**Mao's Quotations** Mao Tse-Tung,2020-11-30 *Quotations from Chairman Mao Tse tung* is a book of statements from speeches and writings by Mao Zedong formerly romanized as Mao Tse tung the former Chairman of the Communist Party of China published from 1964 to about 1976 and widely distributed during the Cultural Revolution The most popular versions were printed in small sizes that could be easily carried and were bound in bright red covers thus commonly becoming known internationally as the Little Red Book This edition from Radical Reprints returns *Quotations* back to its original 4x6 pocketbook size with all 427 quotations in English The Black Panther Party considered *Quotations* to be a kind of Bible it was essential reading *Quotations* has a mythical quality to it most cannot agree if it is the second most printed book in history or if it barely cracked past a billion Regardless *Quotations* was so popular among Chinese workers because of its accessibility This edition serves to make this book accessible again in its original pocketbook format      *Revolutionary Pairs* Larry

Ceplair, 2020-07-21 A political historian examines five of the twentieth century's most significant revolutions and the partnerships that led the way Successful revolution requires two triggering elements a crisis or conjuncture and revolutionary actors who are organized in a dedicated revolutionary party armed with a radical ideology and poised to act While previous revolutions were ignited by small collectives many in the twentieth century relied on strategic relationships between two exceptional leaders Marx and Engels Communism Lenin and Trotsky Russia Ghandi and Nehru India Mao and Zhou China and Castro and Guevara Cuba These partnerships changed the world In *Revolutionary Pairs* Larry Ceplair tells the stories of five revolutionary struggles through the lens of famous duos While each relationship was unique Castro and Guevara bonded like brothers Mao and Zhou like enemies in every case these leaders seized the opportunity for revolution and recognized they could not succeed without the other The first cross cultural exploration of revolutionary pairs this book reveals the undeniable role of personality in modern political change **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency, 1966 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1975 **Cold Wars** Lorenz M. Lüthi, 2020-03-19 What was the Cold War that shook world politics for the second half of the twentieth century Standard narratives focus on Soviet American rivalry as if the superpowers were the exclusive driving forces of the international system Lorenz M L thi offers a radically different account restoring agency to regional powers in Asia the Middle East and Europe and revealing how regional and national developments shaped the course of the global Cold War Despite their elevated position in 1945 the United States Soviet Union and United Kingdom quickly realized that their political economic and military power had surprisingly tight limits given the challenges of decolonization Asian African internationalism pan Arabism pan Islamism Arab Israeli antagonism and European economic developments A series of Cold Wars ebbed and flowed as the three world regions underwent structural changes that weakened or even severed their links to the global ideological clash leaving the superpower Cold War as the only major conflict that remained by the 1980s *They Never Said It : A Book of Fake Quotes, Misquotes, and Misleading Attributions* Paul F. Boller Jr. Emeritus Professor of History Texas Christian University, Oklahoma John George Jr. Professor of Political Science and Sociology Central State University, 1989-05-18 Abraham Lincoln never said You cannot fool all the people all the time Thomas Jefferson never said That government is best which governs least And Horace Greeley never said Go west young man In *They Never Said It* Paul Boller Jr and John George examine hundreds of misquotations incorrect attributions and blatant fabrications outlining the origins of the quotes and revealing why they should be consigned to the historical trashcan Many of the misquotes are quite harmless Some are inadvertent misquotes that have become popular Shakespeare actually said The best part of valor is discretion others the inventions of reporters embellishing a story Franklin Roosevelt never opened a speech to a DAR group with the salutation My fellow immigrants But some of the quotes such as Charles Darwin's supposed deathbed recantation of evolution are blatantly dishonest and falsify the historical record And others are chillingly vicious filled with

virulent racial and religious prejudices that completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible. These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln. An entertaining and yet thought provoking book. They Never Said It sorts out a great deal of history and sets it right going beyond a mere catalog of popular misconceptions to reveal how conservatives and liberals, atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends. It is the ultimate debunking reference, a perfect complement to handbooks of quotations.

*Vietnam War Almanac* James H. Willbanks, 2013-09-03. With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history. The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event. Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground, in the air and at sea, international and U.S. events and a biographical dictionary of major military and civilian figures. It may be impossible to fully understand such a complicated and

horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misrepresented then and it is misremembered now This almanac will ensure that it is remembered correctly **Quotations from**
