The Union Postal Clerk & the Postal Transport Journal ,1914 **The Urban Lifeworld** Peter Madsen, Richard Plunz, 2005-06-29 Urban conditions are crucial to our experience of modernity and as reflected by art, literature and popular culture have influenced contemporary ideas of what urban life is about. The Urban Lifeworld contributes to our understanding of the cultural role of cities by offering new insight into the analysis of urban experience. Two exceptional cities, New York and Copenhagen, are the focus of this exploration of cultural representations of urban life which investigates the contrasts between perceptions and formation of the urban lifeworld. Integrating sociological, aesthetic and anthropological approaches to urban questions, this collection of essays presents a new vision of the cityscape which will enrich both academic debate and public life. Ward, 2012-01-30 A book etched in nostalgia with poems that go back to 1964 when the decision was made to begin saving the poems in a 7 x 9 notebook instead of placing them in a file which at length became difficult to find. Essentially lost, Time brought forth three such notebooks, two filled, the third well over half used. A book attuned in good part to family history, the growth and flowering of two generations, a continuing story that surpasses the bounds of poetic surveillance.
