Questions On Aesthetic Education:

Questions in Aesthetic Education (RLE Edu K) H Redfern, 2012-05-16 The Question of what aesthetic education is or might be is often a source of incomprehension This book opens up discussion of a complex difficult but highly important topic and offers an introductory survey of the whole area In examining the relationship of the concept of the aesthetic to that of art it challenges the persistent linking by many educationists of aesthetic with creative and the consequent neglect of critical reflection and appreciation Questions in Aesthetic Education Hildred Betty Redfern, 1986-01-01 **Questions in**

Aesthetic Education H. B. Redfern, 1986 **Philosophical Questions in Art Education** Dorit

Barchana-Lorand, 2025-08-21 This book examines the rationale of incorporating the arts in the school curriculum from a philosophical rather than pedagogical perspective Educational resources are frequently under scrutiny and education policy makers wish to maximize the use of public funds and children's time at school leaving the arts as a lower priority To understand the logic behind this Lorand revisits milestones in the history of the philosophy of art to address core questions in art education namely what are the challenges of teaching the arts And why teach the arts at all Lorand draws on the work of a broad range of philosophers including Dewey Eisner Greene Hume Plato Kant Langer Read and Schiller The book aims to show how attempts to justify art as a tool for societal and individual improvement fail in advocating art education Ultimately she claims that the arts should be taught because children have the right to receive art education That right stems from the unique nature of art **Questions in Aesthetic Education** Hildred Betty Redfern, 2012 *Handbook of Research and*

Policy in Art Education Elliot W. Eisner, Michael D. Day, 2004-04-12 This work provides an overview of the progress that has characterized the field of research and policy in art education It profiles and integrates history policy learning curriculum and instruction assessment and competing perspectives *Aesthetics and Education* Michael J. Parsons, H. Gene

Blocker, 1993 What is the appropriate content of aesthetics for students of art at different age levels How can it best be taught How should it be combined with studio work and other art disciplines Michael J Parsons and H gene Blocker answer these and other questions in a volume designed to help art educators potential educators and curriculum developers integrate aesthetics into the study of art in the school curriculum The two introduce some of the philosophical problems and questions in art encouraging teachers and others to form a personal outlook on these issues *Handbook of Research in the*

Social Foundations of Education Steven Tozer, Bernardo P. Gallegos, Annette Henry, Mary Bushnell Greiner, Paula Groves Price, 2011-07-05 Parts one and two of this volume present the theoretical lenses used to study the social contexts of education These include long established foundations disciplines such as sociology of education and philosophy of education as well as newer theoretical perspectives such as critical race theory feminist educational theory and cultural studies in education Parts three four and five demonstrate how these theoretical lenses are used to examine such phenomena as globalization media popular culture technology youth culture and schooling This groundbreaking volume helps readers

understand the history evolution and significance of this wide ranging often misunderstood and increasingly important field of study This book is appropriate as a reference volume not only for scholars in the social foundations of education but also for scholars interested in the cultural contexts of teaching and learning formal and informal It is also appropriate as a textbook for graduate level courses in Social Foundations of Education School and Society Educational Policy Studies Cultural Studies in Education and Curriculum and Instruction
