Goossen, Anindo Hazra, 2014-10-23 This anthology of literary and dramatic works introduces writers from across Asia and the Asian diaspora The landscapes and time periods it describes are rich and varied a fishing village on the Padma River in Bangladesh in the early twentieth century the slums of prewar Tokyo Indonesia during the anti leftist purge of the 1960s and contemporary Tibet Even more varied are the voices these works bring to life which serve as testimony to the lives of those adversely impacted by poverty rapid social change political suppression and armed conflict In the end the works in this anthology convey an attitude of spiritual and communal survival and even of hope This anthology presents the complex dynamic between a diversity of Asian lives and the universalized concept of the individual human entitled to clearly specified rights It also asks us to think about what standards of analysis we should employ when considering a historical period in which universal human rights and civil liberties are considered secondary to the collective good as has so often been the case when nation states are undergoing revolutionary change waging war or championing so called Asian values This book s use of the term Global Asia reflects an interest in rethinking Asia as more than an area determined by national borders and geography Rather this book portrays it as a space of movement and fluidity where societies and individuals respond not only to their local frames of reference but also to broader ideas and ideals Many of the works anthologized here are the subject of scholarly analysis in the companion volume *Human Rights and the Arts Perspectives on Global Asia* also published by Lexington Books      **Union University** Andrew Van Vranken Raymond, 1886      **Union** Kimberly E. Powers, 2015-02-01 Have you ever been so caught up in someone else s story you were living it Do you ache for something that feels more real than the life you re living If you ever wondered whether there was something more someone amazing waiting for you that could quench your desire to be fully alive again if you wondered whether there is such a thing as soul mates or the one Union will assure you that you are not alone Author Kimberly E Powers shares raw truths and honest humor through her often reluctant journey to understand the ache and loneliness she felt in her seemingly perfect life What she found revealed the nature of relationships with herself and others Her quest to feel normal engulfed her in ill fitting routines Lost connections to passion joy and a world beyond that she once understood left her begging God for answers Receiving the answers one by one in unusual ways she eventually regained her strength and awakened to peace in the stillness of her soul that is until she dared to ask the question What could be better than this She found the answer in the 2010 movie *Eat Pray Love* The advice given to Elizabeth Gilbert by Ketut Sometimes to lose your balance for love is part of living balanced life would haunt Kimberly s mind and change her destiny Recognizing this story as her own only much less glamorous without the travel to exotic places but rather in a normal town as a single soccer mom with two sons and an advertising agency Kimberly embarked on a dream she almost didn t dare to want finding her Twin Flame What she believed would be her destination was only a layer of the journey into her heart and the understanding

of the truth of soul mates twin flames and the falling in union with One
