The Future of Christianity Arthur J. Bellinzoni, 2010-12-08 Professor Bellinzoni has written a thoughtful and challenging book which must be taken seriously by all those who take the continued influence of Christianity for granted A part of this challenge is to acknowledge the discrediting of central elements of the gospel history But the other challenge just as important is to identify those parts of that tradition which might be reformulated for a future in which the role of Christianity in ethics society and culture is greatly diminished R Joseph Hoffmann Chair Committee for

the Scientific Examination of Religion at the Center for Inquiry Professor of Religion Emeritus Wells College Christianity has endured for two thousand years weathering the challenges of clerical corruption religious wars internal schism and scientific criticism Today however there is increasing evidence that institutional Christianity is succumbing to the growing secularism of contemporary society Both church attendance and the number of clergy have noticeably declined Will Christianity survive for another thousand years or even a hundred years In this probing assessment of the state of Christianity biblical scholar Arthur J Bellinzoni boldly asserts that Christianity must break with the past and offer a new vision of the future if it hopes to survive Addressing four issues of central concern Bellinzoni advocates a radical rethinking of the Christian message First he suggests that the God concept must move beyond obsolete notions of a personal God and take its inspiration from such diverse sources as science Taoism Moses Thomas Jefferson and Martin Buber Second Bellinzoni urges a more sophisticated approach to the Bible one that values its timeless elements but is not afraid to discard its many antiquated features Third he recommends a new emphasis on Jesus social ethic arguing that this could lead to a dramatic redistribution of the world s wealth and greater respect for the planet Fourth Bellinzoni criticizes the persistence of obsolete myth in Christianity demonstrating that without its mythical embellishments Christianity still offers a relevant understanding of the meaning of human existence A work of erudition that is also completely accessible to the lay reader *The Future of Christianity* provides a stimulating critique that forward thinking Christians will welcome Arthur J Bellinzoni Aurora NY is professor of religion emeritus at Wells College the author of *The Future of Christianity Can It Survive The Old Testament An Introduction to Biblical Scholarship The Sayings of Jesus in the Writings of Justin Martyr* and the editor of *The Two Source Hypothesis and The Influence of the Gospel of Saint Matthew on Christian Literature Before Saint Irenaeus* *The Soul's Quest for God* Robert Charles Sproul, 1992 Sproul leads readers to a deeper intimacy with their Creator through awareness of the Holy Spirit obedience to God and the feeding of the soul *In Quest of God's Power* Charles Livingstone Allen, 1952

Hidden Treasure Quest: Knowing God Through Jesus Hide and Seek Ministries, 2019-11-12 Join Ben in this second book as he discovers how to know God by exploring the life of Jesus Learn about prayer how faith works what it means to be a light how to find God s path for your life Jesus existence in history and much more Hidden Treasure Quest is an engaging and in depth book series for ages 9 to 14 that focuses on helping kids develop their own personal relationship with the Lord through knowledge of God s Word Knowing God Through Jesus is book two in the Hidden Treasure Quest series Visit the Hide and Seek Ministries website to learn more about the series Book Excerpt Copyright 2019 Introduction A Note From Ben I can still remember the frustrated look on my dad s face after we had been driving for hours in his old red truck My dad didn t see the need for the map that was tucked away in the side of his briefcase He was convinced he knew where he was going But after driving for three hours I heard my dad sigh and he slowed down to a stop I don t remember this fork in the road my dad said with that frustrated look I remember so well He pulled off to the side of the road and stared out the window at what lay

ahead I watched several cars drive by us Most of the cars continued to drive down the bigger of the two roads without even hesitating This road was much wider than the other and was by far the busiest It looked like it could hold hundreds of cars at once It took several minutes before I finally saw a car drive down the second smaller road and I wondered why there weren't many people traveling in that direction After the cars made their choice of road you could only see them for a few more seconds before they disappeared over the top of the hill Should I get the map Dad I asked as I glanced behind his seat at his black briefcase Maybe that smaller road doesn't lead to anything important since not very many are driving that way But my comments didn't seem to help He still had that look on his face and he started tapping his fingers on the steering wheel After a few more minutes he reached for his phone to check the signal again We had not had phone service for the past hour and I don't think that was helping my dad's mood He let out another sigh and started fumbling with his briefcase until he found the right pocket My dad needed a map In fact we all need a map You will make millions of decisions during your lifetime But the most important decision you will ever make is whether you will take the wide or narrow road To follow Jesus down the narrow road you need a map just like Ben's dad did Your map is the Bible A map helps you see which way to go and that's exactly what the Bible does The Bible is God's way of helping you follow Jesus down the narrow road Notice no one forced Ben's dad to take the narrow road on that trip they took And no one will force you to follow Jesus It is your choice Following Jesus and going on the narrow road is not always easy And it is definitely not always popular But as you avoid that busy wide road you will find how great it is to be different And the good news is you do not have to be perfect to do this In this book we will be talking about this narrow road as your path God has a special path planned just for you and He wants to help you follow it

GraceQuest Robert V. Rakestraw, 2015-04-13 In this fascinating spiritual theological autobiography Robert Rakestraw tells of his lifelong unceasing search for God After a troubled and unconventional childhood he came to know the grace and freedom of God in a personal way during his college years He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life Without technical language Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world In striking and sometimes intimate detail he relates compellingly his experiences as a student pastor professor sufferer heart transplant recipient and above all seeker of God Dr Rakestraw's gripping portrayal of his difficulties and sufferings especially with regard to health issues does not come across as depressing Rather it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely offered grace of God extolled by the author
