Racial Discrimination And Public Policy In The United States:

Racial Discrimination and Public Policy in the United States Richard M. Burkey, 1971 Study of the effectiveness of government policy to combat racial discrimination against Blacks in the USA gives a historical summary of black discrimination and black white stratification in the USA identifies the factors that affect the degree of effectiveness or lack thereof of public policies directed against discrimination demonstrates that there have been changes toward parity in ethnic intergroup relations proposes research areas relating to the policy making process and suggests inquiries into the role of race in that process Racism, Latinos, and the Public Policy Process Henry Flores, 2019-05-30 Racism Latinos and the Public Policy Process traces the process by which race and racism are infused into the public policy process This book provides a definition and short history of racism with a discussion of how individuals learn and absorb racial ideas and how these ideas become essential elements of the public policy process Discussion of the three policy areas gun control immigration and voting rights provide new insights into the relationship between decisional and individual belief structures and the decisional process Public Policy Across States and Communities Dennis R.
