"Questa è la terra tua" Gian Carlo Garfagnini,2000 The Italian Reformation Outside Italy Giorgio Caravale,2015-09-17

What was the legacy of the so called Italian Reformation What contribution did Italian humanism make to European developments in irenicism and religious tolerance In The Italian Reformation outside Italy Giorgio Caravale uses previously unpublished documents to reconstruct the life and intellectual career of Francesco Pucci 1543 1597 Educated in Renaissance Florence Pucci found his vocation as a prophet in France during the Wars of Religion and embarked on a long period of peregrination stopping off in Paris London Basle Antwerp Krakow and Prague before being imprisoned tried and sentenced to death by the Roman Inquisition three years before Giordano Bruno His doctrines were judged to be heretical by all religious confessions and his political proposal was a spectacular failure Caravale presents a rich chapter of sixteenth century European history whose main features are religious conflict irenic tension universalist aspirations and prophetic expectations The translation of this work has been funded by SEPS SEGRETARIATO EUROPEO PER LE PUBBLICAZIONI SCIENTIFICHE Via Val d Aposa 7 I 40123 Bologna Italy seps seps it www seps it A Guide to Righteous Living and Other Works Girolamo Savonarola,Victoria University (Toronto, Ont.). Centre for Reformation and Renaissance Studies,2003 On 23 May 1498 Girolamo Savonarola one of the most spell binding figures of the Italian Renaissance was publicly burned at the stake on the main piazza of Florence on trumped up charges of heresy and sedition Thus ended the friar s meteoric rise to power and his unprecedented influence over Florentine society Though his ashes were unceremoniously dumped into the River Arno the moment the cinders had died away the fire of his teachings could not be extinguished nor could Florentines forget the rivetting preacher from Ferrara who in four short years had turned their city upside down Neither could Italians nor more generally European reformers for they soon turned Savonarola into a prophet of renewal and into a symbol of the struggle against corruption Whether he was one or the other or neither is still very much under debate This collection of texts from Savonarola s extensive body of works seeks to provide the English reader with a variety of entry points into this controversial figure With samples from his letters to his poems from his sermons to his pastoral works it more than doubles the number of Savonarola s works currently available in English In so doing it makes his teachings that much more
