Question Of Equality Lesbian And Gay Politics In America Since Stonewall

George Haggerty, Bonnie Zimmerman

Question Of Equality Lesbian And Gay Politics In America Since Stonewall:

The Question of Equality David Deitcher,1995 The Question of Equality accompanies the public television documentary series of the same name the first ever to deal with this subject and scheduled to air in October 1995 But this book has been conceived from the start to exceed the scope of the series with archival and contemporary photos works of art and poetry comic strips and original chapter length essays by four noted authors *The Politics of Gay Rights* Craig A.

Rimmerman,Kenneth D. Wald,Clyde Wilcox,2000-07 The contributors to this volume thoroughly investigate the politics of the gay and lesbian movement beginning with its political organizations and tactics The essays also address the strategies and ideology of conservative opposition groups **Political Institutions and Lesbian and Gay Rights in the United States and Canada** Miriam Smith,2008-08-18 This book examines why the US and Canada have produced such divergent policy

outcomes in affording rights to their gay and lesbian citizens Smith s contribution will prove vital as movements for lesbian and gay rights continue to recast the social landscape in North America and beyond *Historical Dictionary of the Lesbian and Gay Liberation Movements* JoAnne Myers,2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality **Q & A Queer And Asian** David L. Eng,Alice Y. Hom,1998-08-24 What does it mean to be queer and Asian American at the turn of

the century The writers activists essayists and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways Their collective aim in the words of the editors is to articulate a new conception of Asian American racial identity its heterogeneity hybridity and multiplicity concepts that after all underpinned the Asian American moniker from its very inception Q A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and gender Drawing together the work of visual artists fiction writers community organizers scholars and participants in roundtable discussions the collection gathers an array of voices and experiences that represent the emerging

communities of a queer Asian America Collectively these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer studies needs to be more attentive to other aspects of difference especially race and ethnicity Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian gay and queer movements the editors refuse to believe that a desirably queer world is one in which we remain perpetual aliens queer houseguests in a queer nation

The A to Z of the Lesbian Liberation Movement JoAnne Myers, 2009-08-20 The Lesbian Liberation Movement is both a movement that encompasses liberating a sexual practice from stigmatization and a political movement challenging the dual oppression of women by the patriarchy's assumption of male supremacy and heterosexuality Over the years much has been written on homosexuality and the Gay Liberation Movement yet much of the focus has been on male homosexuals especially male homosexual activity and the politics that activity raises The A to Z of the Lesbian Liberation Movement Still the Rage is a comprehensive overview and resource guide for one of the most invisible social political movements the Lesbian Liberation Movement This book helps to make the still active movement visible the history successes setbacks controversies and issues This book is a good resource for those studying this social political movement containing a chronology contextual overview dictionary entries that cover persons laws terminology issues and countries and an extensive bibliography of primary resources and current work

Queer Fictions of the Past Scott Bravmann, 1997-10-09 In *Queer Fictions of the Past* Scott Bravmann explores the complexity of lesbian and gay engagement with history and considers how historical discourses animate the present Characterising historical representations as dynamic conversations between then and now he demonstrates their powerful role in constructing present identities differences politics and communities In particular his is the first book to explore the ways in which lesbians and gay men have used history to define themselves as social cultural and political subjects

Queer Theory Now Hannah McCann, Whitney Monaghan, 2019-11-06 This short textbook provides an introduction to queer theory exploring its key genealogies and terms as well as its application across various academic disciplines and to contemporary life more generally The authors engage with a wide range of developments in queer theory thinking including discussions of identity politics transgender theory intersectionality post colonial theory Indigenous studies disability studies affect theory and more In offering an updated reflection on the present tensions that queer theory must negotiate as well as its unfolding future *Queer Theory Now* is an ideal resource for anyone starting out on their queer theory journey for students who want to get a grasp of the basic concepts for teachers looking for a textbook for their queer theory course or for scholars who want a quick go to resource for key queer theory ideas and terms

Now that You're Out of the Closet Linda Handel, 2000 A witty helpful book that offers solid advice for gay men and women on a full range of life concerns including lingering childhood issues dating sex and love spirituality dealing with intolerance and addressing addictions in a way that is always direct open and honest

lambdarising.com **The Ellis Island Snow Globe** Erica Rand, 2005-09-07 A study of the Ellis Island museum its

gift shop and the Statue of Liberty form the basis of reflections on sex nation and immigration *Beyond the Closet* Steven Seidman,2013-10-18 Gay life has become increasingly open in the last decade In *Beyond the Closet* Steven Seidman a well known author and leading scholar in sexuality is the first to chronicle this lifestyle change and to look at the lives of contemporary gays and lesbians to see how their out status has changed This compelling well written and smart account is an important step forward for the gay and lesbian community

Political Geography Sara Smith,2020-04-27 Brings political geography to life explores key concepts critical debates and contemporary research in the field Political geography is the study of how power struggles both shape and are shaped by the places in which they occur the spatial nature of political power *Political Geography A Critical Introduction* helps students understand how power is related to space place and territory illustrating how everyday life and the world of global conflict and nation states are inextricably intertwined This timely engaging textbook weaves critical postcolonial and feminist narratives throughout its exploration of key concepts in the discipline Accessible to students new to the field this text offers critical approaches to political geography including questions of gender sexuality race and difference and explains central political concepts such as citizenship security and territory in a geographic context Case studies incorporate methodologies that illustrate how political geographers perform research enabling students to develop a well rounded critical approach rather than merely focusing on results Chapters cover topics including the role of nationalism in shaping allegiances the spatial aspects of social movements and urban politics the relationship between international relations and security the effects of non human actors in politics and more Global in scope this book Highlights a diverse range of globally oriented issues such as global inequality that demonstrate the need for critical political geography Demonstrates how critiques of political geography intersect with decolonial feminist and queer movements Covers the Eurocentric origins of many of the discipline s key concepts Integrates advances in political geography theory and firsthand accounts of innovative research from rising scholars in the field Explores both intimate stories from everyday life and abstract concepts central to contemporary political geography *Political Geography A Critical Introduction* is an ideal resource for students in political and feminist geography as well as graduate students and researchers seeking an overview of the discipline

Reader's Guide to Lesbian and Gay Studies Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place

in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

LGBTQ America Today John Charles Hawley,2008-11-30

Lesbian gay bisexual transgender and queer culture is a vibrant and rapidly evolving segment of the American mosaic This book gives students and general readers a current guide to the people and issues at the forefront of contemporary LGBTQ America Included are more than 600 alphabetically arranged entries on literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual issues and numerous other topics Entries are written by distinguished authorities and cite works for further reading and the encyclopedia closes with a selected general bibliography Students in social studies history and literature classes will welcome this book s illumination of American cultural diversity LGBTQ Americans have endured many struggles and during the last decade in particular they have made tremendous contributions to our multicultural society Drawing on the expertise of numerous expert contributors this book gives students and general readers a current overview of contemporary LGBTQ American culture Sweeping in scope the encyclopedia looks at literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual practices and various other areas Entries cite works for further reading and the encyclopedia closes with a selected general bibliography While extensive biographical entries give readers a sense of the lives of prominent lesbian gay bisexual transgender and queer Americans the many topical entries provide full coverage of the challenges and contributions for which these people are known The encyclopedia supports the social studies curriculum by helping students learn about cultural diversity and it supports the literature curriculum by helping students learn about LGBTQ writers and their works

Emotions Monica Greco,Paul Stenner,2013-10-31 Are emotions becoming more conspicuous in contemporary life Are the social sciences undergoing an an affective turn This Reader gathers influential and contemporary work in the study of emotion and affective life from across the range of the social sciences Drawing on both theoretical and empirical research the collection offers a sense of the diversity of perspectives that have emerged over the last thirty years from a variety of intellectual traditions Its wide span and trans disciplinary character is designed to capture the increasing significance of the study of affect and emotion for the social sciences and to give a sense of how this is played out in the context of specific areas of interest The volume is divided into four main parts universals and particulars of affect embodying affect political economies of affect affect power and justice Each main part comprises three sections dedicated to substantive themes including emotions history and civilization emotions and culture emotions selfhood and identity emotions and the media emotions and politics emotions space and place with a final section dedicated to themes of compassion hate and terror

Each of the twelve sections begins with an editorial introduction that contextualizes the readings and highlights points of comparison across the volume. Cross national in content the collection provides an introduction to the key debates, concepts and modes of approach that have been developed by social scientists for the study of emotion and affective life. *The Gay Liberation Youth Movement in New York* Stephan Cohen, 2007-11-21. Between 1966 and 1975 North American youth activists established over 35 school and community based gay liberation youth groups whose members sought control over their own bodies, education and sexual and social relations. This book focuses on three groundbreaking New York City groups: Gay Youth GY, Street Transvestite Action Revolutionaries S T A R and the Gay International Youth Society of George Washington High School GWHS. From the advent of gay liberation in NYC in 1969 to just after its dissolution and the rise of identity politics by 1975, Cohen examines how gay liberation with its rejection of stultifying sex roles, attack on institutional oppression, connection between personal and political liberation, celebration of innate androgyny and resolute anti war and anti capitalist stance shaped understandings of sexual identity, membership criteria, organization, decision making, the roles of youth and adults and efforts to effect social change. *Good and Mad* Rebecca Traister, 2023-09-12. In the year 2018 it seems as if women's anger has suddenly erupted into the public conversation. But long before Pantsuit Nation, before the Women's March and before the MeToo movement, women's anger was not only politically catalytic but politically problematic. The story of female fury and its cultural significance demonstrates the long history of bitter resentment that has enshrouded women's slow rise to political power in America as well as the ways that anger is received when it comes from women as opposed to when it comes from men. **Gender, Ethnicity, and Sexuality in Contemporary American Film** Jude Davies, Carol R. Smith, 2013-09-13. Hollywood has devoted big budgets and established stars to films about controversial issues in the last ten years. Identities considered marginal have come into prominence on the big screen. The authors of this title look at the issues raised by these developments, bring together debates in identity politics with film studies and launch an innovative theorization of the cinematic representation of identity. Movies from *Forrest Gump* to *Philadelphia*, from *Malcolm X* to *Falling Down* have been specifically concerned with multiculturalism and identity politics. This book is concerned with the meanings put into circulation by these mainstream films and audiences' reactions to them. It provides an accessible introduction to issues such as arguments over positive and negative images and the relationship between cultural representation and political power in American life. *Encyclopedia of Lesbian Histories and Cultures* Bonnie Zimmerman, 2013-08-21. A rich heritage that needs to be documented. Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology, this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours. It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach. While gays and lesbians have shared many aspects of life, their histories and cultures developed in profoundly

different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Question Of Equality Lesbian And Gay Politics In America Since Stonewall Introduction

In the digital age, access to information has become easier than ever before. The ability to download Question Of Equality Lesbian And Gay Politics In America Since Stonewall has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Question Of Equality Lesbian And Gay Politics In America Since Stonewall has opened up a world of possibilities. Downloading Question Of Equality Lesbian And Gay Politics In America Since Stonewall provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Question Of Equality Lesbian And Gay Politics In America Since Stonewall has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Question Of Equality Lesbian And Gay Politics In America Since Stonewall. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Question Of Equality Lesbian And Gay Politics In America Since Stonewall. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Question Of Equality Lesbian And Gay Politics In America Since Stonewall, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Question Of Equality Lesbian And Gay Politics In America Since Stonewall has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Question Of Equality Lesbian And Gay Politics In America Since Stonewall Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
