Questions New Christians Ask Barry Wood, 1979-11 Questions Asked by New-In-The-Lord Christians! Jay Dunning, 2016-07-09 This book has been written for very young Christians only of any earthly age There are three books in the series and they have been written especially to prepare the young Christian for what lies ahead in their Christian walk Many mature Christians believe they have knowledge of the Bible but sadly their knowledge is in many cases marred by error This is not an indictment on them but rather a case of less than perfect doctrine or teaching I have therefore thoroughly researched the Christian life and have prepared the contents of the books accordingly I only wish I could have had books like these when I was a youngster in the Lord **12 Questions** Sylvia Bambola, 2019-09-16 12 Questions New Christians Frequently Ask contains simple and easy to understand answers to questions about faith prayer hell healing and more all under one cover A great book for new Christians But good too for mature Christians to give friends or family members who want to know more about their faith Also a great springboard for teachers to use in their Bible study classes It can even be passed out as an effective witnessing tool New Christian's Handbook Max Anders, 2011-03-28 A guide to the whats whys and hows of the Christian faith for new believers Well respected pastor Max Anders helps ground new Christians in the faith Thirty six easy to follow chapters deepen your understanding of biblical doctrines while helping you apply them to everyday life Learn what God Jesus and the Holy Spirit have done for the world and for you Gain a better understanding of the spiritual world salvation and the Bible **Questions Non-Christians Ask Today** Barry Wood, 1986 *100 Most Asked Questions About the Bible* Pastor James R. Reese Jr., 2011-10-12 Whether you are just beginning your Personal Walk with God or have been on this highly significant journey for years there are always questions that may not be discernable due to the living growing complex nature of the message of God's Word the Bible Readers of this God breathed Word often get distracted from its central theme to know Jesus the Christ by issues pertaining to the people the situations the rituals the doctrines and the stories they have heard and maybe not read which have been handed down for generations This book is a collection of real questions asked by everyday people Christians and those seeking to be Christians on subjects ranging from Jonah and the Whale and How to become a Christian to the actual validity of the Bible itself The answers were broadcast on a weekly radio show by Pastor James R Reese Jr who's Pastoral career spanned well over 60 years It is an excellent source to accompany any Bible Study or just to pick up and begin reading The first draft of this book was taken from the actual recordings of his broadcasts which took place in several different states over a time period of 50 years The manuscript was first typed by Pastor James R Reese Jr himself on a now considered antique manual typewriter It was then carried around in a box for many more years At the urging of Pastor James R Reese Jr's son Pastor Scott Reese the box was finally opened and its contents put on a computer file in 2003 The final editing began in 2010 and was completed in May of 2011 for presentation to the publisher This book contains a wealth of information and knowledge inspired by a man who let his light shine before men

that they may see your good works and glorify your Father which is in heaven Matthew 5 16 The completion of this book has been a labor of love for all of us involved and we pray that you will follow Pastor James R Reese s light and let your own light shine

Concise Answers to Common Complex Questions Bruce Tucker,2001-06-05 Early in his ministry Bruce Tucker discovered that people frequently asked about the same tough issues of the faith Certain questions repeatedly surfaced Every Christian encounters these issues in the first few years of their faith These issues can be very emotional especially to those who hold different convictions about the answers These questions are also controversial There is a considerable difference of opinion about the answers and that is why the questions have not been resolved Christians can not agree Until they do people will continue asking Individuals desire to have some resolution These questions have a practical impact on their lives Few people ask about the number of angels that can dance on the head of a pin They simply dont care It doesnt directly affect them These issues do have an impact How can evil and a loving God both exist Can a Christian lose his or her salvation How can God predestine people who still have a free will Is healing guaranteed to all Christians Can a Christian be demon possessed Should one seek the baptism of the Holy Spirit What are the mysterious gifts of the Holy Spirit

The Question Jim Way,2009-05-01 Two thousand years ago Jesus challenged the religious system of his day It had become infiltrated with traditions and man made practices that had nothing to do with the word of God or the Lord s intervention for his people Many of the people with whom Jesus came in contact had doubts and were oppressed by this religious system Jesus challenged the people of his day by asking 233 questions more than any other leader in recorded history The uniqueness of this book is threefold First in two thousand years no other book has been written that summarizes these extraordinary questions Second the questions that Jesus asked pressed the very heart and root of the issues that were universally significant during that period Third these questions the answers to these questions and

Jesus's authentic resolutions transcend time and space to the current condition of our culture today. They cover every aspect of our lives whether we deal with the purpose of life, our relationships to one another, or how God wants to impact our conventional society. The Question builds a bridge between what Jesus said two thousand years ago and his empirical message to what we desperately need to hear today. Jesus has a unique way of communicating, inspiring us to reach down deep into our very being. His questions are piercing and challenging and cause introspection that could only be inspired by the Almighty. It is a unique and unusual process of communication created by the world's greatest leader.
