

THE QUEST FOR COMMUNITY

ROBERT NISBET

introduction by ROSS DOUTHAT

Quest For Community

**United States. Internal Revenue
Service**

Quest For Community:

The Quest for Community Robert Nisbet,2023-03-28 One of the leading thinkers to emerge in the postwar conservative intellectual revival was the sociologist Robert Nisbet His book *The Quest for Community* published in 1953 stands as one of the most persuasive accounts of the dilemmas confronting modern society Nearly a half century before Robert Putnam documented the atomization of society in *Bowling Alone* Nisbet argued that the rise of the powerful modern state had eroded the sources of community the family the neighborhood the church the guild Alienation and loneliness inevitably resulted But as the traditional ties that bind fell away the human impulse toward community led people to turn even more to the government itself allowing statism even totalitarianism to flourish This edition of Nisbet s magnum opus features a brilliant introduction by New York Times columnist Ross Douthat and three critical essays Published at a time when our communal life has only grown weaker and when many Americans display cultish enthusiasm for a charismatic president this new edition of *The Quest for Community* shows that Nisbet s insights are as relevant today as ever **The Quest for Community**

Robert A. Nisbet,2010 [Community and Power \(formerly *The Quest for Community*\)](#) Robert A Nisbet,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Quest for**

Community Robert A. Nisbet,1953 [The Quest for Community and Identity](#) Robert E. Birt,2002 This collection of essays engages two of the most fundamental social and political issues of our time community and identity Wrestling with the perplexities of these two issues within the Africana world the contributors delve into the influences of a postmodern world of globalization with outdated crumbling forms of identity and sociality In the wake of such an order new forms of identity and community must be established Birt has collected an informed group of contributors here who lay the foundation for a new approach to finding community and identity in the Africana world **Quest for Community** Robert A. Nisbet,1983-01-01

[Encyclopedia of Community](#) DAVID LEVINSON,KAREN CHRISTENSEN,2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent

that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of Habits of the Heart SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the Encyclopedia can also be viewed topically via a Reader s Guide This allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection Key Features 500 signed articles 3 volumes 2000 pages Reader s Guide Master bibliography 250 sidebars Appendices Resource Guides Master Bibliography Libraries Build Community Libraries and Popular Culture Quest for Community ; a Study in the Ethics of Order and Community Robert A. Nisbet,1970 **The Healing Power of Community** Lusijah Marx,Graham Harriman,Robin McCoy Brooks Brooks,2024-07-04 The Healing Power of Community offers a diverse cross section of interdisciplinary and depth psychological perspectives in support of using mutual aid approaches in all levels of group and community practice as a remedy for individualism and social and political divisions centering social justice Written by three distinct voices who collaborated at the height of the AIDS crisis the book begins with an autoethnographic

study of Project Quest an HIV AIDS clinic established in 1989 before looking at how the lessons learnt from this clinic can be applied to our current global mental health climate Filled with clinical and theoretical applications chapters include content on what mutual aid communities are rethinking professionalism and boundaries in a crisis healing collective trauma group psychotherapy psychodrama depth psychology and how mental health professionals can support radical change of key structures in nonprofit clinics public administration private practice and research Arguing for their approach of radicalizing mental health and community based practice today the book examines how this can be achieved by moving beyond individual level approaches creating new frameworks to meet the mental health needs of our era in creative ways This book is designed to engage clinical social workers and mental health care clinicians working in community based mental health as well as those involved in community psychology collective trauma and grief HIV AIDS advocacy policy making and political advocacy

Community and Conflict D. Edyvane,2007-04-25 Rather than undermining it this book argues that moral conflict is necessary for a liberal political community It develops a new philosophical basis for political association based on an innovative account of the way journey narratives in literature shed light on the possibilities for solidarity in modern democratic societies

Community and Power (formerly The Quest for Community). Robert Alexander Nisbet,1967

Community and Power Robert Alexander 1913- Nisbet,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1988 Community and Power ,1964 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,2003 **Community Schools in**

Africa Deborah Glassman,Jordan Naidoo,Fred Wood,2007-04-24 Over the past decade community schools similar to those supported by Save the Children have been established in many developing countries and especially in sub Saharan Africa As large numbers of children attend schools started and managed by their own communities and or by nongovernmental organizations questions have come up about the impact of such schools at large scale Can village based or community schools have a national impact on access to education spur improved long term development strategies and education policy or achieve or influence Education for All This book explores these and related questions drawing on Save the Children s experience with community based schooling in four countries Ethiopia Malawi Mali and Uganda The literature on community

schools in Africa tends to be sparse repetitive and highly descriptive with little or no sustained critique of practice This book fills a substantial gap in the education literature and is particularly timely given the current emphasis on decentralization and community involvement in education

Community Benefits Jovanna Rosen,2023-03-14 In *Community Benefits* Jovanna P Rosen explores a new pattern in urban development local residents and community representatives leveraging large scale development projects for agreements that promise dedicated local benefits such as parks and jobs In general such development projects have not produced impactful benefits for local residents and often have contributed to significant community harm including gentrification and displacement In response community activists have launched a fight to control development using benefits sharing agreements to ensure that projects produced better outcomes for local residents While such agreements now exist across the nation the process of negotiating and enforcing them remains challenging This book dives deep into four case studies in Los Angeles Atlanta Seattle and Milwaukee to answer the following questions Who ultimately benefits from both the agreements and the projects in question How do benefits get delivered and who controls this process What works for these agreements to successfully produce community outcomes Rosen shows that without agreements that promote accountability developers and other project proponents can walk away from the negotiating table once the agreement is signed and the development moves forward This disregard for community benefits and priorities can leave community residents solely responsible for benefits delivery during implementation but with few viable avenues to ensure that outcomes materialize The cases reveal specific elements that agreements require to achieve success during implementation community participation managerial connections effective partnerships responsiveness and vigorous oversight with accountability mechanisms Although creating these conditions is difficult sometimes impossible and contingent on fragile processes Rosen concludes the book with recommendations for both the agreement negotiation and implementation phases to ensure success

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service,1989

The Quest for Community Robert Alexander Nisbet,1971

Building Higher Education-community Development Corporation Partnerships Nancy Nye,Richard Schramm,1999 HUD is working to nurture the unique contributions that faculty students can make to their urban communities This handbook offers examples of successful collaboration in university community partnerships cites lessons learned from these experiences serves as a guide for institutions of higher education interested in forming or expanding partnerships with community development corporations This handbook documents initiatives to build partnerships to more effectively plan carry out projects to improve the neighborhoods they share It is a guide for higher educational institutions considering entering or expanding collaborative relationships
