*Quincas Borba* Machado de Assis, Neusa Pinsard Caccese, 1979      El español de América Ángel Rosenblat, María Josefina Tejera, 2002      **El Libro español**, 1979      **Catálogo español: Authors**, 1980      **Estudio contrastivo del régimen verbal en el portugués de Brasil y el español peninsular**. Shirley de Sousa Pereira, 2007      **The Evolution of Literature in the Americas** Earl E. Fitz, 2025-03-31 This book offers a systematic and comparative history of the evolution of literature in the Americas from the beginning to the present day It begins with an introduction that assesses the development of the field and then proceeds to a chapter on the literature of Pre Columbian and indigenous America It then moves forward chronologically from the arrival of the Europeans beginning in 1492 to the year 2026 Including indigenous literature the other American literatures represented in the book are those of Canada both Francophone and Anglophone the United States the Caribbean Francophone and Anglophone Spanish America and Brazil Not every book ever written in the Americas is included of course only those that in the author's estimation offer some valid point of comparison with other American literary cultures These points of comparison include issues of theme genre literary periods literature and other disciplines such as history art music or politics cases of influence and reception and translation The book's emphasis is on viewing American literature from a hemispheric and comparative lens      **Interiors and Narrative** Estela Vieira, 2012-12-17 Interiors and Narrative shows how crucial interiors are for our understanding of the nature of narrative A growing cultural fascination with interior dwelling so prevalent in the late nineteenth century parallels an intensification of the rhetorical function interior architecture plays in the development of fiction The existential dimension of dwelling becomes so intimately tied to the novelistic project that fiction surfaces as a way of inhabiting the world This study illustrates this through a comparative reading of three realist masterpieces of the Luso Hispanic nineteenth century Machado de Assis's *Quincas Borba* 1891 E a de Queir's *The Maias* 1888 and Leopoldo Alas's *La Regenta* 1884 1885 The first full length study to juxtapose the renowned writers Interiors and Narrative analyzes the authors spatial poetics while offering new readings of their work The book explores the important links between interiors and narrative by explaining how rooms furnishings and homes function as metaphors for the writing of the narrative reflecting on the complex relation between private dwellings and human interiority and arguing that the interior design of rooms becomes a language that gives furnishings and decorative objects a narrative life of their own The story of homes and furnishings in these narratives creates a semiotic language that both readers and characters rely on in order to make sense of fiction and reality      **Pensar el Brasil hoy. Teorías literarias y crítica cultural en el Brasil contemporáneo** María Cândida Ferreira de Almeida, Norman Valencia, 2013-01-01 Pensar el Brasil hoy presenta una panorámica de la teoría y la crítica literarias y culturales brasileñas actuales construida por autores de diferentes universidades de Brasil y de otros países que provienen de diferentes tradiciones teóricas Tiene como objetivo divulgar la producción intelectual brasileña y abrir un diálogo más cercano con la

hispanoamericana para propiciar la expansión de los estudios brasileños en español tras el creciente interés provocado por obras literarias traducidas recientemente. Aborda problemas tan diversos como las implicaciones del estudio de obras de otros períodos históricos como el arte de la Contrarreforma, la autoría, la literatura de autoayuda, la literatura homoafectiva, la literatura comparada en el contexto latinoamericano, la importancia de la cultura en los estudios contemporáneos y la actitud antropofágica.

*La desheredada* Benito Pérez Galdós, 2023-11-17. *La desheredada* es una novela clave en la obra de Benito Pérez Galdós que ofrece un profundo estudio de la sociedad española de finales del siglo XIX. La narración gira en torno a la vida de su protagonista, la joven Huertana, quien, desheredada por su familia, navega por las complejidades de la pobreza y la búsqueda de identidad en un entorno hostil. Galdós utiliza un estilo realista, entrelazando diálogos agudos con descripciones vívidas que revelan las tensiones sociales y económicas de su tiempo. Contextualmente, la obra se sitúa en una España en plena transformación, marcada por el derrumbe de las viejas estructuras aristocráticas y la lucha de clases emergente. Benito Pérez Galdós, uno de los más destacados novelistas españoles, muestra en su obra un compromiso profundo con la realidad social y política de su país. Influenciado por el ambiente de cambio y modernidad que presenciaba a lo largo de su vida, Galdós emplea la literatura como herramienta para criticar y explorar la condición humana. Su formación y experiencias personales, especialmente su tránsito entre la historia y la novela, informaron su enfoque narrativo en *La desheredada*, la cual se presenta como un reflejo de su dedicación a los problemas contemporáneos de España. Recomendando encarecidamente *La desheredada* a los lectores interesados en la literatura realista y en la exploración de las dinámicas sociales. La obra no solo es un relato cautivador, sino que también proporciona una reflexión crítica sobre la herencia, la identidad y el papel de la fortuna en la vida humana. La destreza de Galdós para captar la esencia de su época invita a una profunda reflexión, haciendo de la novela un clásico perdurable en la literatura española.

**Latin America** Mauricio Tenorio-Trillo, 2017-04-13. Latin America is a concept firmly entrenched in its philosophical, moral, and historical meanings. And yet, Mauricio Tenorio Trillo argues in this landmark book, it is an obsolescent racial-cultural idea that ought to have vanished long ago with the banishment of racial theory. *Latin America: The Allure and Power of an Idea* makes this case persuasively. Tenorio Trillo builds the book on three interlocking steps: first, an intellectual history of the concept of Latin America in its natural historical habitat; mid-nineteenth-century redefinitions of empire and the cultural, political, and

economic intellectualism second a serious and uncompromising critique of the current Latin Americanism which circulates in United States based humanities and social sciences and third accepting that we might actually be stuck with Latin America Tenorio Trillo charts a path forward for the writing and teaching of Latin American history Accessible and forceful rich in historical research and specificity the book offers a distinctive conceptual history of Latin America and its many connections and intersections of political and intellectual significance Tenorio Trillo s book is a masterpiece of interdisciplinary scholarship
