Questioning Q:

Questioning Q Mark S. Goodacre, Nicholas Perrin, 2004 One need not undertake a very close reading of the Gospels of Matthew Mark and Luke to recognize that they have much in common But what are the origins of their literary relationship The nineteenth and twentieth centuries saw considerable energy devoted to this question Early hypotheses supposed a primitive proto Gospel to have been the source for all three Synoptics but later theories envisioned two sources an early version of Mark and a sayings source document eventually dubbed Q In contemporary Gospel studies Q has taken on a quasi factual status resulting in such publications as *The Critical Edition of Q complete with critical apparatus* This textualization of Q has taken place despite the fact that Q has never been found we have no manuscripts of Q and no church fathers attest that such a document ever existed In *Questioning Q* editors Mark Goodacre and Nicholas Perrin introduce a diverse network of scholars who examine the Q hypothesis from a variety of perspectives historical literary source critical and redactional and ask ultimately Can we dispense with Q and What would a world without Q look like Even the most ardent and articulate defenders of Q will benefit from this well reasoned respectful challenge to an oft unexamined assumption New York Court of Appeals. The Gospel of the Lord Michael F. Bird,2014-08-22 Balanced comprehensive survey of the critical questions involved in studying the four Gospels In this book through a distinctive evangelical and critical approach Michael Bird explores the historical development of the four canonical Gospels He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church Bird s study clarifies the often confusing debates over the origins of the canonical Gospels Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus the story by which they believed they were called to live The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels Watch an interview with Michael Bird from our Eerdmans Author Interview Series

From the Sayings to the Gospels Christopher Tuckett,2014-05-27 The essays by Christopher Tuckett collected in this volume represent a number of studies published over a period of 30 years seeking to throw light on the way in which Jesus traditions were developed and used in early Christianity Many of the essays are concerned in one way or another with the Sayings Source Q discussing its existence its possible pre history and key features of the material it contains Further essays look at Jesus traditions in Paul and in the Gospel of Thomas In a final section the author focuses on the individual synoptic gospels with a number of studies concerned with Christology especially the use of the term Son of Man These essays show that early Christian traditions about Jesus can provide valuable information not only about Jesus but also about how early Christians used these traditions to relate to their own situations and contexts
