

Queen Victoria Goes to the Theatre

GEORGE ROWELL

Queen Victoria Goes To The Theatre

Stuart Sillars

Queen Victoria Goes To The Theatre:

Queen Victoria Goes to the Theatre George Rowell, 1978 **Queen Victoria and the Theatre of Her Age** R. Schoch, 2004-01-28 A fresh and intimate portrait of Queen Victoria at the play Through Victoria's diary artwork and correspondence we see her as enraptured spectator bountiful patron and tyrannical director of private theatricals At times she appears formidable More frequently she is impudent high spirited and unruly a woman who delights in gory melodramas and circus acts Queen Victoria and the Theatre of Her Age gives readers a deeply personal account of her lifelong devotion to the stage It will appeal to anyone interested in monarchy's place in popular culture *Romantic Stages* Alicia Finkel, 2005-07-01 Though Romantic elements in stage design are often thought to have ended with the advent of the Victorian era they in fact persisted into the second half of the nineteenth century Romantic stages were used in the productions of many of the most prominent actor managers of the period including Madame Vestris Charles Kean Wilson Barrett Henry Irving and Herbert Beerbohm Tree This work shows how the emphasis placed on the visual elements of Victorian productions the spectacular romantic settings and historically accurate costumes revolutionized the position that stage designers held They emerged from anonymity becoming recognized and highly praised collaborators in the creative process **When Romeo was a Woman** Lisa Merrill, 2000 Examines the life of the androgynous nineteenth century American actress and her work on the Anglo American stage **As You Like It** Robert Shaughnessy, 2017-10-19 This book examines the modern performance history of one of Shakespeare's best loved and most enduring comedies and one that has given opportunities for generations of theatre makers and theatre goers to explore the pleasures of pastoral gender masquerade and sexual ambiguity Powered by Shakespeare's greatest female comic role the play invites us into a deeply English woodland that has also been richly imagined as a space of dreams The study retrieves the untold stories of stage productions in Britain France and Germany which include Royal Shakespeare Company productions starring Vanessa Redgrave Eileen Atkins and Juliet Stevenson the ground breaking all male productions at the National Theatre in 1967 and by Cheek by Jowl in 1992 and the versions directed by Jacques Copeau in Paris in 1934 and by Peter Stein in Berlin in 1977 It also addresses the four major screen versions of the play ranging from Paul Czinner's 1936 film to Kenneth Branagh's seventy years later Theatre in the Victorian Age Michael R. Booth, 1991-07-26 A comprehensive survey of the theatre practice and dramatic literature of the Victorian period **The Cambridge Companion to Shakespeare** Margreta de Grazia, Stanley Wells, 2001-04-05 This book offers a comprehensive readable and authoritative introduction to the study of Shakespeare by means of nineteen newly commissioned essays An international team of prominent scholars provide a broadly cultural approach to the chief literary performative and historical aspects of Shakespeare's work They bring the latest scholarship to bear on traditional subjects of Shakespeare study such as biography the transmission of the texts the main dramatic and poetic genres the stage in Shakespeare's time and the history of criticism and performance In addition

authors engage with more recently defined topics gender and sexuality Shakespeare on film the presence of foreigners in Shakespeare's England and his impact on other cultures Helpful reference features include chronologies of the life and works illustrations detailed reading lists and a bibliographical essay **Victorian Transformations** Bianca

Tredennick, 2016-02-24 Proposing the concept of transformation as a key to understanding the Victorian period this collection explores the protean ways in which the nineteenth century conceived of responded to and created change The volume focuses on literature particularly issues related to genre nationalism and desire For example the essays suggest that changes in the novel's form correspond with shifting notions of human nature in Victor Hugo's Notre Dame de Paris technical forms such as the villanelle and chant royal are crucial bridges between Victorian and Modernist poetics Victorian theater moves from privileging the text to valuing the spectacles that characterized much of Victorian staging Carlyle's Past and Present is a rallying cry for replacing the static and fractured language of the past with a national language deep in shared meaning Dante Gabriel Rossetti posits unachieved desire as the means of rescuing the subject from the institutional forces that threaten to close down and subsume him and the return of Adelaide Anne Procter's fallen nun to the convent in A Legend of Provençe can be read as signaling a more modern definition of gender and sexuality that allows for the possibility of transgressive desire within society The collection concludes with an essay that shows neo-Victorian authors like John Fowles and A.S. Byatt contending with the Victorian preoccupations with gender and sexuality **Reflecting the Audience** Jim

Davis, Victor Emeljanow, 2005-04 This innovative work begins to fill a large gap in theatre studies the lack of any comprehensive study of nineteenth century British theatre audiences In an attempt to bring some order to the enormous amount of available primary material Jim Davis and Victor Emeljanow focus on London from 1840 immediately prior to the deregulation of that city's theatres to 1880 when the Metropolitan Board of Works assumed responsibility for their licensing In a further attempt to manage their material they concentrate chapter by chapter on seven representative theatres from four areas the Surrey Theatre and the Royal Victoria to the south the Whitechapel Pavilion and the Britannia Theatre to the east Sadler's Wells and the Queen's later the Prince of Wales's to the north and Drury Lane to the west Davis and Emeljanow thoroughly examine the composition of these theatres audiences their behavior and their attendance patterns by looking at topography social demography police reports playbills autobiographies and diaries newspaper accounts economic and social factors as seen in census returns maps and transportation data and the managerial policies of each theatre Shakespeare

And The Victorians Adrian Poole, 2014-03-20 Adrian Poole examines the Victorian's obsession with Shakespeare his impact upon the era's consciousness and the expression of this in their drama novels and poetry The book features detailed discussion of the interpretations and applications of Shakespeare by major figures such as Dickens and Hardy Tennyson and Browning as well as those less well known **Lewis Carroll and the Victorian Stage** Richard Foulkes, 2017-03-02 Author of the enduringly popular Alice books mathematician Anglican cleric and pioneer photographer Lewis Carroll maintained a

lifelong enthusiasm for the theatre Lewis Carroll and the Victorian Stage is the first book to focus on Carroll's irresistible fascination with all things theatrical from childhood charades and marionettes to active involvement in the dramatisation of Alice influential contributions to the debate on child actors and the friendship of leading players especially Ellen Terry As well as being a key to his complex and enigmatic personality Carroll's interest in the theatre provides a vivid account of a remarkable era on the stage that encompassed Charles Kean's Shakespeare revivals the comic genius of Frederick Robson the heyday of pantomime Gilbert and Sullivan opera bouffe the Terry sisters Henry Irving and favourite playwrights Tom Taylor H A Jones and J M Barrie With attention to the complex motives that compelled Carroll to attend stage performances Foulkes examines the incomparable record of over forty years as a playgoer that Carroll left for posterity

Shakespeare's Women and the Fin de Siècle Sophie Duncan, 2016-12-01 Shakespeare's Women and the Fin de Siècle illuminates the most iconoclastic performances of Shakespeare's heroines in late Victorian theatre through the celebrity commentary and wider careers of the actresses who played them By bringing together fin de siècle performances of Shakespeare and contemporary Victorian drama for the first time this book illuminates the vital ways in which fin de siècle Shakespeare and contemporary Victorian theatre culture conditioned each other Actresses' movements between Shakespeare and fin de siècle roles reveal the collisions and unexpected consonances between apparently independent areas of the fin de siècle repertory Performances including Ellen Terry's Lady Macbeth Madge Kendal's Rosalind and Lillie Langtry's Cleopatra illuminate fin de siècle Shakespeare's lively intersections with cultural phenomena including the Jack the Ripper killings Aestheticism the suicide craze and the rise of metropolitan department stores If as previous studies have shown Shakespeare was everywhere in Victorian culture Sophie Duncan explores the surprising ways in which late Victorian culture from Dracula to pornography and from Ruskin to the suffragettes inflected Shakespeare Via a wealth of unpublished archival material Duncan reveals women's creative networks at the fin de siècle and how Shakespearean performance traditions moved between actresses via little studied performance genealogies At the same time controversial new stage business made fin de siècle Shakespeare as much a crucible for debates over gender roles and sexuality as plays by Ibsen and Shaw Increasingly actresses' creative networks encompassed suffragist activists who took personal inspiration from star Shakespearean actresses From a Salome-esque Juliet to a feminist Paulina fin de siècle actresses created cultural legacies which Shakespeare in performance still negotiates today

Shakespeare and (Eco-)Performance History Elizabeth Schafer, 2024-06-12 Seismic shifts in the theatrical meanings of The Merry Wives of Windsor have taken place across the centuries as Shakespeare's frequently performed play has relocated to Windsor across the world journeying along the production adaptation appropriation continuum This eco performance history of Shakespeare's The Merry Wives of Windsor not only offers the first in depth analysis of the play in production with a particular focus on the representation of merry women but also utilises the comedy's forest aware dramaturgy to explore Mistress Page's concept of being frugal in my mirth in relation to sustainable theatre

practices Herne's Oak the fictitious tree in Windsor Forest where everyone meets in the final scene of the play is utilised to enable a maverick but ecologically based reframing of the productions of *Merry Wives* analysed here This study engages with gender physical comedy and cultural relocations of Windsor across the world to offer new insight into *Merry Wives* and its theatricality

Shakespeare Survey Stanley Wells, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback

Gilbert and Sullivan Carolyn Williams, 2010-11-25 Long before the satirical comedy of *The Daily Show* and *The Colbert Report* the comic operas of W S Gilbert and Arthur Sullivan were the hottest send ups of the day's political and cultural obsessions Gilbert and Sullivan's productions always rose to the level of social commentary despite being impertinent absurd or inane Some viewers may take them straight but what looks like sexism or stereotype was actually a clever strategy of critique Parody was a powerful weapon in the culture wars of late nineteenth century England and with defiantly in your face sophistication Gilbert and Sullivan proved that popular culture can be intellectually as well as politically challenging Carolyn Williams underscores Gilbert and Sullivan's creative and acute understanding of cultural formations Her unique perspective shows how anxiety drives the troubled mind in the Lord Chancellor's Nightmare Song in *Iolanthe* and is vividly realized in the sexual and economic phrasing of the song's patter lyrics The modern body appears automated and performative in the Junction Song in *Thespis* anticipating Charlie Chaplin's factory worker in *Modern Times* Williams also illuminates the use of magic in *The Sorcerer* the parody of nautical melodrama in *H M S Pinafore* the ridicule of Victorian aesthetic and idyllic poetry in *Patience* the autoethnography of *The Mikado* the role of gender in *Trial by Jury* and the theme of illegitimacy in *The Pirates of Penzance* With her provocative reinterpretation of these artists and their work Williams recasts our understanding of creativity in the late nineteenth century

Shakespeare and the Victorians Stuart Sillars, 2013-11 *Shakespeare and the Victorians* explores the place of Shakespeare in Victorian culture and shows how the plays and the man became central to all levels of Victorian life and thought

Lives of Shakespearian Actors, Part III, Volume 1 Gail Marshall, Tetsuo Kishi, Richard Foulkes, Julia Swindells, Robert Sawyer, David Francis Taylor, 2024-05-17 Features actors who were significant in their development of new and innovative ways of performing Shakespeare This title contains extracts from diaries memoirs private letters and obituaries that present a contemporary account of their acting achievements and personal lives

Shakespeare Stanley Wells, 2003 From the entry of Shakespeare's birth in the Stratford church register to a Norwegian production of *Macbeth* in which the hero was represented by a tomato this enthralling and splendidly illustrated book tells the story of Shakespeare's life his writings and his afterlife Drawing on a lifetime's experience of studying teaching editing and writing about Shakespeare Stanley Wells combines scholarly authority with authorial flair in a book that will appeal equally to the specialist and the untutored enthusiast Chapters on Shakespeare's life in Stratford and in London offer a fresh view of the development of the writer's career and personality At the core of the book lies a magisterial study of the writings themselves how Shakespeare set about

writing a play his relationships with the company of actors with whom he worked his developing mastery of the literary and rhetorical skills that he learned at the Stratford grammar school the essentially theatrical quality of the structure and language of his plays Subsequent chapters trace the fluctuating fortunes of his reputation and influence Here are accounts of adaptations productions and individual performances in England and increasingly overseas of great occasions such as the Garrick Jubilee and the tercentenary celebrations of 1864 of the spread of Shakespeare's reputation in France and Germany Russia and America and more recently the Far East of Shakespearian discoveries and forgeries of critical reactions favorable and otherwise and of scholarly activity of paintings music films and other works of art inspired by the plays of the plays use in education and the political arena and of the pleasure and intellectual stimulus that they have given to an increasingly international public Shakespeare said Ben Jonson was not of an age but for all time This is a book about him for our time

Melodramatic Tactics Elaine Hadley, 1995 This pathbreaking work analyzes melodrama as not merely a theatrical genre but as a behavioral paradigm of the nineteenth century manifest in the theater in literature and in society It shows how the melodramatic mode reaffirmed the familial hierarchical and public grounds for ethical behavior and identity that characterized models of social exchange and organization *Wilkie Collins* G. Law, A. Maunder, 2008-07-16 Wilkie Collins A Literary Life draws on recently available business and personal correspondence to establish a fresh portrait of one of Victorian Britain's busiest authors The book takes in Collins's notoriously complicated private life as well as his work as a professional author in the changing world of Victorian publishing

Reviewing **Queen Victoria Goes To The Theatre**: Unlocking the Spellbinding Force of Linguistics
