regard as the clients they served When a corrupt prosecutor was determined to send as many of the notorious John Dillinger gang to death row as possible female attorneys Jessie Levy and Bess Robbins rose to the challenge They skillfully represented six of the gang members a number far greater than any of their male counterparts And yet their story of deals gone bad wrongful convictions and success against the odds has all but vanished from history The recent discovery of interviews personal correspondence and court transcripts a treasure trove untouched for over 80 years forms the basis for this book which traces the careers of Jessie Levy Bess Robbins and the John Dillinger gang in detail for the first time Without You Andrew Grey, 2016-09-12 Forever Yours Book One Justin Hawthorne worked hard to realize his silver screen dreams making his way from small town Pennsylvania to Hollywood and success But it hasn t come without sacrifice When Justin's father kicked him out for being gay George Miller's family offered to take him in but circumstances prevented it Now Justin is back in town and has come face to face with George the man he left without so much as a good bye and the man he s never stopped loving Justin's disappearance hit George hard but he s made a life for himself as a home nurse and finds fulfillment in helping others When he sees Justin again George realizes the hole in his heart never mended and he isn t the only one in need of healing Justin needs time out of the public eye to find himself again and George and his mother cannot turn him away As they stay together in George's home old feelings are rekindled Is a second chance possible when everything George cares about is in Pennsylvania and Justin must return to his career in California First they ll have to deal with the reason for Justin's abrupt departure all those years ago Me and a Guy Named Elvis Jerry Schilling, Chuck Crisafulli, 2007-07-19 On a lazy Sunday in 1954 twelve year old Jerry Schilling wandered into a Memphis touch football game only to discover that his team was guarterbacked by a nineteen year old Elvis Presley the local teenager whose first record That's All Right had just debuted on Memphis radio Jerry and Elvis became fast friends even as Elvis turned into the world's biggest star In 1964 Elvis invited Jerry to work for him as part of his Memphis Mafia and Jerry soon found himself living with Elvis full time in a Bel Air mansion and later in his own room at Graceland Over the next thirteen years Jerry would work for Elvis in various capacities from bodyguard to photo double to co executive producer on a karate film But more than anything else he was Elvis s close friend and confidant Elvis trusted Jerry with protecting his life when he received death threats he asked Jerry to drive him and Priscilla to the hospital the day Lisa Marie was born and to accompany him during the famous lost weekend when he traveled to meet President Nixon at the White House Me and a Guy Named Elvis looks at Presley from a friend s perspective offering readers the man rather than the icon including insights into the creative frustrations that lead to Elvis s abuse of prescription medicine and his tragic death Jerry offers never before told stories about life inside Elvis s inner circle and an emotional recounting of the great times hard times and unique times he and Elvis shared These vivid memories will be priceless to Elvis s millions of fans and the compelling story will fascinate an even wider audience Brat Andrew McCarthy, 2021-05-11 Fans of Patti Smith s Just Kids and Rob Lowe s Stories I Only Tell My Friends will love this
