Quickening The Fire In Our Midst The Challenge Of Diocesan Priestly Spirituality:

Quickening the Fire in Our Midst George A. Aschenbrenner, 2002 Aschenbrenner explains how diocesan priestly spirituality is beautiful special and unlike any other Christian spirituality He outlines the gifts that define diocesan priests explores the particular stresses priests face and points to attitudes and resources that are essential for maintaining or recapturing priestly joy Most important he shows how a continuing experience of the love of Jesus can help diocesan priests offer pastoral love to those they serve BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Understanding the Religious Priesthood Christian, OSB Raab, Brian E., SJ Daley, 2020-10-14 Most contemporary theologies of Holy Orders consider priesthood mainly in its diocesan context and most contemporary theologies of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life Understanding the Religious Priesthood provides a history and theology of religious priesthood that contributes to our understanding of this vocation s identity and mission It uncovers what religious priesthood shares with diocesan priesthood and non ordained religious life and what makes it different from both those other vocations Christian Raab begins by tracing the history of religious priesthood from its origins in the early Church to the eve of the Second Vatican Council He demonstrates that religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life Meanwhile they made key contributions to the Church s life and mission Raab then investigates the teachings of the Second Vatican Council on priesthood and religious life Observing that the Council presented priesthood according to a diocesan typology and presented religious life without sacerdotal associations he argues that the lack of imagery of religious priesthood contributed to a post conciliar vocational identity crisis among religious priests He then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood Hans Urs von Balthasar offered in his theology of vocations Raab argues that Balthasar s imagery is a promising way forward for understanding the identity and mission of religious priesthood In a final part Raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification ecclesial mediation and mission and ministerial identity Here he draws not only from Balthasar but also from Pope John Paul II Yves Congar Jean Marie Tillard Brian Daley and Guy Mansini to construct his profile **From Hero to Servant to Mystic** Scott P. Detisch, 2019 From Hero to Servant to Mystic addresses both the initial and ongoing formation of priests by tracing three significant stages in how their spiritual lives unfold Fr Scott Detisch offers seminarians priests spiritual directors and clergy personnel directors a way of understanding the whole gamut of spiritual growth and development in priests by focusing on three major clusters of energies within men the Hero the Servant and the Mystic By recognizing the difficulties that may arise within the inner life and outer world of a priest Detisch offers helpful methods for navigating through those challenging periods By applying these energies to their spiritual lives priests will experience a different form of relationship with the person of Christ the Hero who

offers his life for Christ the Servant who ministers with Christ and the Mystic who lives his life in Christ **Serving the Body of Christ** Irwin, Kevin W., 2021 A careful collection summary and commentary of the church's official teaching on the Eucharist and ordained priesthood from Trent through Pope Benedict XVI with avenues for theological exploration based on it Updated with analyses of documents from Pope Francis **Priesthood in Religious Life** Stephen Bevens, Robin Ryan, 2018-09-27 This is the first book in English on priesthood in religious life to be published in twenty years Its fourteen contributors search for new ways forward in the understanding of the distinct identity and ministry of religious men committed to community the prophetic lifestyle of vows or promises and the particular charisms of their congregations who have also answered the call to priesthood Essays in this collection include reflections from a bishop from the perspective of a lay theologian from an expert in the social sciences and on Pope Francis's teachings on priesthood Included as well are essays that are rooted in particular cultural traditions in spirituality and in canon law *Gold Tested in Fire* Ronald D. Witherup, 2012-02-01 The recent Year for Priests focused considerable attention on the priesthood resulting in many books articles retreats conferences and symposia In *Gold Tested in Fire* Ronald D Witherup SS makes an important new contribution Intersecting scriptural and theological context with lived pastoral insight Witherup explores both classic and contemporary understandings of the priesthood offers insights into the four pillars suggested for priestly formation and looks at the charism of priests and the need for ongoing formation across a life span Having engaged in priestly formation in seminaries for a number of years Witherup moves beyond overly idealized or pietistic approaches to the presbyteral life to offer key insights on the challenges and rewards inherent in contemporary priestly ministry Underlying his approach is the firm conviction that the present testing in the priesthood is a profound summons to a new Pentecost in opportunity for the priesthood to be cleansed and remade and ultimately stronger **Poor Formation as a Principal Factor to the Crisis in Priesthood Today** Paul UCHE Nwobi, 2012-09-27 This book is on the spirituality of life crisis and formation When this spirituality is denied or neglected life is in crisis The Church with its priesthood is losing its face and meaning in today's world due to the evading crisis How to define and contain this crisis in today's world and cultures is what this book is all about Without a well grounded spirituality of formation life is a bundle of crisis with a limited vision meaning and purpose This book is a must read for everyone especially school teachers college professors seminary formators bishops priests religious men and women students seminarians and aspirants to religious life **Mercy** Daniel Moloney, 2020-04-09 Series Summary The new What Every Catholic Should Know series is intended for the average faithful Catholic who wants to know more about Catholic faith and culture The authors in this series take a panoramic approach to the topic of each book aimed at a non specialist but enthusiastic readership Forthcoming titles planned for this series include the Eucharist salvation history art and philosophy Book Summary In *Mercy* What Every Catholic Should Know Fr Daniel Moloney covers a broad range of topics regarding mercy that are prevalent for our society today Beginning from an unexpected perspective in the first half of

the book Fr Moloney approaches mercy from a political point of view explaining how mercy is in fact truly and intimately interwoven with politics and power Through this lens he touches upon pertinent topics such as legal punishments the death penalty and self defense He also assesses the clergy scandals laying out why they occurred what went wrong in how they were dealt with and how the Church can improve moving forward for the greater glory of God He eloquently explains how mercy is not synonymous with leniency but is an act of responding to a privation a lack of something which ought to be there Sometimes the road to this may have to be tough love for the good of all involved Fr Moloney invites the reader to wrestle with the supposed contradiction of God saying that he is merciful yet killing and punishing his creation Moloney ultimately resolves this apparent contradiction by highlighting God's identity as the loving Father explaining how similar to good earthly fathers sometimes the most loving route to take in truly loving your children and bringing them to their ultimate good is through the course of tough love God is always good and loving and his justice and mercy go hand in hand **The**

Disciples' Call Christopher Jamison, OSB, 2013-12-05 There is currently no shared language of vocation among Catholics in the developed post modern world of Europe and North America The decline in practice of the faith and a weakened understanding of Church teaching has led to reduced numbers of people entering into marriage religious life and priesthood Uniquely this book traces the development of vocation from scriptural patristic roots through Thomism and the Reformation to engage with the modern vocational crisis How are these two approaches compatible The universal call to holiness is expressed in *Lumen Gentium* has been read by some as meaning that any vocational choice has the same value as any other such choice is some sense of a higher calling part of the Catholic theology of vocation or not Some claim that the single life is a vocation on a par with marriage and religious life what kind of a theology of vocation leads to that conclusion And is the secular use of the word vocation to describe certain profession helpful or misleading in the context of Catholic theology

The Unchanging Heart of the Priesthood Thomas Acklin, 2006 In *The Unchanging Heart of the Priesthood* Father Thomas Acklin presents an apologetic for that which is immutable that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions and false understandings of the priesthood while uncovering the beauty strength and hope that is found in God's plan This book will encourage the heart of every priest and help the laity to understand and appreciate the reality and mystery of the priesthood in the Church In *The Unchanging Heart of the Priesthood* Father Thomas Acklin presents an apologetic for the immutability of the priesthood that which cannot change since it is found in the unchanging heart of Christ Father Acklin refutes modern misconceptions while uncovering the beauty strength and hope that is found in God's plan bringing the reader to an appreciation of the reality and mystery of the priesthood in the Church *Confessions of a Gay Priest* Tom Rastrelli, 2020-04-15 Tom Rastrelli is a survivor of clergy perpetrated sexual abuse who then became a priest in the early days of the Catholic Church's ongoing scandals *Confessions of a Gay Priest* divulges the clandestine inner workings of the seminary providing an intimate and unapologetic look into the

psychosexual and spiritual dynamics of celibacy and lays bare the formation system that perpetuates the cycle of abuse and cover up that continues today Under the guidance of a charismatic college campus minister Rastrelli sought to reconcile his homosexuality and childhood sexual abuse When he felt called to the priesthood Rastrelli began the process of priestly discernment Priests welcomed him into a confusing clerical culture where public displays of piety celibacy and homophobia masked a closeted underworld in which elder priests preyed upon young recruits From there he ventured deeper into the seminary system seeking healing hoping to help others and striving not to live a double life Trained to treat sexuality like an addiction he and his brother seminarians lived in a world of cliques competition self loathing alcohol hidden crushes and closeted sex Ultimately the formation intended to make Rastrelli a compliant priest helped to liberate him

A Guide to Formation Advising for Seminarians Edward J. McCormack, 2020-08-20 The future of the Church depends in part on forming future priests and ministers who are ready to accompany lead and love the People of God Formation advising is one important part of that work A Guide to Formation Advising for Seminarians Seminary Faculty offers a practical guide to formation advising as a ministry of accompaniment participation and evaluation Deacon Edward McCormack offers a comprehensive introduction to the ministry of formation advising for seminarians studying for priestly ministry These volumes are for men and women who are new to the ministry of formation advising The recent Vatican guidelines for seminary formation call for professional accompaniment of seminarians throughout their formation This book explains in concrete detail how to do this through the entire formation process Beginning with an overview of the formation process A Guide to Formation Advising for Seminarians Seminary Faculty explains the role of the formation advisor and the skills required for that ministry It describes the various ways the formation advisor accompanies a person through the formation process McCormack also provides concrete suggestions for how to promote in seminarians active participation in the process Formators will also find explanation of the evaluation process with a style sheet and examples of written evaluations The handbook contains an annotated bibliography on all the major topics a formation advisor comes across

The Spiritual Formation of Seminarians James Keating, 2025-05-16 In this book Deacon James Keating provides an opportunity for one spiritual director to introduce his mind to the minds of other directors with the hope that his ideas may season their own already developed method of direction The book does not attend to all the possible realities a director may encounter within his or her training or within the daily execution of this ministry The author wishes to share his approach to directing seminarians by reflecting upon themes and experiences which regularly appear within direction sessions Spiritual direction certainly has some universal components to it All directors want their directees to internalize a habit of prayer to choose a life of remaining with God to suffer the vulnerability necessary to know divine love and to then embody that love as heralds of the Gospel But each director approaches his or her directees from within their own skin from within a personality that is unique and by way of a formation that reflects the unique attractions of each director and his or her own sufferings failures

and fidelities These unique embodiments no one writer can know or capture in a book And so this book simply begins a conversation that the author invites other directors to enter and add to according to their own insights The spiritual life of those in seminary occupies the integrating center of a projected life of priestly ministry Time needed to secure an interior life of prayer is one of the key reasons the Church demands years of formation before the celibate state is entered Such a state in life is entered as a testimony to the reality that God lives and loves In light of such love a man enters seminary to discern if he desires to surrender his whole life in response to God sharing His own To live as a cleric without a vital interior life leaves a man in a state of meaninglessness Instilling the virtue of prayer during priestly formation can help assure that celibate priesthood retains its inspiration and meaning throughout the life of a priest Spiritual directors minister to assist a future priest to secure a lifetime habit of prayer so as to secure his commitment to communicate with the living God

God and Eros Colin Patterson, Conor Sweeney, 2015-10-12 What can God and eros have to do with each other Against Nietzsche's claim that Christianity poisoned eros God and Eros rereads the mystery of human love as an ecstatic sharing in the mystery of the triune God who is Love Body sex and affectivity far from being locked in a lower order called nature instead belong to a sacramental order that is permeated by the call to love In presentations designed to appeal to a general audience the faculty of the John Paul II Institute for Marriage and Family Melbourne approach this mystery through the lens of St John Paul II's theology of the body with the goal to both introduce and more clearly illumine its major features In particular emphasis is placed on how a theology of the body is not just about sex Rather it is above all about how each and every person no matter what her state of life is stamped by the watermark of being from and being for Working within this broader perspective God and Eros offers the reader a lively engaging and at times challenging tour of the full ethos of the nuptial mystery
