Qumran Community Its History Scrolls:

The Qumrān Community: Its History and Scrolls Charles Theodore Fritsch, 1972 Beyond the Qumran Community John J. Collins, 2010 With the full publication of the Dead Sea Scrolls fresh analysis of the evidence presented can be and indeed should be made Beyond the Qumran Community does just that reaching a surprising conclusion the sect described in the Dead Sea Scrolls developed later than has usually been supposed and was never confined to the site of Qumran John J Collins here deconstructs the Qumran community and shows that the sectarian documents actually come from a text spread throughout the land He examines the Community Rule or Yahad and considers the Teacher of Righteousness a pivotal figure in the Essene movement After examining the available evidence Collins concludes that it is in fact overwhelmingly likely that the site of Qumran housed merely a single settlement of a very widespread movement *The Qumran Community* Charles T. Fritsch, 2003-01-01 *The Dead Sea Scrolls: Rule of the community and related documents* James H. Charlesworth, 1994-01-01 This groundbreaking book accurately presents the texts on the leather papyrus of the Dead Sea Scrolls in a state of the art manner Here initial medial or final forms in anomalous positions are reproduced precisely as seen with the original text and the translation on facing pages Photographs *The Textual Development of the Qumran Community Rule* Sarianna Metso, 2018-11-26 This volume is concerned with tracing the different stages in the formation of the Qumran Community Rule in the light of the material from Cave 4 that has only recently become available The first part of this ground breaking work is devoted to determining the differences between the manuscripts of the Community Rule found in Caves 1 4 and 5 The second part deals with the relationship between the various versions of the Community Rule The third part aims at creating an overall picture of the literary development of this document and includes a discussion of the different elements within it as well as a comparison of the parallel passages which reflect different stages in the redaction of the document *An Introduction to the Complete Dead Sea Scrolls* Géza Vermès, 1999-01-01 A thorough revision of a classic work on these crucial extant texts **History, Ideology and Bible Interpretation in the Dead Sea Scrolls** Devorah Dimant, 2014-02-12 In this volume Devorah Dimant assembles twenty seven thoroughly updated and partly rewritten articles discussing various aspects of the Dead Sea Scrolls that she published over the past three decades An introductory essay written especially for this volume surveys the present state of research on the Scrolls Dealing with major themes developed in the Dead Sea Scrolls the author reflects the rapid expansion and change of perspective that has taken place in research on the collection in recent years following its full publication Among the topics treated are the nature and contents of the Scrolls collection as a whole the specific literature of the community that owned this collection the Aramaic texts and the apocryphal and pseudepigraphic works found therein The volume also includes discussions of particular themes such as the history of the community related to the Scrolls its self image and particular interpretation of biblical prophecies and its notion of time *The Dead Sea Scrolls in Scholarly Perspective: A History of Research* Devorah Dimant, Ingo Kottsieper, 2012-01-20 This

of restoration in what is identified in the present study as the exilic model of restoration In this model Israel s restoration is characterized by the features of a a future re gathering b the fate of the nations and c the establishment of a new Temple The present work focuses primarily on the first two features Through this framework Jews in the Greco Roman period could draw on Israel s history and legacy but re appropriate exile and return in new and creative ways Finally the writing of Luke Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions **Ethics in the Qumran**

Community Marcus K. M. Tso,2010 Revised version of the author s thesis Ph D University of Manchester 2008 Historical Perspectives: From the Hasmoneans to Bar Kokhba in Light of the Dead Sea Scrolls David Goodblatt,Avital Pinnick,Daniel R. Schwartz,2018-12-24 The papers published in this volume were presented at the Fourth Orion International Symposium Jerusalem 1999 whose focus was Jewish history in light of the Dead Sea Scrolls The first section History of the Jews and Judaism is devoted to specific topics in Jewish history such as historical references in the Scrolls comparative studies between the Scrolls and Josephus and issues of Jewish nationalism The second section Community and Covenant comprises studies of community Jewish law and the concept of covenant The third section Natural Sciences and the Scrolls reports on examinations of DNA preserved in leather used for the Scrolls of dust found in jars from Qumran of the nature of the stitching of the Scrolls and of the composition of the pottery found at Qumran A History of the Quests for the Historical Jesus, Volume 2 Colin Brown,Craig A. Evans,2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates *Was 70 CE a Watershed in Jewish History?* Daniel R. Schwartz,Zeev Weiss,2011-11-25 These twenty studies ask whether changes in

different fields of ancient Jewish culture were caused by the destruction of the Second Temple in 70 CE what changed for other reasons and what did not change despite that event **Dining with John** Esther Kobel,2011-11-11 This book provides an analysis of the role of food drink and meals in the Fourth Gospel in the formation of early Christian identity and of the historical circumstances in which Johannine meal practices may have developed **One Teacher** John Yueh-Han Yieh,2012-08-06 A literary critical analysis is embarked to show how Matthew highlights the primacy authority and exclusivity of Jesus role as the Teacher of God s will and how he features five long discourses in the narrative Two cultural parallels the Teacher of Righteousness and Epictetus are studied for comparison The ways in which they are remembered in the literature and in which they shape the lives of their followers provide proper historical perspectives and useful frames of reference Finally a social historical reading of the three teachers and their followers in the light of pertinent sociological theories sociology of knowledge group formation indicates that Jesus the One Teacher serves four crucial functions for his readers in Matthew s church polemic apologetic didactic and pastoral
