Dialogism M. Scanlon,C. Engbers,2014-08-05 These essays extend an ongoing conversation on dialogic qualities of poetry by positing various foundations practices and purposes of poetic dialogism The authors enrich and diversify the theoretical discourse on dialogic poetry and connect it to fertile critical fields like ethnic studies translation studies and ethics and literature **The Printed Voice of Victorian Poetry** Eric Griffiths,2018-07-12

The Printed Voice of Victorian Poetry starts from a simple fact our written language does not represent the way we speak Intonation accent tempo and pitch of utterance can be inferred from a written text but they are not clearly demonstrated there The book shows the implications of this fact for linguists and philosophers of language and offers fundamental criticisms of some recent work in these fields It aims principally to describe the ways in which nineteenth century English poets Tennyson Browning Hopkins responded creatively to the ambiguities involved in writing down their own voices the melodies of their speech Original readings of the poets work are given both at a minutely detailed level and with regard to major preoccupations of the period immortality morbidity marriage social divisions and religious conversions and in this way Eric Griffiths offers a new map of Victorian poetry

Francophone African Poetry and Drama Richard J. Gray II,2014-09-17 Scholars examining literature from former French colonies sometimes view it wrongly as simply an outgrowth of colonial literature By suggesting new ways to understand the multiple voices present this book explores how Francophone African poetry and theatre in particular since the 1960s constitute both an organic cultural product and a reflection of the diverse African cultures in which they originate Themes explored in five chapters include the many kinds of African identity formation the resistance to former notions of literary composition as art a remapping of social responsibility and the impact of globalization on Francophone Africa s participation in world economics politics and culture This study highlights the inner workings of Francophone African literature and suggests a canonization of modern Francophone works from a world perspective The Westminster Review

,1855 *Alan Bowker's Canadian Heritage 2-Book Bundle* Alan Bowker,2015-12-07 In this two book bundle Alan Bowker sheds new light on two subjects with a surprising connection the great Canadian writer Stephen Leacock and the rise of Canada on the world stage which Leacock profiled with keen wit and observational skill With Bowker as your guide explore what it was really like to live through the great upheaval that pushed Canada to come into its own on the world stage A Time Such as There Never Was Before Ottawa Book Award 2015 Shortlisted The years after World War I were among the most

tumultuous in Canadian history a period of unremitting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade and its end was supposed to bring a world made new But the conflict had cost sixty thousand Canadian lives with many more wounded and had stirred up divisions in the young diverse country With Canada struggling to define itself labour farmers business the church social reformers and minorities all held extravagant hopes irrational fears and contradictory demands Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today On the Front Line of Life In the last decade of his life Stephen Leacock turned to writing informal essays that blended humour with a conversational style and ripened wisdom to address issues he cared about most education literature economics Canada and its place in the world and to confront the joys and sorrows of his own life With an introduction that sets them in the context of his life thoughts and times these essays reveal a passionate intelligent personal Leacock against a backdrop of Depression and war finding hope and conveying the timeless message that only the human spirit can bring social justice peace and progress *Lost Beyond Telling* Richard Howard Stamelman,1990 In seeking to give voice to absent things or lost experiences Richard Stamelman says modern poetry attempts to give absence a shape Loss in his view is both the cause and the subject of the modern poem Fittingly in *Lost beyond Telling* he formulates and develops what he calls a poetics of loss with which he frames his treatment of modern French poetry Robert Bly Howard Nelson,1984-04-16 Robert Bly

Revagations: 1966-1974 Eric Basso,2006 Cultural Writing Biography and memoir Eric Basso began to record his dreams in 1966 at the age of nineteen REVAGATIONS is the first of three projected volumes In these pages we discover an unconscious life laid bare in a myriad of bizarre adventures and intrigues Whether he is dancing with Ginger Rogers buying secondhand books from Adolf Hitler or narrating the strange history of the mutant Bazillia Basso's imagery is always vivid direct sometimes poetic at other time hilariously funny and more often than not brazenly politically incorrect The first volume is preceded by Basso's diverting survey of the role played by dreams in art literature music and sciences *Poetic Images, Presence, and the Theater of Kenotic Rituals* Enikő Sepsi,2021-09-29 This book explores the interrelation of contemporary French theatre and poetry Using the pictorial turn in the various branches of art and science its observable features and the theoretical framework of the conceptual metaphor this study seeks to gather together the divergent manners in which French poetry and theatre address this turn Poetry in space and theatricality of poetry are studied alongside theatre especially to the performative aspect of the originally theological concept of kenosis In doing so the author attempts to make use of the theological concept of kenosis of central importance in Novarina's oeuvre for theatrical and dramatological purposes Within poetic rituals kenotic rituals are also examined in the book in a few theatrical practices J nos Pilinszky and Robert Wilson Jerzy Grotowski and Eugenio Barba facilitating a better understanding of Novarina's works Accompanied by

new English translations in the appendices this is the first English language monograph related to the French essayist dramaturg and director Val re Novarina s theatre and will be of great interest to students and scholars in theatre and literature studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
