Queen of Tarts 1 Lark Westerly,2021 Since her parents became grey nomads Queenie Hart was just about alone in the world Her strange obsession with all things Scottish in the weeks before Halloween was ruining her life While in the grip of the Caledonian Curse she insulted people and spent money she couldn't afford on bagpipe serenades She turned down a date with her perfect man angered her employers and pushed her landlady into giving her notice She and her little baking business Queen of Tarts would soon be homeless Queenie's luck changed when her dad's odd cousin found her a rent free home for three months The Belfry was a converted church and Queenie was soon embroiled with the attractive but married landlord and a man she knew as the Fixer The Fixer helped her whenever she needed but Halloween was coming Caledonia was calling and it was so the wrong time to be starting on a new romance Bark vs. Snark: A Queenie and Arthur Novel Spencer Quinn,2020-10-06 From New York Times bestseller Spencer Quinn comes book 3 in the laugh out loud series about the most epic rivalry of our time Arthur the dog vs Queenie the cat Arthur doesn't always remember where he buried his bone or what he was doing before he started scratching his ear but he never forgets three important facts 1 Bacon is delicious 2 He loves his humans twins Bro and Harmony with all his heart 3 Queenie the cat is out to destroy him So when Queenie wins first place in a feline beauty contest at the county fair Arthur expects her to be snottier than ever Even though she barely beat out another cat who looked almost exactly like her Yet when Queenie returns from the fair she seems oddly nice and sociable almost like she's had a personality change The humans chalk up Queenie's good mood to her recent win but Arthur knows the truth He can tell from the smell that this friendly Queenie is an imposter Yet before he can decide what to do Cuthbert the Clown the only one who knows what's really going on turns up missing Arthur wants to help his humans find Cuthbert but he has seen some disturbing things they have not Can he solve a mystery on his own Or will he have to accept that he needs Queenie as much as he needs bacon **Miss Daisy Dimity, by the author of 'Queenie'.** Maria Henrietta De la Cherois-Crommelin,1883 **Queenie** Jacqueline Wilson,2013-01-31 It's 1953 the year Elizabeth is to be crowned Queen of England Elsie Kettle can't wait to go to London to see the celebrations on Coronation Day Elsie lives with her Nan her mum works as a showgirl so she's not around very often Spirited and imaginative but often lonely Elsie longs for a best friend Luckily she and Nan are very close Elsie just wishes she was allowed a cat to keep her company sometimes Then tragedy strikes Nan and Elsie both fall ill with tuberculosis and Elsie finds herself whisked away to the children's ward of the hospital Confined to bed for months on end Elsie finds it very hard to adapt to the hospital's strict regime But she invents astonishing ways of entertaining the other children on the ward and for the first time finds herself surrounded by true friends including Queenie the hospital's majestic white cat Finally Elsie is well enough to leave hospital But before she does she has one very special very unexpected visitor A master storyteller The Good Book Guide **Serious As a Heart Attack** Louisa

Garland Ladd,2001-04-04 When severe guilt and depression afflicts a person life hardly seems worth living It overshadows everything else creating behavior and an attitude that conflicts with society at every turn Skills efficiency and personal relationships suffer and paranoia becomes a constant companion Major Ramsey the lead character in Queenie s Major Problem found himself in that dilemma at the age of thirty two just when his career had taken a meteoric rise His superior at a nationally known corporation empathized with Major recognized that there were valid reasons for his down state and gambled that Major might find himself given release from job pressures and demands of his community Thus the considerate superior offered Major an unpaid leave of absence from his position which became the vote of confidence that prevented Major from ending his misery with a bullet Although religious and moral Major didn t have Job s sound faith in God to sustain him during his period of mourning and self incrimination Self hate and desire for punishment completely dominated Major because everything pointed to him as being responsible for the deaths of his parents wife and two small children Their deaths happened in two separated incidents only six weeks apart removing the five people most important in his life He wanted to die and find relief from his pain but earnestly desired atonement for his sins and guilt before moving to the hereafter whatever that might be in his case So when the offer of a leave of absence arose Major decided to sell everything he owned and use the meager proceeds to finance a year long trek of the United States shanks mare walking without purpose or destination living at only subsistence levels and punishing his body as just rewards for his transgressions to his family and

society His year of trekking would end in finding peace and atonement or else the inevitable bullet would find the proper place to end his misery At the outset Major imposed difficult commandments for the road for himself and had an inkling that the trek would be demanding precisely the punishment he thought he deserved However he had no way of knowing where his travels would lead nor how the varied experiences he would face could impact his mental well being and future It began rudely when an unfriendly hunting dog peed on Major s sleeping bag while he cringed inside hoping not to be attacked Assaults by ants leeches and hoodlums added to his desired misery Other encounters quickly showed that many people have severe problems and he helped many of them over major life hurdles Those occasions caused him to look outwardly instead of inwardly and his self esteem began to rise A chance encounter with an attractive young lady created a new dimension to his life but neither she nor anything else deterred him from finding the relief he sought At the end of the test year Major was greatly affected by the numerous events during his trek some delightful some dangerous and harrowing and some were inspiring and uplifting Major concluded that he could reasonably expect a normal life even one that included painful memories and shame for his past sins One of his self imposed rules for the year was to completely sever ties with his former life and was unaware of surprising developments that had a bearing on his misery

Crusades end eventually some in dignity and accomplishments some causing misery and some with the crusader finding his or her elusive Holy Grail Major s yearlong crusade ended with startling surprises with him finding a Holy
