Queer In New Zealand:

Queer in Aotearoa New Zealand Lynne Alice, Lynne Star, 2004 Much has changed since the beginnings of the gay liberation movement and the feminist movement in the 1970s in Aotearoa New Zealand Yet to a degree the invisibility of gay male lesbian and transsexual lifestyles as well as individual struggles for rights and recognition remains The diverse contributions in this book discuss how the reframing of queer as a proud border crossing identity challenges conventional views of gay lesbian transsexual and heterosexual identities At the heart of queer politics and theory lies the double irony that queers still experience different social positions and are confronted differently by public challenges and they also seldom agree about how and for what political reasons sexuality should be defined and categorised In this book queer brings together wide ranging commentaries on the history politics and culture of thirty years of sexual history in Aotearoa New Zealand

Queer Studies and Education Nelson M. Rodriguez, Robert C. Mizzi, Louisa Allen, Rob Cover, 2023 Queer Studies and Education An International Reader explores how the category queer as a critical stance or set of perspectives contributes to opportunities individually and collectively for advancing queer social justice within the context and concerns of schooling and education The collection takes up this general goal by presenting a cross section of international perspectives on queer studies in education Collectively the chapters critically engage with heteronormativity and normativity more generally as a political spectrum over a broad range of formal and informal sites of education and against a backdrop of critiques of liberalism and neoliberalism as the frameworks through which achievable social change and belonging are fostered particularly within educational settings

Queer Imaginings David A. Gerstner, 2023-03-21 Discovering the queer auteur and their seductive cinematic delights and possibilities How do we identify the queer auteur and their queer imaginings Is it possible to account for such a figure when the very terms queer and auteur invoke aesthetic surprises and disorientations disconcerting ironies and paradoxes and biographical deceits and ambiguities In eighteen eloquent chapters David A Gerstner traces a history of ideas that spotlight an ever shifting terrain associated with auteur theory and in particular queer auteur theory Engaging with the likes of Oscar Wilde Walter Benjamin James Baldwin Jean Louis Baudry Linda Nochlin Jane Gallop C el Keegan Luce Irigaray and other prominent critical thinkers Gerstner contemplates how the queer auteur in film theory might open us to the work of desire Queer Imaginings argues for a queer auteur in which critical theory is reenabled to reconceptualize the auteur in relation to race gender sexuality and desire Gerstner succinctly defines the contours of a history and the ongoing discussions that situate queer and auteur theories in film studies Ultimately Queer Imaginings is a journey in shared pleasures in which writing for and about cinema makes way for unanticipated cinematic friendships
