The Hendrickson Dictionary of New Testament Words and Concepts Jonathan G. Kline,2025-07-08 What are the major conceptual and thematic categories found in the New Testament and how does understanding them help us create a mental map of the world in which Jesus lived and the world of the early church By presenting a broad range of New Testament words and ideas and grouping them according to conceptual and thematic categories this volume helps readers immerse themselves more deeply in these worlds The entries present the Greek words that lie behind their English equivalents and indicate or trace where these words occur in the New Testament thereby providing those who have not studied the original languages of Scripture with new insights into the conceptual world of the New Testament that cannot be gained by only studying English translations The Cross Richard Kema,2014-10-07 In this book The Cross you will discover that the cross of Jesus Christ is everything to man As an indispensable part of our Christian life there cant be any child of God that ought to glory in anything save in the cross thus it is the hallmark of the church and the crux of the Gospel This inspirational and expository study shows how the cross was in the mind of God long before man invented it The cross is the reason God sent his one and only Son into the world to save mankind from sin and death In Christianity the cross became not only a symbol of the shameful death of Jesus Christ as a criminal but also of his subsequent resurrection to eternal life and of his promise of salvation to Christian believers There is a crossless Christianity which hinders a deeper dimension of consecration responsible for the carnality we see in the church today Richard Kema in this book helps us to appreciate the power of the cross as the only way to salvation deliverance and restoration Dr Steve Ogan James May's Man Lab James May,2011-10-12 For at least two decades now modern man has been on the brink of a

crisis Persuaded by both the post feminist political landscape and his representation in the popular media to remodel himself as an endearingly hopeless halfwit he now exists only as an object of pity James and his happy band of brothers plus a few women but we try to edit them out are engaged on a quest to lead maledom to a broad sunlit upland strewn with slim books of English verse and neatly stacked with correctly sharpened tools arranged in descending size order From here they confront the mysteries of romance and fashion the cult of men s cooking and the daunting underworld of hardcore DIY Read it and remember that as a chap your first duty is to be dependable And then you can have a pint
