## Quit For Chicks:

*God Chicks* Holly Wagner, 2003-04-01 Holly Wagner believes it is no accident that you and I are alive and on the earth at this time in history what an awesome privilege it is Granted terror is alive and real on the planet but so are we and the purposes for which we have been placed here The King of heaven is waiting for women to take their places on the earth we have a job to do Proverbs 31 8 9 says it like this we are to open our mouths for those who can't speak for themselves open our mouths for those who are left defenseless we are to judge righteously and administer justice How can we do this if we are not confidently living our life as God's girl on the earth In *God Chicks* Holly encourages women to embrace their God-given roles such as the Warrior Chick the Friend Chick and the Just b u Chick We are invaluable says Holly and more women need to see themselves this way We do not have to strive or force our way we just have to confidently walk as we were created daughters of a King

**In the Country of Women** Susan Straight, 2020-08-25 One of NPR's Best Books of the Year Straight's memoir is a lyric social history of her multiracial clan in Riverside that explores the bonds of love and survival that bind them with a particular emphasis on the women's stories The aftereffect of all these disparate stories juxtaposed in a single epic is remarkable Its resonance lingers for days after reading San Francisco Chronicle In the Country of Women is a valuable social history and a personal narrative that reads like a love song to America and indomitable women In inland Southern California near the desert and the Mexican border Susan Straight a self-proclaimed book nerd and Dwayne Sims an African American basketball player started dating in high school After college they married and drove to Amherst Massachusetts where Straight met her teacher and mentor James Baldwin who encouraged her to write Once back in Riverside at driveway barbecues and fish fries with the large close knit Sims family Straight and eventually her three daughters heard for decades

the stories of Dwayne's female ancestors. Some women escaped violence in post-slavery Tennessee; some escaped murder in Jim Crow Mississippi; and some fled abusive men. Straight's mother-in-law, Alberta Sims, is the descendant at the heart of this memoir. Susan's family too reflects the hardship and resilience of women pushing onward from Switzerland, Canada, and the Colorado Rockies to California. A Pakistani word, *biraderi*, is one Straight uses to define a complex system of kinship and clan: those who become your family. An entire community helped raise her daughters. Of her three girls, now grown and working in museums and the entertainment industry, Straight writes: "The daughters of our ancestors carry in their blood at least three continents. We are not about borders. We are about love and survival." Certain books give off the sense that you won't want them to end; so splendid is the writing, so lyrical the stories. Such is the case with Southern California novelist Susan Straight's new memoir, *In the Country of Women*. Her vibrant pages are filled with people of churned-together blood, culled from scattered immigrants and native peoples' indomitable women and their babies. Yet they never succumb. Straight gives us permission to remember what went before with passion and attachment. *Los Angeles Times*     [A Chick in the Cockpit](#) Erika Armstrong, 2015-10-19. Ladies and gentlemen, welcome aboard your flight. As you step onto my aircraft, take a quick glance into the cockpit. Yep, that's me sitting in the captain's seat, and that's my first officer laughing about how he accidentally locked himself out of his hotel room. Naked. Again. We're both a little ripe from flying for the last five days, but we're still smiling because we have spent years and thousands of hours training and living an uncommon lifestyle to be up here for you. For the next few hours, you have to turn your life over to us. It's hard to trust others, and there are moments when you don't have a choice about being in control. During those moments, you'll just have to tighten your seatbelt and trust that others will get you through the storm. Our route today will take you through a segment of my life up in the air, and you will see things you could never imagine. Since I have been locked in the cockpit with men for several thousands of hours over the years, I have been given a perspective few get to experience. To help you see a different perspective too, I am giving you a checklist to use as we move along our route. It will take you from gate to gate, and when we're done, we will have both learned a little more about what it takes to fly. Now just sit back and relax. It's going to be a bumpy ride. Erika Armstrong has worked every aspect of aviation in her twenty-five years in the industry, including as an international corporate airline captain. She is an award-winning staff writer for *Colorado Serenity Magazine* and is a professional pilot, columnist for *Disciples of Flight NYC Aviation Contrails*, *Flying LinkedIn*, and *Business Insider*, and is the owner of *Leading Edge Aviation Consulting*.     *Pennsylvania Farmer Consolidated with the Pennsylvania Stockman and Farmer*, 1927     **Kimball's Dairy Farmer**, 1905
