marital relations child rearing entertainment lifestyle choices community support consumption and waste material culture well being aging death and memorial rites and sexuality The voices in these pages vary widely They include schoolchildren teenagers career women unmarried women young mothers people with disabilities small business owners organic farmers retirees and the elderly *Parenting After the Century of the Child* Tatjana Thelen, 2016-05-13 Bridging the gap between studies orientated around parenthood and those on the globalization of childhood *Parenting After the Century of the Child* provides a timely intervention to the scholarship It explores in depth negotiations of travelling ideals on childhood showing the power of institutional implementations that affect parenting practices Drawing on the latest research conducted in Europe North and South America Africa and South East Asia this book examines ideas currently travelling across the globe within institutional settings providing new insights into the dynamics and ambivalences involved in the simultaneous reframing of childhood and parenthood This truly global volume will appeal to anthropologists and sociologists with interests in gender childhood studies and the sociology of the family

Perfectly Japanese Making Families In An Era Of Upheaval Introduction

In the digital age, access to information has become easier than ever before. The ability to download Perfectly Japanese Making Families In An Era Of Upheaval has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Perfectly Japanese Making Families In An Era Of Upheaval has opened up a world of possibilities. Downloading Perfectly Japanese Making Families In An Era Of Upheaval provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Perfectly Japanese Making Families In An Era Of Upheaval has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Perfectly Japanese Making Families In An Era Of Upheaval. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Perfectly Japanese Making Families In An Era Of Upheaval. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Perfectly Japanese Making Families In An Era Of Upheaval, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Perfectly Japanese Making Families In An Era Of Upheaval has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Perfectly Japanese Making Families In An Era Of Upheaval Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Perfectly Japanese Making Families In An Era Of Upheaval is one of the best book in our library for free trial. We provide copy of Perfectly Japanese Making Families In An Era Of Upheaval in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Perfectly Japanese Making Families In An Era Of Upheaval. Where to download Perfectly Japanese Making Families In An Era Of Upheaval online for free? Are you looking for Perfectly Japanese Making Families In An Era Of Upheaval PDF? This is definitely going to save you time and cash in something you should think about.
