#### **Ouestion Of Silence The Sexual Economics:**

A Question of Silence Janaki Nair, Mary E. John, 2000-10 The essays in this volume develop an understanding of the institutions practices and forms of representation of Indian sexual relations and their boundaries of legitimacy and Feminism in the Asia Pacific Chilla Bulbeck, 2008-10-27 Sex love and feminism are three aspects of the rapidly changing gender relations that shape young people's lives in the Asia Pacific region Much has been written about rapidly changing countries in Asia most recently China and India With the global spread of capitalist production and neo liberal ideologies the claim that the rest of the world's women are treading the path to enlightenment and development forged by women in the West has been revived This book explores that contention through a comparative analysis of the attitudes of young middle class urbanites in ten countries the USA Australia Canada Japan Thailand South Korea India Indonesia China and Vietnam Drawing on detailed empirical research the study describes and compares attitudes towards the women s movement sexual relations and family arrangements in the countries considered It explores young peoples image of feminists and what they feel the women s movement has achieved for women and men in their country. The book discusses young people's attitudes to controversial gender issues such as role reversal sharing housework abortion rights same sex sexual relations nudity and pornography Through a comparative analysis of the gender vocabularies by which young people understand gender issues the book highlights the role of differences in history culture economics and political leadership These influence attitudes to gender relations the status of women and the political programs of the women's movement in different countries Whilst there are striking parallels between countries and even across the whole sample those similarities do not fall neatly into a simple dichotomy of the west versus the rest Masculinity, War and Violence Ann-Dorte Christensen, Palle Rasmussen, 2018-04-19 Addressing the relationship between masculinity war and violence this book covers these themes broadly and across different disciplines. These analyses are located at different levels public policies at the macro level resistance and independence movements at the meso level and masculine subjectivities processes of mobilization and radicalization at the micro level The ten contributions encompass four recurring themes violent masculinities and how contemporary societies and regimes cope with traditional violent rituals and extreme violence against women popular written and visual fiction about war and masculine rationalities gender relations in social movements of rebellion and national transformation and masculinity in civil society under conditions of war and post war Taking into account different geographical contexts the book emphasizes the relationship between the local and the global as well as the importance of understanding gender and masculinity in their intersectional interrelations with religion race ethnicity class and locality This book was originally published as a special issue of NORMA International Journal for Masculinity Studies Bevond Bollywood Jigna Desai, 2004-08-02 Beyond Bollywood is the first comprehensive look at the emergence development and significance of contemporary South Asian diasporic cinema From a feminist and queer perspective Jigna Desai explores the

hybrid cinema of the Brown Atlantic through a close look at films in English from and about South Asian diasporas in the United States Canada and Britain including such popular films as My Beautiful Laundrette Fire MonsoonWedding and Bend it The Vulgarity of Caste Shailaja Paik, 2022-10-25 This book offers the first social and intellectual history of Like Beckham Dalit performance of Tamasha a popular form of public secular traveling theater in Maharashtra and places Dalit Tamasha women who represented the desire and disgust of the patriarchal society at the heart of modernization in twentieth century India Drawing on ethnographies films and untapped archival materials Shailaja Paik illuminates how Tamasha was produced and shaped through conflicts over caste gender sexuality and culture Dalit performers activists and leaders negotiated the violence and stigma in Tamasha as they struggled to claim manuski human dignity and transform themselves from ashlil vulgar to assli authentic and manus human beings Building on and departing from the Ambedkar centered historiography and movement focused approach of Dalit studies Paik examines the ordinary and everydayness in Dalit lives Ultimately she demonstrates how the choices that communities make about culture speak to much larger questions about inclusion inequality and structures of violence of caste within Indian society and opens up new approaches for the transformative potential of Dalit politics and the global history of gender sexuality and the human The Performance of Nationalism Jisha Menon, 2013 Jisha Menon's book explores the mimetic relationships between history and political performance and The Limits of Sexuality Education Ketaki Chowkhani, 2023-12-19 This book explores between India and Pakistan different strands of thinking about sexuality education in contemporary urban India It interrogates the limits of sexuality education as we know it today by rethinking adolescent masculinities in middle class urban India This book contributes to the wide gap in theorising sexuality education and adolescent masculinities in urban India It presents an adolescent perspective on sexuality education looks at adolescent love from the school teachers perspective and tries to understand a teacher s negotiations with student romance It unravels the sexual and romantic lives of adolescents and examines the circulation of sexual knowledge and sources of information on sex that adolescent boys in India have access to This book uncovers the limits of sexuality education by examining State feminist Christian and sexological materials on sexuality education in Mumbai and Delhi Based on detailed research and narratives from teachers young men and women the book explores adolescent male romance and its affective registers adolescent male sexual knowledge and the regulation of romance in school spaces This book will be of interest to students and researchers of education sexuality and gender studies masculinity studies sex education as well as those interested in education policy education politics educational research and inclusion and special education Located at the intersection of sexuality studies education masculinity studies and cultural studies it will also appeal to those working in sexuality education in urban India within the complex web of the middle classes consumerism post feminism romance adolescent masculinities and cinema Contraception, Colonialism and Commerce Sarah Hodges, 2017-03-02 Birth control holds an unusual place in the history of medicine Largely devoid of doctors or hospitals only

relatively recently have birth control histories included tales of laboratory based therapeutic innovation Instead these histories elucidate the peculiar slippages between individual bodies and a body politic occasioned by the promotion of techniques to manipulate human reproduction The history of birth control in India brings these as well as additional complications to the field Contrary to popular belief India has one of the most long lasting institutionalized far reaching state sponsored family planning programs in the world During the inter war period the country witnessed the formation of groups dedicated to promoting the cause of birth control This book outlines the early history of birth control in India particularly the Tamil south In so doing it illuminates India's role in a global network of birth control advocacy. The book also argues how Indians contraceptive advocacy and associationalism became an increasingly significant realm of action in which they staked claims not just about the utility of contraception but simultaneously over their ability and right to self rule Sexuality, Gender and Rights Geetanjali Misra, Radhika Chandiramani, 2005-11-23 This volume analyzes and documents the groundbreaking work done by many organizations to bring issues of sexuality and rights to public attention to expand the freedoms of women and sexual minorities and to highlight the unfair distinctions faced by those not conforming to gender and sexual norms across a range of expressions behaviours and identities in Asia This volume covers eight countries in South and Southeast Asia The contributors address issues of power and social hierarchies by using the principles of justice equality non discrimination and access to rights and services They cover diverse issues like sexual rights sexuality education sexual health services transsexuals and other sexual minorities HIV AIDS prevention as well as sex work and the representation of sexuality in popular culture The contributors argue that neither gender nor sexuality can be addressed in isolation from human rights and demonstrate how linking sexuality and gender with human rights has an impact on people s lives across intersecting issues and contexts Moving beyond theoretical discussions of sexuality gender and rights this volume looks at what these ideas mean in practice and offers examples of the diversity of effective approaches that can be adopted in varied settings Moreover it illustrates how sexuality ties in with wider issues health personal relationships economic well being equitable access to public services and the freedom to think speak and associate without fear of discrimination Indian Sex Life Durba Mitra, 2020-01-07 During the colonial period Indian intellectuals philologists lawyers scientists and literary figures all sought to hold a mirror to their country Whether they wrote novels polemics or scientific treatises all sought a better understanding of society in general and their society in particular Curiously female sexuality and sexual behavior play an outside role in their writing The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti Muslim polemic and studies of ancient India In this book Durba Mitra argues that between the 1840s and the 1940s the new science of sexuality became foundational to the scientific study of Indian social progress The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far reaching projects that sought to define what society should look like and how modern citizens should behave An exploration of this history of social

scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women s free will and desire Thus they managed to dramatically reorganize their society around upper caste Hindu ideals of strict monogamy Mapping Histories Ravinder Kumar, Neera Chandhoke, 2002 Edited by Professor Neera Chandhoke Mapping Histories is a fitting tribute to renowned historian Rayinder Kumar well known for his pioneering work on the social consequences of colonial rule in India and for founding the Centre for Contemporary Studies at the Nehru Memorial Museum and Library Here Fellows of the centre present a collection of historical and contemporary studies on India which deal with diverse themes from religion to the environment cultural studies to feminism Together these lively and challenging essays offer readings on how we understand India's history and conversely how we can use this comprehension of the past to interpret India's complex present **Sexuality, Obscenity** and Community C. Gupta, 2002-05-30 Through analysis of an impressive array of low and high Hindu literatures particularly pamphlets tracts newspapers and archival data Gupta explores the emerging discourse of gender and sexuality which was essential to the development of notions of Hindu communitality and nationalism in the colonial period The book offers an exceptionally nuanced account of Hindi gender politics Dalit Women Clarinda Still, 2017-07-06 One of the only ethnographic studies of Dalit women this book gives a rich account of individual Dalit women s lives and documents a rise in patriarchy in the community The author argues that as Dalits economic and political position improves honour becomes crucial to social status One of the ways Dalits accrue honour is by altering patterns of women s work education and marriage and by adopting dominant caste gender practices Simultaneously Dalits are asserting a distinct politicised Dalit identity Key to both is the respectability of women Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Translating Desire** Anjana Sharma, 2002 It is a stealthy silence that is challenged in an inspiring volume on sexuality in contemporary Indian culture This anthology is a timely intervention that not only attempts to locate sex as a tangible truth in an Indian context but also inspires a hundred questions regarding hidden The Pedagogic and the Performative in Indian Theatre Indu Jain, 2025-05-24 This book foregrounds the contours realm of Contemporary Indian Feminist Theatre in order to explore the inter relationships between feminist theatrical theory practice and its historical antecedents The study focuses on the performance processes training methods and pedagogical vocabulary used by four Indian women directors Anamika Haksar Anuradha Kapur Kirti Jain and Tripurari Sharma The book interprets the feminist emphasis on process as extended into actor training and rehearsal dynamics investigating its innovations as well as limitations while examining how successful these director pedagogues were in bringing gendered and radical feminist sensibilities to their work in classroom spaces First International Conference of the South Asian Society of Criminology and Victimology (SASCV), 15-17 January 2011, Jaipur, Rajasthan, India K. Jaishankar and

Natti Ronel, 2011 Intimacy and injury Nicky Falkof, Srila Roy, Shilpa Phadke, 2022-05-10 Both India and South Africa have shared the infamy of being labelled the world's rape capitals with high levels of everyday gender based and sexual violence At the same time both boast long histories of resisting such violence and its location in wider cultures of patriarchy settler colonialism and class and caste privilege Through the lens of the MeToo moment the book tracks histories of feminist organising in both countries while also revealing how newer strategies extended or limited these struggles Intimacy and injury is a timely mapping of a shifting political field around gender based violence in the global south In proposing comparative interdisciplinary ethnographically rich and analytically astute reflections on MeToo it provides new and potentially transformative directions to scholarly debates this book builds transnational feminist knowledge and solidarity in and across the global south Routledge Handbook of the South Asian Diaspora Joya Chatterji, David Washbrook, 2014-01-03 South Asia's diaspora is among the world's largest and most widespread and it is growing exponentially It is estimated that over 25 million persons of Indian descent live abroad and many more millions have roots in other countries of the subcontinent in Pakistan Bangladesh and Sri Lanka There are 3 million South Asians in the UK and approximately the same number resides in North America South Asians are an extremely significant presence in Southeast Asia and Africa and increasingly visible in the Middle East This inter disciplinary handbook on the South Asian diaspora brings together contributions by leading scholars and rising stars on different aspects of its history anthropology and geography as well as its contemporary political and socio cultural implications. The Handbook is split into five main sections with chapters looking at mobile South Asians in the early modern world before moving on to discuss diaspora in relation to empire nation nation state and the neighbourhood and globalisation and culture Contributors highlight how South Asian diaspora has influenced politics business labour marriage family and culture This much needed and pioneering venture provides an invaluable reference work for students scholars and policy makers interested in South Asian Studies

Experimental Times Dr. Hemangini Gupta,2024-12-03 Experimental Times is an in depth ethnography of the transformation of Bengaluru Bangalore from a site of backend IT work to an aspirational global city of enterprise and innovation The book journeys alongside the migrant workers technologists and entrepreneurs who shape and survive the dreams of a Startup India knitted through office work at networking meetings and urban festivals and across sites of leisure in the city Tracking techno futures that involve automation and impending precarity Hemangini Gupta details the everyday forms of experimentation care and friendship that sustain and reproduce life and labor in India s current economy
