Dario Fo Antonio Scuderi, 2011-07-16 As a playwright and a performer Dario Fo 1926 is one of the most important figures in world theatre By the 1980s some were proclaiming him the most widely performed living playwright In 1997 his achievements were acknowledged with the Nobel Prize for literature Based on his interpretations of the Marxist social writer Antonio Gramsci Fo's politically motivated theatre strives to restore dignity to the popular culture of the masses As part of this process his theatre is structured on popular forms that challenge

the preeminence of an authoritative text In order to create a thematic frame akin to certain oral traditions Fo repeats themes and motifs that run throughout his theatre Utilizing the mechanisms found in various oral traditions Fo reaches beyond the confines of a given performance by referring to the greater thematic frame Dario Fo Framing Festival and the Folkloric Imagination is a close interdisciplinary study of his thematic frame and the techniques that allow him to refer to it throughout a performance Using the tools of folklore performance studies and anthropology including the works of some of the scholars that influenced Fo this book explores his use of history and aspects of European culture that hark back to the carnival as a primordial fertility rite

log linear analysis wikipedia - Sep 15 2023

log linear analysis is a technique used in statistics to examine the relationship between more than two categorical variables the technique is used for both hypothesis testing and model building in both these uses models are tested to find the most parsimonious i e least complex model that best accounts for the variance in the observed frequencies a pearson s chi square test could be used instead of log linear analysis but that technique only allows for two of the variables to be c
