EL AYER DE HOY AndrA(c)s Medrano,2022-03-21 El ayer de hoy es la vida de dos seres que en su debido tiempo creyeron haber encontrado el amor de sus vidas Quizas fue amor a primera vista o quizas fue el destino quien los puso en el mismo camino de la vida y ambos sin saberlo vivieron un idilio que tambien seria el destino el que se encargaria de ponerlos frente a frente con lo inesperado Es el amor de Alejandro y de Erin un amor simple pero profundo un amor que a pesar del tiempo y las circunstancias no conocio el final Sin embargo las condiciones en la cuales ese amor crecio fueron mas que complicadas Alejandro y Erin nunca perdieron la fe en ese amor pero la vida les determino caminos alternos Es que acaso fue un verdadero amor o fue tan solo un espejismo de amor No hay ninguna duda de que aquel amor que florecio en un secreto que ambos decidieron mantener tambien fue ese mismo secreto que quizas lo llevo a lo imprevisto Nunca hubo un verdadero adios El adios nunca se dio porque simplemente ambos nunca creyeron en ese adios Ambos se habian jurado un amor para toda la vida eso fue para Alejandro y para Erin el amor de ayer y el amor de hoy el hacer mantener vivo lo que siempre ellos creyeron un amor sin final

Memorias Del Sanatorio Héctor Vallés, 2005-09-15 The story that unfolds in Memorias del Sanatorio has its beginnings in the mental vortex that engulfs Arnaldo Morales after the suicide of his father There is no possible resurrection after that fact and our main character is hospitalized in a quirky mental sanatorium in Spain where the sons and daughters of well to do in Latin American families as well as of the Spanish bourgeois are hospitalized with the hope of some miraculous cure of their mental illness from which they will continue to suffer in the clinic year after year in the hallways and the rooms of the Esquerdo The characters that inhabit these halls of the asylum are markedly interesting in

their contorted psychologies in their delusional systems in the inventions of the imaginations that lead them somewhere that they do not remotely expect the end of their shadows past the gray walls the corridors they follow going nowhere through the center of the despair of their schizophrenias the end of their delusions that do not provide with a way out The writer has gotten his material for the novel from his own experience as he walked these corridors and the streets that appear in the narrative and of course from the experience of mental illness One more important aspect of the narrative The narrator find himself in the streets of Miami Beach throughout the novel from where he recollects the thirty years past when the remembrances from the sanatorium took place The world is going to end like it happens in the end of every millennium and a new emperor comes to MB to witness the executions of the insane
