Mark L. Strauss

Rabbi Paul:

Rabbi Paul Bruce Chilton, 2010-06-09 A brilliant new biography of Saint Paul whose interpretations of the life and teachings of Jesus transformed a loosely organized grassroots peasant movement into the structured religion we know today Without Paul there would be no Christianity His letters to various churches scattered throughout the Roman Empire articulated for the first time the beliefs that make up the heart of Christian practice and faith In this extraordinary biography Bruce Chilton explains the changing images of Paul from the early Church period when he was regarded as the premiere apostle who separated Christianity from Judaism to more recent liberal evaluations which paint him as an antifeminist homophobic figure more dedicated to doctrine than to spiritual freedom By illuminating Paul's thoughts and contributions within the context of his time Chilton restores him to his place as the founding architect of the Church and one of the most important figures in Western history Rabbi Paul is at once a compelling highly readable biography and a window on how Jesus message was transformed into a religion embraced by millions around the world Drawing on Paul's own writings as well as historical and scholarly documents about his life and times Chilton portrays an all too human saint who helped to create both the most beautiful and the most troublesome aspects of the Church He shows that Paul sought to specify the correct approach to such central concerns as sexuality obedience faith conscience and spirit to define religion as an institution and to clarify the nature of the religious personality issues that Christians still struggle with today **Hard**

Sayings of Paul Manfred Brauch, 1989-06-22 Manfred T Brauch tackles forty eight frustrating passages from the letters of Paul and helps readers understand their importance for Christian living today **The Illustrated Life Of Paul** Charles L.

Quarles, 2014-06 Only full color illustrated book on the life of Paul **The Third Day** Roger Garza, 2022-03-16 There is a reason why most analysts of biblical prophecy can't figure out how Christians and Jews can ever unite The reason is that they are missing a piece of the prophetic puzzle A piece that is so obvious I can only conclude that God hid it in plain sight in the Scriptures and is only now making it known to the world as a whole rather than just a select few The fact is that both the Old Testament and the New Testament proclaim that in the last days Gentiles and Jews will come together into one family and will together worship the One True God Most Jews assume that this will happen when Christians and all other Gentiles finally realize that they were wrong when Christians finally realize that Jesus was not the Messiah and convert to Judaism Most Christians assume that this will happen when Jews finally realize that they were wrong accept Jesus as the Messiah and convert to Christianity At this point in history either alternative seems highly unlikely But what if there is a third alternative one that lets Jews remain Jewish Christians remain Christian and yet puts us all into one united family of God In this book you will learn How the same type of scholarship that is used to refute Christianity refutes Judaism also and the same type of scholarship used to support Judaism supports Christianity as well How the Christian doctrines of the Trinity and the Incarnation do not contradict Jewish monotheism as defined in the Old Testament How the completeness and finality of Old

Testament Law can be reconciled with the apparently contradictory statement that Christ has inaugurated a better Covenant Hebrews 8 6 It is my belief that once the ideas proposed in this book are received and applied the world will awaken from the nearly 2 000 year old nightmare of fear and mistrust between Christians and Jews and our mutual thirst for the arrival of the Messianic Age will finally be quenched

The Emptied Christ of Philippians John P. Keenan, 2015-12-15 Before the Gospels were written long before the creeds of the Church were hammered out Christ followers in Philippi sang a hymn of the Christ who although he was in the form of God emptied himself taking the form of a slave being born as are all humans But this emptied Christ never fit neatly into later theologies of the church shaped by Greek thought concerned with being and essence In Philippians Paul struggles stumbling over his own awkward words to express his hope his eschatological faith that he might gain Christ and be found in him and participate in his sufferings by being conformed to his death if in some way I may reach to what goes beyond the resurrection from the dead Might we better comprehend Paul's inchoate even mystical faith in Jesus Christ with aid from a less empirical world of thought than our western heritage offers Might the thinking of Mah set macron over a y set macron over a na Buddhism guide us toward an awareness of a truth in the Christian faith that is more profound than anything reducible to historical facts or even to human language

Epistemology and Logic in the New Testament Douglas W. Kennard, 2016-11-30 Biblical contributors express an oral stage engaging Christianity within a properly basic communal worldview similar to Alvin Plantinga advocates This approach includes a

communal Christian application of common sense realism within a worldview and rhetoric similar to Hillel Pharisaism Each biblical contributor provided vivid testimony using rabbinic language and thought forms For example Jewish Christian midrash re appropriates Old Testament quotes and narrative in a new performative pesher manner to present Jesus as the Christ Moving beyond the word studies of biblical epistemologists Pharisaic rabbinic Judaism use of biblical revelation mystical vision dream or audible divine voice frame mystical empiricism similar to William Alston Non foundational realism facilitates a communal resilient oral tradition similar to the rabbinics Additionally Luke Acts extensively engages Hellenistic historiographic method and the concept of witness When multiple interpretations occur concerning miracles epistemic dualistic non foundational Lockean epistemology emerges to contribute to the authority of communal kingdom testimony Occasionally this Lockean approach adds an internal transformation much as Jonathan Edwards modified Locke to set forth his religious affections as a divine virtue epistemology confirming the authentic narrow way through Peircean pragmatism This internal knowledge provides self referential confirmation for a personal relationship and filial knowledge Each of these expressions of knowledge fosters an ultimate Kierkegaardian commitment to the Trinitarian Christian God *Paul's Letter to the Romans* Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain *Paul's Thorn in the Flesh* Kenneth Berding, 2023-02-22 Solving the mystery of Satan's messenger Paul's enigmatic thorn in the flesh in 2 Corinthians has baffled interpreters for centuries Many offer suggestions as to the identity of Satan's messenger others despair that the puzzle is unsolvable In *Paul's Thorn in the Flesh New Clues for an Old Problem* Kenneth Berding reopens the case He follows a trail of clues that includes ancient beliefs about curses details from Paul's letters Jesus's own suffering and the testimony of the earliest Christian interpreters Berding offers twenty criteria some familiar others neglected that any proposal must explain While the usual suspects fall short Berding suggests a new solution one that satisfies all the evidence and gives us a fuller view of Paul Far from an abstract puzzle Paul's own suffering is relevant to Christians today Paul's Thorn in the Flesh is an accessible study that casts new light on Pauline studies first century background and theological and pastoral concerns

Paul's Decision Making in Acts Wayne O'Donnell, 2020-05-15 This book is a commentary on the New Testament Book of Acts that is primarily about the Apostle Paul and his mission to the Aegean All my books can be read online for free at <http://wayneodonnell.com> or <http://bible.ag> Freely you have received freely give Mt 10:8 In 1980 Garry Friesen wrote *Decision Making and the Will of God* a book that debunked the traditional view that God leads by inward impressions into His perfect specific will But Bible teachers continue to teach prayer is a two way conversation churches continue to question pastoral

candidates about their call to the ministry and Christians continue to try to discern God's inner voice to make decisions. Christians in the book of Acts made their decisions by the Word and Wisdom not by listening for inward impressions. Almost all Paul's decisions in Acts can be explained by 17 logical principles he followed. Paul was Jesus' surrogate to complete Jesus' mission to bring the gospel to the Gentiles of the Aegean Sea and to the Jews of the diaspora. Isaiah 49:1-6: Listen O Islands to me and hearken you Jewish People from far. The LORD has called me from the womb. He said: It is a light thing that you would be my servant to restore the preserved of Israel. I will also give you for a light to the Gentiles so that you may be my salvation to the end of the earth. The first part of the book of Acts asks: Can even Gentiles be saved? But the last part focuses on Luke's real message: The Congregation should continue to look equally Jewish and Gentile even though Gentiles become far more numerous in the Congregation. This is God's highest purpose: gathering two into the one body of Messiah according to Ephesians. All Paul's epistles were written by the end of Acts 28. There's no need for a speculated release and second Roman imprisonment. This book also provides an accounting of the movements of Paul's coworkers and a history of Charismaticism, Christian mysticism, and the false doctrine of Let Go and Let God.

Wake Up! Wake Up! the Testimony of a Layman Thomas W. Balderston, 2009-10. Wake Up! Wake Up! The Testimony of a Layman is the account of author Thomas Balderston's struggle with faith and his attempt to alert readers to the world and the opportunities the Triune God has made possible. The author's GPS, containing many strategic dots that when connected, opened his eyes to the truth, was the Word. The resurrection was the highest peak on the many mountains he crossed. The Testimony of a Layman is the honest chronicle of how one man's heart and mind were opened. Take a ride with the author; the scenery may be enough to remind readers that even with pain, there is beauty and love inside and outside their windows.

Paul, life, letters Newton Marshall Hall, Irving Francis Wood, 1923.

Be Free (Galatians) Warren W. Wiersbe, 2010-01-01. More than just a guide to understanding Galatians, best-selling author Warren Wiersbe's *Be Free* is also a guide to embracing freedom in Christ. As a man who is known as the pastor of pastors and has studied the Bible relentlessly, gleaning relevance for today for his readers and listeners, Wiersbe has so gripped the hearts of his wide audience that he has sold over 4 million copies of his *Be* series alone. His accessible at times quirky and comical style of writing is perfect for any age group to crave more of the Word of God. He opens up Paul's epistle explaining Paul's approach to the Galatians and putting ancient traditions in perspective for Christians today. Most importantly, he illustrates through Paul's writing how the Gospel can only remain the Gospel of Christ if it is solely for God's glory alone. Just as the Galatian church was slipping back into the dangerous rituals of the Jewish religious system, Christians today add parameters around Scripture that hinder them and that Christ never intended.

Rethinking Paul's Rhetorical Education Ryan S. Schellenberg, 2013-09-03 Winner of the Canadian Society of Biblical Studies 2015 F W Beare Award Did Paul have formal training in Greco Roman rhetoric or did he learn what he knew of persuasion informally as social practice Pauline scholars recognize the importance of this question both for determining Paul s social status and for conceptualizing the nature of his letters but they have been unable to reach a consensus Using 2 Corinthians 10 13 as a test case Ryan Schellenberg undertakes a set of comparisons with non Western speakers most compellingly the Seneca orator Red Jacket to demonstrate that the rhetorical strategies Paul employs in this text are also attested in speakers known to have had no formal training in Greco Roman rhetoric Since there are no specific indicators of formal training in the way Paul uses these strategies their appearance in his letters does not constitute evidence that Paul received formal rhetorical education *Paul The Apostle* Robert E. Picirilli, 1986-10-08 Except for the Lord Himself no single figure has done more for the Christian faith If you want to understand Christianity you need to understand Paul But with so many books on the apostle where do you start Paul the Apostle is the ideal choice if you want a solid understanding of Paul s life ministry and writings without getting weighed down with minutia Author Robert E Picirilli who taught college courses on Paul for over twenty five years found that most

books on the apostle were either too technical or too basic so he wrote a book that strikes a happy medium It offers A profile of Paul in his historical and cultural context Outlines and explanations of his missionary journeys Introductions and brief analyses of each of his epistles Useful for individual study or as a textbook as it is in many universities today Paul the Apostle is a great one stop study of the man who wrote half the New Testament spread the gospel to the heart of the known world and gave his life for the Kingdom *Acts and Paul's Letters* Mark L. Strauss,2025-09-15 Situated at the pivotal intersection of the departure of Jesus Christ and the arrival of the Holy Spirit Acts and Paul s Letters The Gospel to the Ends of the Earth tells the story of the birth of the Christian church and the remarkable spread of the gospel Readers will learn how to interpret Paul s thirteen letters within the context of the historical telling of the early Christian movement in the Book of Acts and will gain a deeper appreciation and understanding of one of the most important epochs in human history *Paul, His Letters, and Acts ()* Thomas E. Phillips,2010-01-01 Aside from Jesus the Apostle Paul had the greatest formative influence on the early Christian movement Yet who was this passionate missionary who carried the message of Christ throughout the Mediterranean world The New Testament writings give us not one but two portraits of Paul We read numerous details of Paul s life and relationships in the Book of Acts and we also find an additional set of details about Paul s activities in his letters Yet how consistent are these two portraits And which one gives us the most accurate picture of the historical Paul In this volume Thomas E Phillips examines the portrayals of Paul in recent biblical scholarship in the light of these two major NT portraits Believing the apostolic conference at Jerusalem to be a watershed event Phillips draws conclusions that help contemporary readers get a more accurate picture of Paul *The Life of Paul* Paton James Gloag,1900
