Quetteville Diaries:

The Quetteville Diaries Rex J. Lipman,2004-01-01 **Kilvert's Diary 1870-1879 - Selections from the Diary of the REV. Francis Kilvert** William Plomer,2013-04-18 SINCE its first appearance in three volumes 1938 40 Kilvert s Diary has become established as a minor classic Its recognized place among the very best of English diaries has been gained by special qualities It is the work of a man with a watchful eye and a clear style Kilvert has the uncommon gift of making one see vividly what he describes His detailed picture of life in the English countryside in mid Victorian times is unmatched and every sentence he writes helps to build up a self portrait so personal and intimate that one gets to know him like a friend Kilvert reveals himself as an essentially modest innocent truthful and unworldly young man sociable and with a strong love of life and of landscape with a sense of drama and a good vein of humour His life was strongly affected by two things his susceptibility to the beauty of young women and girls and his lack of money and of what used to be called prospects As a faithful country clergyman he moved with equal ease among people of both the landowning and labouring classes and by both was welcomed equally His good nature and good manners his vitality his love of children and his practical sympathy with the unfortunate won him much affection If he did not question the values of his own class he was never indifferent to sufferings which they permitted and did what he could with his evidently magnetic presence and voice to lessen those sufferings He knew that not far from the convivial and copious dinners and picnics the lively croquet and archery parties could be found loneliness squalor and hunger and sometimes murders and suicides The Banking Almanac, Directory, Year Book and Diary ,1880 The Law Journal ,1907 **Memoirs of ...
