## **Queering Christ Beyond Jesus Acted Up:**

*Queering Christ* Robert Goss, 2002 Many aspects of the work are guaranteed to be highly controversial within and outside of the LGBT community **BOOK JACKET** **Queering Christ** Robert E. Goss, 2001-01-01 *Queering Christianity* Robert E. Shore-Goss, Thomas Bohache, Patrick S. Cheng, Mona West, 2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices **Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries** Craig A. Rubano, 2023-11-13 *Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries* Gender Creative Promise uniquely brings a gender diverse theological imagination to the field of pastoral theology supplemented by deploying a gender creative interpretative lens on scripture The reader is introduced to an array of persons diverse in their gender variance four continua of gender sex identity expression attraction a gender affirmative psychotherapeutic model as a template for the field of pastoral theology common resilience strategies that transgender persons employ in the face of cultural oppression and aspersions benefits derived from religious affiliation that can enhance resilience and scripturally based principles for delivering affirmative pastoral caregiving beyond gender binaries The author encourages readers to look within and wrestle with the complexities of their own gendered selves while journeying alongside him to emerge as pastoral change makers in their places of teaching ministry and caregiving *A Special Illumination* Rollan McCleary, 2017-07-28 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles *A Special Illumination* offers an indepth analysis and argues that gay

spirituality should be placed at the heart of religion      *Unlocking Orthodoxies for Inclusive Theologies* Robert E. Shore-Goss, Joseph N. Goh, 2019-11-28 This book enters a new liminal space between the LGBTQ and denominational Christian communities It simultaneously explores how those who identify as queer can find a home in church and how those leading welcoming or indeed unwelcoming congregations can better serve both communities The primary argument is that queer inclusion must not merely mean an assimilation into existing heteronormative respectability and approval Chapters are written by a diverse collection of Asian Latin American and U S theologians religious studies scholars and activists Each of them writes from their own social context to address the notion of LGBTQ alternative orthodoxies and praxes pertaining to God the saints failure of the church queer eschatologies and erotic economies Engaging with issues that are not only faced by those in the theological academy but also by clergy and congregants the book addresses those impacted by a history of Christian hostility and violence who have become suspicious of attempts at acceptance It also sets out an encouragement for queer theologians and clergy think deeply about how they form communities where queer perspectives are proactively included This is a forward looking and positive vision of a more inclusive theology and ecclesiology It will therefore appeal to scholars of Queer Theology and Religious Studies as well as practitioners seeking a fresh perspective on church and the LGBTQ community      Doing Church at the Amplify Open and Affirming Conferences Joseph N. Goh, 2021-06-03 This book is a dedicated academic study of Amplify a series of open and affirming Christian conferences in Asia that provides spaces of worship support fellowship collaboration and networking for LGBTIQ affirming churches Through a detailed analysis of narratives from fourteen Amplify frontliners comprising co founders hosts organisers co organisers speakers consultants and other active contributors this volume chronicles the historical development of Amplify from its 2009 inception in Singapore to subsequent occurrences in Hong Kong Indonesia Malaysia Singapore and most recently Taiwan in 2018 Written at the intersection of gender sexuality and theology the focus of this volume lies in the construction of Asian LGBTIQ ecclesiologies that emanate from and speak to the theological vision of doing church at Amplify      Sexual Disorientations Kent L. Brintnall, Joseph A. Marchal, Stephen D. Moore, 2017-11-07 Sexual Disorientations brings some of the most recent and significant works of queer theory into conversation with the overlapping fields of biblical theological and religious studies to explore the deep theological resonances of questions about the social and cultural construction of time memory and futurity Apocalyptic eschatological and apophatic languages frameworks and orientations pervade both queer theorizing and theologizing about time affect history and desire The volume fosters a more explicit engagement between theories of queer temporality and affectivity and religious texts and discourses      **The Queer God** Marcella Althaus-Reid, 2004-06-01 There are those who go to gay bars and salsa clubs with rosaries in their pockets and who make camp chapels of their living rooms Others enter churches with love letters hidden in their bags because their need for God and their need for love refuse to fit into different compartments But what goodness and righteousness can prevail if you are in love with someone whom you are

ecclesiastically not supposed to love Where is God in a salsa bar The Queer God introduces a new theology from the margins of sexual deviance and economic exclusion Its chapters on Bisexual Theology Sadean holiness gay worship in Brazil and Queer sainthood mark the search for a different face of God the Queer God who challenges the oppressive powers of heterosexual orthodoxy whiteness and global capitalism Inspired by the transgressive spaces of Latin American spirituality where the experiences of slum children merge with Queer interpretations of grace and holiness The Queer God seeks to liberate God from the closet of traditional Christian thought and to embrace God's part in the lives of gays lesbians and the poor Only a theology that dares to be radical can show us the presence of God in our times The Queer God creates a concept of holiness that overcomes sexual and colonial prejudices and shows how Queer Theology is ultimately the search for God's own deliverance Using Liberation Theology and Queer Theory it exposes the sexual roots that underlie all theology and takes the search for God to new depths of social and sexual exclusion

*Queer Nuns* Melissa M. Wilcox, 2018-05-22 An engaging look into the Sisters of Perpetual Indulgence queer activists devoted to social justice The Sisters of Perpetual Indulgence make up an unlikely order of nuns Self described as twenty first century queer nuns the Sisters began in 1979 when three bored gay men donned retired Roman Catholic nuns habits and went for a stroll through San Francisco's gay Castro district The stunned and delighted responses they received prompted these already seasoned activists to consider whether the habits might have some use in social justice work and within a year they had constituted the new order Today with more than 83 houses on four different continents the Sisters offer health outreach support and at times protest on behalf of queer communities In *Queer Nuns* Melissa M Wilcox offers new insights into the role the Sisters play across queer culture and the religious landscape The Sisters both spoof nuns and argue quite seriously that they are nuns adopting an innovative approach the author refers to as serious parody Like any performance serious parody can either challenge or reinforce existing power dynamics and it often accomplishes both simultaneously The book demonstrates that through the use of this strategy the Sisters are able to offer an effective flexible and noteworthy approach to community based activism Serious parody ultimately has broader applications beyond its use by the Sisters Wilcox argues that serious parody offers potential uses and challenges in the efforts of activist groups to work within communities that are opposed and oppressed by culturally significant traditions and organizations as is the case with queer communities and the Roman Catholic Church This book opens the door to a new world of religion and social activism one which could be adapted to a range of political movements individual inclinations and community settings

**Theology** Angie Pears, 2009-09-18 Christian theology like all forms of knowledge thinking and practice arises from and is influenced by the context in which it is done In *Doing Contextual Theology* Angie Pears demonstrates the radically contextual nature of Christian theology by focusing on five forms of liberation theology Latin American Liberation Theologies Black Theologies Feminist Informed Theologies Sexual Theologies Body Theologies Pears analyses how each of these asserts a clear and persistent link to the Christian tradition through The Bible and Christology and discusses the implications of contextual and local theologies for understanding Christianity as a religion Moreover she considers whether fears are justified that a radically contextual reading of Christian theologies leads to a relativist understanding of the religion or whether these theologies share some form of common identity both despite and because of their contextual nature *Doing Contextual Theology* offers students a clear and up to date survey of the field of contemporary liberation theology and provides them with a sound understanding of how contextual theology works in practice      **Kenyan, Christian, Queer**

David L. Smith, 2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without being of the world *Theologies of the 21st Century* begins with an overview of the historical roots from which current

theological thinking has developed and then moves on to a detailed evaluation of the chief doctrinal and practical emphases taking an evangelical biblical perspective that seeks to be at once both critical and irenic      Christology from the Margins Thomas Bohache, 2008 Provides a comprehensive queer discussion of Christology concluding with the view of Christ's person and work from a queer perspective Suitable for undergraduate study      Rainbow Theology Patrick S. Cheng, 2013-04 To date no book has systematically examined the theological writings of LGBT people of color Nor has any book explored how such writings might actually transform contemporary theological reflections on race and sexuality This book remedies these gaps by constructing a rainbow theology around the theme of bridging or mediation Rainbow Theology is the first book to reflect upon the theological significance of the intersections of race and queer sexuality across multiple ethnic and cultural groups This is particularly important in light of the current polarizing debates over issues of race sexuality and religion within churches and communities of faith around the world
