The Antirevolutionary Roel Kuiper,2025-06-03 Groen van Prinsterer 1801 1876 born in an aristocratic family became a dedicated Protestant in his younger years and one of the leaders of Dutch and European Christianity gaining an influential role as pioneer in international Christian thought and parliamentary action He criticized the secular ideas of the French Revolution in his *Unbelief and Revolution* 1847 This book has been and still is widely read Two years later he was elected in the Dutch parliament where he became the leader of his Antirevolutionary Party He fought for Christian education and democratic rights As a historian he wrote several books highlighting the merits of the Reformation and God's guidance in the lives of the nations He became the spiritual father of many Christian leaders especially of Abraham Kuyper who shaped this Protestant political movement to be one of the most influential in Dutch history His legacy shaped thinkers like Herman Bavinck and Herman Dooyeweerd the founder of reformational philosophy *The Congregationalist and Christian World* ,1904 **How Progressivism Destroyed Venezuela** Elizabeth Rogliani,2022-09-20 On December 6 1998 the Venezuelan people voted in an election that would drastically change the course of the country After Hugo Chavez Frias won the 1998 election and assumed office in 1999 most Venezuelans felt hopeful of the promise of change and the opening up of new possibilities and perhaps the return of an era of prosperity such as Venezuela had known in the 1950s Reality however proved much different The Venezuelan people slowly came to realize that they had voted for something that could no longer simply vote out of office Over the past two decades Venezuela experienced a massive political socio economic and ideological transformation It has gone from one of Latin America's most stable democracies to a failed impoverished state Some believe this marks the end of what once was a bastion of freedom in South America others more optimistically believe the nation can once regain its former glory despite the devastation *How Progressivism Destroyed Venezuela* explores the causes of the disaster facing this proud and once prosperous nation Although the most obvious explanation for Venezuela's tragic situation is Hugo Chavez his corrupt government and his failed policies the seeds of this disaster were planted in the country long before he ever set foot in the Presidential Palace This book explores the progressive ideas and events that led up to the election of 1998 It discusses the events policies and attitudes that defined the late Hugo Chavez Frias's government and how his once unexpected leadership in the country managed to become entrenched despite its colossal failures and popular protests Venezuelan activist Elizabeth Rogliani who lived through many of the events she describes shows how a population that was on its way to achieving first world status threw it all away with a single vote and how fundamental human rights once taken for granted were gradually lost while most of them slept Elizabeth Rogliani is a political commentator and has appeared on The Laura Ingraham Show **Congressional Record** United States.
