Question Of Women In Chinese Feminism:

The Question of Women in Chinese Feminism Tani Barlow, 2004-03-25 Barlow documents the history of woman as a category in twentieth century Chinese history tracing the question of gender through various phases in the literary career of Ding Ling a major modern Chinese writer The Question of Women in Chinese Feminism Tani Barlow, 2004 Barlow documents the history of woman as a category in twentieth century Chinese history tracing the question of gender through various phases in the literary career of Ding Ling a major modern Chinese writer *Imagining Sisterhood in Modern* Chinese Texts, 1890-1937 Yun Zhu, 2017-03-16 This book investigates sisterhood as a converging thread that wove female subjectivities and intersubjectivities into a larger narrative of Chinese modernity embedded in a newly conceived global context It focuses on the period between the late Qing reform era around the turn of the twentieth century and the outbreak of the Second Sino Japanese War in 1937 which saw the emergence of new ways of depicting Chinese womanhood in various kinds of media In a critical hermeneutic approach Zhu combines an examination of an outside perspective how narratives and images about sisterhood were mobilized to shape new identities and imaginations with that of an inside perspective how subjects saw themselves as embedded in or affected by the discourse and how they negotiated such experiences within texts or through writing With its working definition of sisterhood covering biological as well as all kinds of symbolic and metaphysical connotations this book exams the literary and cultural representations of this elastic notion with attention to on the one hand a supposedly collective identity shared by all modern Chinese female subjects and on the other hand the contesting modes of womanhood that were introduced through the juxtaposition of divergent sisters Through an interdisciplinary approach that brings together historical materials literary and cultural analysis and theoretical questions Zhu conducts a careful examination of how new identities subjectivities and sentiments were negotiated and mediated through the hermeneutic circuits around sisterhood Feminisms with Chinese Characteristics Ping Zhu, Hui Faye Xiao, 2021-12-28 The year 1995 when the Fourth World Conference on Women was held in Beijing marks a historical milestone in the development of the Chinese feminist movement In the decades that followed three distinct trends emerged first there was a rise in feminist NGOs in mainland China and a surfacing of LGBTQ movements second social and economic developments nurtured new female agency creating a vibrant women oriented cultural milieu in China third in response to ethnocentric Western feminism some Chinese feminist scholars and activists recuperated the legacies of socialist China s state feminism and gender policies in a new millennium These trends have brought Chinese women unprecedented choices resources opportunities pitfalls challenges and even crises In this timely volume Zhu and Xiao offer an examination of the ways in which Chinese feminist ideas have developed since the mid 1990s By juxtaposing the plural feminisms with Chinese characteristics they both underline the importance of integrating Chinese culture history and tradition in the discussions of Chinese feminisms and stress the difference between the plethora of contemporary Chinese feminisms and the singular state

feminism The twelve chapters in this interdisciplinary collection address the theme of feminisms with Chinese characteristics from different perspectives rendered from lived experiences historical reflections theoretical ruminations and cultural and sociopolitical critiques painting a panoramic picture of Chinese feminisms in the age of globalization and Socialist Feminist Theory Shaopeng Song, 2022-08-16 This book assembles translations of the work of leading critical socialist feminist Song Shaopeng presenting a concise narrative which theorizes China's political and social development through a gendered lens Providing insightful editor introductions the book explores poignant themes from the late imperial to the contemporary eras to examine the evolution of Chinese socialist feminism This includes analysis of the relationship between the party state and the women's movement the gains and losses of collectivism for women's liberation and the inadequacy of contemporary gender studies in China at addressing the ongoing influence of political economy on the lives of women in China Offering a succinct exploration of the historical and theoretical context of Song Shaopeng's writings this book will be a valuable resource for students and scholars of Chinese history and politics as well as those of Chinese feminism and intellectual history Routledge Handbook of Modern Chinese Literature Ming Dong Gu, 2018-09-03 The Routledge Handbook of Modern Chinese Literature presents a comprehensive overview of Chinese literature from the 1910s to the present day Featuring detailed studies of selected masterpieces it adopts a thematic comparative approach By developing an innovative conceptual framework predicated on a new theory of periodization it thus situates Chinese literature in the context of world literature and the forces of globalization Each section consists of a series of contributions examining the major literary genres including fiction poetry essay drama and film Offering an exciting account of the century long process of literary modernization in China the handbook s themes include Modernization of people and writing Realism rmanticism and mdernist asthetics Chinese literature on the stage and screen Patriotism war and revolution Feminism liberalism and socialism Literature of reform reflection and experimentation Literature of Taiwan Hong Kong and new media This handbook provides an integration of biographical narrative with textual analysis maintaining a subtle balance between comprehensive overview and in depth examination As such it is an essential reference guide for all students and scholars of Routledge Handbook of Chinese Gender & Sexuality Jamie J. Zhao, Hongwei Bao, 2024-04-09 This Chinese literature Handbook offers a rich survey of topics concerning historical modern and contemporary Chinese genders and sexualities Exploring gender and sexuality as key dimensions of China's modernisation and globalisation this Handbook effectively situates Chinese gender and sexuality in transnational and transcultural contexts It also spotlights nonnormative practices and emancipatory potentials within mainstream heterosexual dominated and patriarchally structured settings It serves as a definitive study research and resource guide for emerging gender and sexuality issues in the Chinese speaking world This Handbook covers interdisciplinary methodologies perspectives and topics including History Literature Art Fashion Migration Translation Sex and desire Film and television Digital media Star and fan cultures Fantasies and lives of women and LGBTQ

groups Social movements Transnational feminist and queer politics Paying acute attention to nonnormative genders and sexualities and emphasising the intersectionality of gender sexuality nationality ethnicity and class this Handbook offers an essential field defining text to Chinese gender and sexuality studies Female Celebrities in Contemporary Chinese Society Shenshen Cai, 2019-02-15 This book focuses on a representative group of contemporary Chinese female celebrities including actors directors writers and reporters notably personalities such as Liu Xiaoqing Hong Huang Chai Jing and the most sought after young generation actors Yang Mi and Guan Xiaotong It analyses the on and off screen roles of these famous Chinese women and the cultural gender and social impact and significance embedded in them whilst highlighting controversial social and cultural concerns and debates in contemporary China The book furthers the understanding of the role played by contemporary female celebrities who are considered as social cultural and feminist icons in present day China as reflected in their work careers and private lives and whose experiences help to understand Chinese women s attitudes towards key issues such as career trajectories marriage and family gender identity social changes civil debates and political transformations all of which are at the center of societal transformation in China Conjugal Relationships in Chinese Culture Chi Sum Garfield Lau, Kelly Kar Yue Chan, 2023-04-16 This book reviews the presentation of conjugal relationships in Chinese culture and their perception in the West It explores the ways in which the act of marriage is represented misrepresented in different literary genres as well as in cultural adaptations It looks at the gendered characteristics at play that affect conjugal relationships in Chinese societal practices more widely It also distinguishes between the essential features that give rise to nuptial arrangements from the Chinese perspective looking at what in which Sino and or Western mentalities differ in terms of notions of autonomy in marriage It excavates the extent to which marriage is constituted in forms of transaction between female and male bodies and asks under what circumstances wedding ceremonies constitute archetypal or counter archetypal notions in pre modern and modern society Authors cover a range of fascinating cultural topics such as posthumous marriage necrogamy as an ancient and popular folk culture from the perspective of Confucian ideology as well as looking at marriage from ancient to present times duty and rights in conjugal relations inter racial and inter cultural marriage widowhood in Confucian ideology issues of legitimacy in marriage and concubinage the taboos surrounding divorce and re marriage and conjugal violence The book serves to revisit the cultural connections between marriage and various art forms including literature film theatre and other adaptations It is a rich intellectual resource for scholars and students researching the historical roots cultural interpretations and evolving aspects of marriage as shown in literature art and culture Gender and Subjectivities in Early Twentieth-Century Chinese Literature and Culture P. Zhu, 2015-06-10 Through both cultural and literary analysis this book examines gender in relation to late Qing and modern Chinese intellectuals including Mu Shiying Bai Wei and Lu Xun Tackling important previously neglected questions Zhu ultimately shows the resilience and malleability of Chinese modernity through its progressive views on femininity Transcultural Feminist Philosophy

Yuanfang Dai, 2019-12-30 The guestion of difference how to accommodate the complexity and diversity of women s experiences remains a central point of reference in debates among feminist thinkers In Transcultural Feminist Philosophy Rethinking Difference and Solidarity Through Chinese American Encounters Yuanfang Dai addresses influential approaches to the feminist difference critique Acknowledging that gender oppression assumes different forms in different social and cultural locations Dai denies that this rules out generalizing about women s experiences She proposes a category of women that captures and respects differences and dynamics among women and that can inform possibilities for women in the future Through a critical examination of multicultural and postcolonial feminisms she argues that we need both to rethink the concept of culture and to rework multiculturalism as an analytical and political idea Developing a notion of transculturalism she draws on Chinese feminist scholarship as she explores how a transcultural approach can address tensions between cultural differences and feminist solidarity Transcultural thought and action offers a new way to explore the conditions of women s collective struggles Chinese Women Writers and the Feminist Imagination, 1905-1948 Haiping Yan, 2006-11-22 This book works equally well in the following multiple fields Gender Studies Literary Cultural Studies Performance Studies Asian and Pacific Studies Chinese Studies Critical Theory and Literary Historiography Young Women's Christian Association, 1927–1937 Aihua Zhang, 2021-11-16 By exploring the interplay among gender religion and modernity this book exposes the part Chinese Christian women played in China's quest for a strong nation in general and in Republican Beijing's modern transformation in particular Focusing on the Beijing Young Women's Christian Association YWCA the author examines how the Association guided by the Christian tenet to serve not to be served tailored its Western models and devised new programs to meet the city's demands Its enterprises ranged from providing women and child oriented facilities to promoting constructive recreational activities and from reforming home and family to improving public health Through an analysis of these endeavors the author argues that the Chinese YW women's contribution to the city's modernity was a creative embodiment of the then socially targeted missionary movement known as the Social Gospel In the process they demonstrated their distinctive new ideals of womanhood featuring practicality social service and broad cooperation These qualities set them apart from both traditional women and other brands of the New Woman While criticized as trivial their efforts however pioneered modern social service in China and complemented what municipal authorities and other progressive groups undertook to modernize the city Gender Dynamics, Feminist Activism and Social Transformation in China Guoguang Wu, Yuan Feng, Helen Lansdowne, 2018-11-02 This book explores the extent to which women have been initiators mobilizers and driving forces of social transformation in China The book considers how conceptions of women s roles have changed as China has moved from state socialism to engagement with capitalist globalization examines the growth of women s gender and sexual consciousness and social movements for women s rights including for marginalized social and sex gender groups and discusses women s roles in society state interactions including

many forms of social activism cultural events educational innovations and more Overall the book demonstrates that women have not simply been passive receivers of the consequences of the forces of global capitalism but that they have had a profound active impact on social transformation in China Ten Lessons in Modern Chinese History Zheng Yangwen, 2018-04-25 This book is a timely and solid portrait of modern China from the First Opium War to the Xi Jinping era Unlike the handful of existing textbooks that only provide narratives this textbook fashions a new and practical way to study modern China Written exclusively for university students A level or high school teachers and students it uses primary sources to tell the story of China and introduces them to existing scholarship and academic debate so they can conduct independent research for their essays and dissertations This book will be required reading for students who embark on the study of Chinese history politics economics diaspora sociology literature cultural urban and women s studies It would be essential reading to journalists NGO workers diplomats government officials businessmen and travellers Modern Chinese Religion II: 1850 - 2015 (2 vols.), 2015-10-20 The last of four two volume sets on the key periods of paradigm shift in Chinese religious and cultural history this book examines the transformation of values in China since 1850 in the secular realms of economics science medicine aesthetics media and gender and in each of the major religions Confucianism Buddhism Daoism Christianity as well as in Marxist discourse The nation and science are the values invoked most frequently with the market and democracy a distant second As in previous periods of fundamental change in Chinese history rationalization and secularization have played central roles but interiorization nearly disappears as a driving force Also in continuity with the past the state insists on an exclusive right to define and adjudicate orthodoxy Contributors include Daniel H Bays S bastien Billioud Adam Yuet Chau Na Chen Philip Clart Walter B Davis Arif Dirlik Thomas David DuBois Lizhu Fan David Faure Melissa Wei Tsing Inouye Ji Zhe Xiaofei Kang Eric I Karchmer Andr Lalibert Angela Ki Che Leung Xun Liu Richard Madsen David Ownby Ellen Oxfeld Volker Scheid Grace Yen Shen Michael Szonyi Wang Chien ch uan Xue Yu Women Through the Lens Shugin Cui, 2003-02-28 Women Through the Lens raises the question of how gender especially the image of woman acts as a visual and discursive sign in the creation of the nation state in twentieth century China Tracing the history of Chinese cinema through the last hundred years from the perspective of transnational feminism Shugin Cui reveals how women have been granted a privileged visibility on screen while being denied discursive positions as subjects In addition her careful attention to the visual language system of cinema shows how woman has served as the site for the narration of nation in the context of China's changing social and political climate Placing gender and nation in a historical framework the book first shows how early productions had their roots in shadow plays a popular form of public entertainment In examining the Red Classics of socialist cinema as a mass cultural form the book shows how the utopian vision of emancipating the entire proletariat women included produced a collective ideology that declared an end to gender difference Cui then documents and discusses the cinematic spectacle of woman as essential to such widely popular films as Chen Kaige s Farewell My Concubine and Zhang Yimou s Ju Do Finally the author brings a feminist perspective to the issues of gender and nation by turning her attention to women directors and their self representations *Whither Class?* Xueping Zhong,2025-02-24 This book argues that the revolutionary anti revolutionary counter revolutionary and post revolutionary dialectics in modern Chinese history since the early 20th century characterizes modern and contemporary Chinese literature the most Central to these dialectics are issues of class The book contends that one cannot fully understand modern and contemporary Chinese literature without understanding the class character of Chinese revolutionary and counter revolutionary struggles including literary practices and their various contradictions Considering literature via the notion of the event and focusing on three specific historical junctures this project explores how as a major cultural form literature has played an outsize role in China's struggle for liberation and quest for modernity It highlights the need to understand class and the extent to which it shapes literary and artistic forms and expressions as well as the on going debates over the relationship between politics and aesthetics

Gender, Politics, and Democracy, 2008 This is the first exploration of women's campaigns to gain equal rights to political participation in China The dynamic and successful struggle for suffrage rights waged by Chinese women activists through the first half of the twentieth century challenged fundamental and centuries old principles of political power By demanding a public political voice for women the activists promoted new conceptions of democratic representation for the entire political structure not simply for women Their movement created the space in which gendered codes of virtue would be radically transformed for both men and women Routledge Handbook of Chinese Medicine Vivienne Lo, Michael Stanley-Baker, 2022-06-19 The Routledge Handbook of Chinese Medicine is an extensive interdisciplinary guide to the nature of traditional medicine and healing in the Chinese cultural region and its plural epistemologies Established experts and the next generation of scholars interpret the ways in which Chinese medicine has been understood and portrayed from the beginning of the empire third century BCE to the globalisation of Chinese products and practices in the present day taking in subjects from ancient medical writings to therapeutic movement to talismans for healing and traditional medicines that have inspired global solutions to contemporary epidemics The volume is divided into seven parts Longue Dur e and Formation of Institutions and Traditions Sickness and Healing Food and Sex Spiritual and Orthodox Religious Practices The World of Sinographic Medicine Wider Diasporas Negotiating Modernity This handbook therefore introduces the broad range of ideas and techniques that comprise pre modern medicine in China and the historiographical and ethnographic approaches that have illuminated them It will prove a useful resource to students and scholars of Chinese studies and the history of medicine and anthropology It will also be of interest to practitioners patients and specialists wishing to refresh their knowledge with the latest developments in the field The Open Access version of this book available at http www taylorfrancis com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license
