

"The Quondam Wives is a brilliant account of the unraveling of the fabric of identity and nation. This unfolding of the story of Lear and his daughters in a contemporary setting is rich in irony and wonderfully dramatic. It is a highly original, moving, and memorable novel."

—William Jay Smith

"An accomplished poet and prose writer, Mairi MacInnes has brought her formidable gift to bear on *The Quondam Wives*, a splendid translation into modern prose and circumstances of the Lear story. An absorbing work, the novel raises questions the Shakespearean play provokes: where are the other women, never mentioned in the play, the wife and probable mistress of King Lear? *The Quondam Wives* ironically and deliciously focuses its story on and through such women."
