Quebec Depuis 193:

Catholic Origins of Quebec's Quiet Revolution, 1931-1970 Michael Gauvreau, 2005-11-14 The Catholic Origins of Quebec's Quiet Revolution challenges a version of history central to modern Quebec's understanding of itself that the Quiet Revolution began in the 1960s as a secular vision of state and society which rapidly displaced an obsolete clericalized Catholicism Michael Gauvreau argues that organizations such as Catholic youth movements played a central role in formulating the Catholic ideology underlying the Quiet Revolution and that ordinary Quebecers experienced the Quiet Revolution primarily through a series of transformations in the expression of their Catholic identity Providing a new understanding of Catholicism's place in twentieth century Quebec Gauvreau reveals that Catholicism was not only increasingly dominated by the priorities of laypeople but was also the central force in Quebec's cultural transformation He makes it clear that from the 1930s to the 1960s the Church espoused a particularly radical understanding of modernity especially in the areas of youth gender identities marriage and family *Le province de Quebec* André Beaulieu, W.F.E. Morley, Benôit Bernier, Agathe Garon, 1971-12-15 There is no doubt that local and regional history considered by many as a kind of minor historical study has a pressing need for a systematic inventory of its resources This collection shows the durability the vividness and the astonishing productivity of a sector of history which is the stronghold of the history lover rather than the professional historian The nature and content of each book determines its selection For each book included the compilers have weighed its contribution to local history and regional history rather than the style in which it is written narrative memoir descriptive study or novel It is this criterion of selection that has permitted the retention of several general histories of a varied nature Bouchette Charlevoix Nicholas Denys La Potherie Lescaurbot Hanotau Sulte etc where local and regional life takes on a major importance for reasons of order in history method or quite simply because local life is the principal object of the study itself The editors have also retained certain works those of George W Brown Arthur Buies George M Grant Blodwen Davies etc because they are primarily descriptive and contain numerous elements in which local history blends with the manners and customs of the inhabitants of certain regions This bibliography is designed primarily for historiographers who have until now paid little attention to local regional or parochial history It will also be invaluable for librarians who suffer from the numerous difficulties involved in the classification of such works Since 1950 all works published in Canada are by virtue of the book deposit law provided to the National Library of Canada and recorded in Canadiana Quebec Since 1930 Paul-André Linteau, René Durocher, Jean-Claude Robert, François Ricard, 1991-01-01 List of Tables List of Maps List of Figures Preface PART 1 THE DEPRESSION AND THE WAR 1930 1945 Introduction Quebec in 1929 The Depression A Troubled Period The Second World War *Sessional Papers ... Bibliothèque de la Législature de Québec Québec (Province). Legislature. Library, 1872 The Many Captivities of Esther Wheelwright Ann M. Little, 2016-09-27 Born and raised in a New England garrison town Esther Wheelwright 1696 1780 was captured by Wabanaki Indians at age seven Among them she became a Catholic and lived like any other young girl in the tribe At age twelve she was enrolled at a French Canadian Ursuline convent where she would spend the rest of her life eventually becoming the order's only foreign born mother superior Among these three major cultures of colonial North America Wheelwright's life was exceptional border crossing multilingual and multicultural This meticulously researched book discovers her life through the communities of girls and women around her the free and enslaved women who raised her in Wells Maine the Wabanaki women who cared for her catechized her and taught her to work as an Indian girl the French Canadian and Native girls who were her classmates in the Ursuline school and the Ursuline nuns who led her to a religious life

The Rise of Ecclesiastical Control in Quebec Walter Alexander Riddell, 1916 **Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

Divergent Paths Marc Egnal, 1996 Why are some countries without an apparent abundance of natural resources such as Japan economic success stories while others languish in the doldrums of slow growth In this comprehensive look at North American economic history Marc Egnal argues that culture and institutions play an integral role in determining economic outcome He focuses his examination on the eight colonies of the North five colonies of the South which together made up the original thirteen states and French Canada Using census data diaries travelers accounts and current scholarship Egnal systematically explores how institutions such as slavery in the South and the seigneurial system in French Canada and cultural arenas such as religion literacy entrepreneurial spirit and intellectual activity influenced development He seeks to answer why three societies with similar standards of living in 1750 became so dissimilar in development By the mid nineteenth century the northern states had surged ahead in growth and this gap continued to widen into the twentieth

century Egnal argues that culture and institutions allowed this growth in the North not resources or government policies Both the South and French Canada stressed hierarchy and social order more than the drive for wealth Rarely have such parallels been drawn between these two societies Complete numerous helpful appendices figures tables and maps Divergent Paths is a rich source of unique perspectives on economic development with strong implications for emerging societies

Les Rapports Judiciaires de Québec Québec (Province). Superior Court,1896 *Les recueils de jurisprudence du Québec, publiés par le Barreau de Québec* Québec (Province). Superior Court,1919 *The Social Origins of the Welfare State* Dominique Marshall,2011-04-07 The Social Origins of the Welfare State traces the evolution of the first universal laws for Qu bec families passed during the Second World War In this translation of her award winning Aux origines sociales de l tat providence Dominique Marshall examines the connections between political initiatives and Qu b cois families in particular the way family allowances and compulsory schooling primarily benefited teenage boys who worked on family farms and girls who stayed home to help with domestic labour She demonstrates that while the promises of a minimum of welfare and education for all were by no means completely fulfilled the laws helped to uncover the existence of deep family poverty Further by exposing the problem of unequal access of children of different classes to schooling these programs paved the way for education and funding reforms of the next generation Another consequence was that in their equal treatment of both genders the laws fostered the more egalitarian language of the war which faded from other sectors of society possibly laying groundwork for feminist claims of future decades The way in which the poorest families influenced the creation of public educational and welfare institutions is a dimension of the welfare state unexamined until this book At a time when the very idea of a universal welfare state is questioned The Social Origins of the Welfare State considers the fundamental reasons behind its creation and brings to light new perspectives on its future Report of Dividends Remaining Unpaid and Unclaimed Balances in Chartered Banks of ... Babies for the Nation Denyse Baillargeon,2010-11-04 Described by some as a necropolis for babies the province of Quebec in the early twentieth century recorded infant mortality rates particularly among French speaking Catholics that were among the highest in the Western world This bleeding of the nation gave birth to a vast movement for child welfare that paved the way for a medicalization of childbearing In Babies for the Nation basing her analysis on extensive documentary research and more than fifty interviews with mothers Denyse Baillargeon sets out to understand how doctors were able to convince women to consult them and why mothers chose to follow their advice Her analysis considers the medical discourse of the time the development of free services made available to mothers between 1910 and 1970 and how mothers used these services Showing the variety of social actors involved in this process doctors nurses women s groups members of the clergy private enterprise the state and the mothers themselves this study delineates the alliances and the conflicts that arose between them in a complex phenomenon that profoundly changed the nature of childbearing in Quebec Un Qu bec en mal d

enfants La m dicalisation de la maternit 1910 1970 was awarded the Clio Qu bec Prize the Lionel Groulx Yves Saint Germain Prize and the Jean Charles Falardeau Prize This translation by W Donald Wilson brings this important book to a new readership *Catalogue des brochures, journaux et rapports dposs aux archives canadiennes 1611-1867*, 1911
