Benson, 2016-01-19 Chapter ONE Poets of all ages and of all denominations are unanimous in assuring us that there was once a period on this grey earth known as the Golden Age These irresponsible hardies describe it in terms of the vaguest most poetic splendour and apart from the fact upon which they are all agreed that the weather was always perfectly charming we have to reconstruct its characteristics in the main for ourselves Perhaps if the weather was uniformly delightful even in this nineteenth century the golden age might return again We all know how perceptibly our physical mental and spiritual level is raised by a few days of really charming weather but until the weather determines to be always golden we can hardly expect it of the age Yet even now even in England and even in London we have every year a few days which must surely be waifs and strays from the golden age days which have fluttered down from under the hands of the recording angel as he tied up his reports and after floating about for years in dim interplanetary space sometimes drop down upon us They may last a week they have been known to last a fortnight again they may curtail themselves into a few hours but they are never wholly absent At the time at which this story opens London was having its annual golden days days to be associated with cool early rides in the crumbly Row with sitting on small green chairs beneath the trees at the corner of the Park with a general disinclination to exert oneself or to stop smoking cigarettes with a temper distinctly above its normal level and a corresponding absence of moods The crudeness of spring had disappeared but not its freshness the warmth of the summer had come but not its sultriness the winter was definitely over and past and even in Hyde Park the voice of the singing bird was heard and an old gentleman who shall be nameless had committed his annual perjury by asserting in the Morning Post that he had heard a nightingale in the elm trees by the Ladies Mile which was manifestly impossible *Boys' Life*, 1980-03 Boys' Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting
