Quest For Faithfulness:

In Search of Faithfulness William E. Diehl, 2001-09-11 Why is Christian faithfulness virtually invisible in American society today Where are God's faithful people and what do they look like In an effort to answer these questions William E Diehl records the results of his own search for faithfulness I decided to look for faithfulness in those very places where it appeared not to be in the world of business for instance And I decided to use exactly the same approach used by Peters and Waterman in their best seller In Search of Excellence Using real life stories to illustrate both the successes and problems of Christian faithfulness in the world community Diehl concludes that the church must do a better job in nurturing growth in faith

Rediscovering Faithfulness Kenneth W. M. Wozniak, 2024-07-09 What does faithfulness mean for modern Christians who find themselves immersed in a social and moral context two millennia removed from that of Jesus As a notion endorsed by Christians universally irrespective of church tradition geographic location economic and political milieu or spiritual experience faithfulness is essential to mature Christian living Yet many in the modern church have lost or perhaps forgotten the true nature of faithfulness and thus have wandered from that which God envisages for believers Rediscovering what faithfulness entails however is altogether possible Theological ethicist Kenneth W M Wozniak takes the reader on a journey of encounter looking to the earliest Christians and their understanding of fidelity to the way of Jesus as a model for believers today and as the means by which the essence of faithfulness rooted not in adherence to a performance standard but rather in personal cultivation of the divine character the Jesus way not only can be discovered but also embraced and enjoyed by the one who aspires to align with the very being of God **The Assembly's Shorter Catechism Explained** James Fisher, 1764
