Marc Shapiro, 2018-09-05. There's a lot of people don't know about John McCain. They know the war hero, the prisoner of war. Those are the things that have made the headlines and the history books. But there is also the John McCain working statesman who has spent two terms in the House of Representatives and six terms in the Senate, going about the business of creating bills and fighting the good fight on the Senate floor for the benefit of the people and the country. It is from that McCain that this book takes its cue, as it ventures into the specifics of his decades as the ultimate statesman doing the country's business. Written by New York Times Bestselling Author Marc Shapiro, *John McCain: A View From The Hill* delves into McCain's character, demeanor, his ability to craft bills and legislation that he cares about and ramrod them through the slippery slope of politics and into law. Through extensive research and exclusive one-on-one interviews with McCain's colleagues and foes, award-winning journalists and in one instance the observations of a man who had a front row seat for McCain's most challenging political moment, Shapiro probes McCain's ability to get along with Republicans and Democrats alike. The book looks at his uncompromising willingness to fight the presidential powers that be if he did not agree with them, the two rough and tumble presidential campaigns he lived through at a time when politics was entering a particularly ugly phase, and the long simmering feud with current President Donald Trump which finally exploded. If you think you know the life of John McCain, it is time to check your preconceptions. Because *John McCain: A View From The Hill* is about to take you deep inside a place you've never been before. How a historically significant man and politician has earned his stripes as a statesman for the ages. John McCain knew how to take care of business, and this is how he did it. **Go Directly to Jail** Gene

Healy, 2004. The American criminal justice system is becoming ever more centralized and punitive, owing to rampant federalization and mandatory minimum sentencing guidelines. *Go Directly to Jail* examines these alarming trends and proposes reforms that could rein in a criminal justice apparatus at war with fairness and common sense. **The Mercenary's Bride** Claire Delacroix, 2018-01-01. **The War of the Rebellion** United States.
