Anderson, 1978 **Queen of Vaudeville** Andrew L. Erdman, 2012-09-15 In her day Eva Tanguay 1879-1947 was one of the most famous women in America Widely known as the I Don't Care Girl named after a song she popularized and her independent even brazen persona Tanguay established herself as a vaudeville and musical comedy star in 1901 with the New York City premiere of the show *My Lady* and never looked back Tanguay was at the height of a long career that stretched until the early 1930s a trend setting performer who embodied the emerging ideal of the bold and sexual female entertainer Whether suggestively singing songs with titles like *It's All Been Done Before But Not the Way I Do It* and *Go As Far As You Like* or wearing a daring dress made of pennies she was a precursor to subsequent generations of performers from Mae West to Madonna and Lady Gaga who have been both idolized and condemned for simultaneously displaying and playing with blatant displays of female sexuality In *Queen of Vaudeville* Andrew L. Erdman tells Eva Tanguay's remarkable life story with verve Born into the family of a country doctor in rural Quebec and raised in a New England mill town Tanguay found a home on the vaudeville stage Erdman follows the course of her life as she amasses fame and wealth marries and divorces twice engages in affairs closely followed in the press declares herself a Christian Scientist becomes one of the first celebrities to get plastic surgery loses her fortune following the Wall Street Crash of 1929 and receives her last notice an obituary in *Variety* The arc of Tanguay's career follows the history of American popular culture in the first half of the twentieth century Tanguay's appeal so dependent on her physical presence and personal charisma did not come across in the new media of radio and motion pictures With nineteen rare or previously unpublished images *Queen of Vaudeville* is a dynamic portrait of a dazzling and unjustly forgotten show business star *Guide to Compact Discs* Ivan March, Edward Greenfield, Robert Layton, Paul Czajkowski, 2002 This biannual update includes a thorough assessment of audio and video discs making it the most complete guide to classical music available **Music and Ceremonial at British Coronations** Matthias

Range, 2012-08-23 Coronations are the grandest of all state occasions This is the first comprehensive in depth study of the music that was performed at British coronations from 1603 to the present encompassing the sixteen coronations that have taken place in Westminster Abbey and the last two Scottish coronations Range describes how music played a crucial role at the coronations and how the practical requirements of the ceremonial proceedings affected its structure and performance

The programme of music at each coronation is reconstructed accompanied by a wealth of transcriptions of newly discovered primary source material revealing findings that lead to fresh conclusions about performance practices The coronation ceremonies are placed in their historical context including the political background and the concept of invented traditions The study is an invaluable resource not only for musicologists and historians but also for performers providing a fascinating insight into the greatest of all Royal events
