Quotes by Theodore Roosevelt Lilith Regan,2020-04-10 Do what you can with what you have where you are It is hard to fail but it is worse never to have tried to succeed Believe you can and you re halfway there When you re at the end of your rope tie a knot and hold on People don t care how much you know until they know how much you care The only man who never makes mistakes is the man who never does anything Nothing in the world is worth having or worth doing unless it means effort pain difficulty I have never in my life envied a human being who led an easy life I have envied a great many people who led difficult lives and led them well To announce that there must be no criticism of the President or that we are to stand by the President right or wrong is not only unpatriotic and servile but is morally treasonable to the American public To educate a person in the mind but not in morals is to educate a menace to society Knowing what s right doesn t mean much unless you do what s right Patriotism means to stand by the country It does not mean to stand by the president or any other public official save exactly to the degree in which he himself stands by the country It is patriotic to support him insofar as he efficiently serves the country It is unpatriotic not to oppose him to the exact extent that by inefficiency or otherwise he fails in his duty to stand by the country In either event it is unpatriotic not to tell the truth whether about the president or anyone else

How Green Are the Gorons? Gerald Westbrook,2011-01-11 Al Gore and the liberal left would have you believe the world is in an energy crisis They would have you believe that only alternative energies green energies will save us from this crisis and the world from self destruction Gerald Westbrook has a rebuttal Westbrook spent his career in the energy field working with a wide variety of energy sources that have proved their efficacy if only the Gorons would quiet down for a second How Green Are the Gorons Liberal Propaganda Out of Control is an in depth review of our countrys energy situation written by an informed man who has been there and seen that Westbrook discusses the research behind global warming Pulling from his extensive experience he provides comments and examples on key American energy sources He would argue that it is much too soon to enter into a carbon free world Its also much too soon to panic The Goron propaganda has convinced the country that we are in crisis The current podium propaganda is so loud that it operates at the level of a nationwide white noise blocking out analysis and debate By utilizing our energy sources including fossil fuels in a cost effective way our energy situation will be manageable

Quotes: The Famous and Not so Famous Terence M. Dorn Ph.D.,2021-11-24 The accumulation of the following quotes began when I served the Army chief of staff as a speechwriter and is a result of encouragement that my father provided to me every day of our lives together This is a very small slice of the wisdom of the ages uttered by the more famous and not so famous people of their respective time periods Much of that wisdom uttered decades and even hundreds of years ago are still as relevant today as they were when they were uttered The
