Quiet American The Secret War Of Varian Fry:

A Quiet American Andy Marino, 1999-10-29 Varian Fry an American war correspondent set up a secret refuge escape system in Marseilles to get leading artists and intellectuals out of occupied France *A Quiet American* Andy Marino, 2000-11-13 Andy Marino's *A Quiet American* is an effort to examine the life of a genuine American hero whose political and cultural influence remain largely unacknowledged The story of Varian Fry called the real Rick of Casablanca is perhaps one of the most unknown yet extraordinary sagas of World War II This penetrating biography follows Varian Fry through his adult life from his beginnings in the 1930s as a Harvard graduate and political journalist to his arrival in Marseille in 1940 where he managed to spirit away thousands of Europe's cultural elite by falsifying passports creating new identities and always resorting to subterfuge The list of those saved includes Hannah Arendt Andre Breton Franz Werfel and his wife Alma Mahler Heinrich Mann Marc Chagall Jacques Lipchitz Andre Masson and Max Ernst among others

American Relief Aid and the Spanish Civil War Eric R. Smith, 2013-10-17 The Spanish Civil War created a conflict for Americans who preferred that the United States remain uninvolved in foreign affairs Despite the country's isolationist tendencies opposition to the rise of fascism across Europe convinced many Americans that they had to act in support of the Spanish Republic While much has been written about the war itself and its international volunteers little attention has been paid to those who coordinated these relief efforts at home *American Relief Aid and the Spanish Civil War* tells the story of the political campaigns to raise aid for the Spanish Republic as activists pushed the limits of isolationist thinking Those concerned with Spain's fate held a range of political convictions including anarchists socialists liberals and communists with very different understandings of what fascism was Yet they all agreed that fascism's advance must be halted With labor strikes fund raising parties and ambulance tours defenders of Spain in the United States sought to shift the political discussion away from isolation of Spain's elected government and toward active assistance for the faltering Republic Examining the American political organizations affiliated with this relief effort and the political repression that resulted as many of Spain's supporters faced the early incarnations of McCarthyism's trials Smith provides new understanding of American politics during the crucial years leading up to World War II By also focusing on the impact the Spanish Civil War had on those of Spanish ethnicity in the United States Smith shows how close to home the seemingly distant war really hit

People Love Dead Jews: Reports from a Haunted Present Dara Horn, 2021-09-07 Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal Chicago Public Library Publishers Weekly and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living Renowned and beloved as a prizewinning novelist Dara Horn has also been publishing penetrating essays since she was a teenager Often asked by major publications to write on subjects related to Jewish culture and increasingly in response to a recent wave of deadly

antisemitic attacks Horn was troubled to realize what all of these assignments had in common she was being asked to write about dead Jews never about living ones In these essays Horn reflects on subjects as far flung as the international veneration of Anne Frank the mythology that Jewish family names were changed at Ellis Island the blockbuster traveling exhibition Auschwitz the marketing of the Jewish history of Harbin China and the little known life of the righteous Gentile Varian Fry Throughout she challenges us to confront the reasons why there might be so much fascination with Jewish deaths and so little respect for Jewish lives unfolding in the present Horn draws upon her travels her research and also her own family life trying to explain Shakespeare's Shylock to a curious ten year old her anger when swastikas are drawn on desks in her children's school the profound perspective offered by traditional religious practice and study to assert the vitality complexity and depth of Jewish life against an antisemitism that far from being disarmed by the mantra of Never forget is on the rise As Horn explores the not so shocking attacks on the American Jewish community in recent years she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity Now including a reading group guide

Defying the Nazis Artemis Joukowsky, 2017-08-29

The official companion to the Ken Burns PBS film, *The Little Known Story of the Sharps*, whose rescue missions across Europe during World War II saved the lives of countless Jews, refugees, and political dissidents for readers of *The Zookeeper's Wife*. In 1939, the Reverend Waitstill Sharp, a young Unitarian minister, and his wife Martha, a social worker, accepted a mission from the American Unitarian Association: they were to leave their home and young children in Wellesley, Massachusetts, and travel to Prague, Czechoslovakia, to help address the mounting refugee crisis. Seventeen ministers had been asked to undertake this mission, and had declined. Rev. Sharp was the first to accept the call for volunteers in Europe. Armed with only \$40,000, Waitstill and Martha quickly learned the art of spy craft and undertook dangerous rescue and relief missions across war-torn Europe, saving refugees, political dissidents, and Jews on the eve of World War II. After narrowly avoiding the Gestapo themselves, the Sharps returned to Europe in 1940 as representatives of the newly formed Unitarian Service Committee and continued their relief efforts in Vichy France. A fascinating portrait of resistance as told
