From Revolution to Rights in South Africa Steven L. Robins, 2010-11-18 The author argues for the continued importance of NGOs social movements and other civil society actors in creating new forms of citizenship and democracy in South Africa Critics of liberalism in Europe and North America argue that a stress on rights talk and identity politics has led to fragmentation individualisation and depoliticisation But are these developments really signs of the end of politics In the post colonial post apartheid neo liberal new South Africa poor and marginalised citizens continue to struggle for land housing and health care They must respond to uncertainty and radical contingencies on a daily basis This requires multiple strategies an engaged practised citizenship one that links the daily struggle to well organised mobilisation around claiming rights Robins argues for the continued importance of NGOs social movements and other civil society actors in creating new forms of citizenship and democracy He goes beyond the sanitised prescriptions of good governance so often touted by development agencies Instead he argues for a complex hybrid and ambiguous relationship between civil society and the state where new negotiations around citizenship emerge Steven L Robins is Professor of Social Anthropology in the University of Stellenbosch and editor of Limits to Liberation after Apartheid James Currey Southern Africa South Africa Botswana Namibia Lesotho Swaziland University of KwaZulu Natal Press PB

Soul Wisdom Gabriela J. Garbacz, 2019-05-01 Gabriela Garbacz began conversing in light language with Star Beings Ascended Masters and Archangels in 2012 Her second book Soul Wisdom Transmission of Light is a continuation of conversations she had with light beings who graciously addressed her concerns answered questions and provided guidance Although some of the conversations are personal in nature they are intended for a wider audience the light beings say For all people on earth Speaking from a higher perspective the beings of light such as Mother Mary Jesus Kwan Yin Merlin and star beings from Arcturus and Aldebaran share their wisdom on everyday matters

and provide readers with insights and clarity that can have a calming effect Soul Wisdom is not an ordinary book it is a transmission of light and information There is a hidden language of light encoded in the letters words and sentences appearing on the pages The energy transmission is tangible and when soul wisdom is applied it has the potential to elevate the consciousness within readers

Applications of the Unified Protocol for Transdiagnostic Treatment of Emotional Disorders David H. Barlow,Todd J. Farchione,2017-08-07 Recent conceptualization of anxiety depressive and related emotional disorders emphasize their similarities rather than their differences In response there has been a movement in recent years away from traditional disorder specific manuals for the treatment of these disorders and toward treatment approaches that focus on addressing psychological processes that appear to cut across disorders These transdiagnostic evidence based treatments may prove to be more cost efficient and have the potential to increase availability of evidence based treatments to meet a significant public health need Among clinicians the Unified Protocol for Transdiagnostic Treatment of Emotional Disorders UP developed by Dr David Barlow and colleagues is the most recognizable and widely used transdiagnostic treatment protocol with empirical support for its use Applications of the Unified Protocol for Transdiagnostic Treatment of Emotional Disorders provides clinicians with a how to guide for using the UP to treat a broad range of commonly encountered psychological disorders in adults Each chapter covers a specific anxiety depressive or related emotional disorder and important transdiagnostic processes are highlighted and discussed in relation to treatment Case studies are employed throughout to illustrate the real world application of this unique cognitive behavioral protocol and to instruct clinicians in the nuts and bolts of assessment case formulation and treatment in accordance with a transdiagnostic perspective

with HIV/AIDS Pranee Liamputtong,2013-04-22 Up until now many articles have been written to portray stigma and discrimination which occur with people living with HIV AIDS PLWHA in many parts of the world But this is the first book which attempts to put together results from empirical research relating to stigma discrimination and living with HIV AIDS The focus of this book is on issues relevant to stigma and discrimination which have occurred to individuals and groups in different parts of the globe as well as how these individuals and groups attempt to deal with HIV AIDS The book comprises chapters written by researchers who carry out their projects in different parts of the world and each chapter contains empirical information based on real life situations This can be used as an evidence for health care providers to implement socially and culturally appropriate services to assist individuals and groups who are living with HIV AIDS in many societies The book is of interest to health care providers who have their interests in working with individuals and groups who are living with HIV AIDS from a cross cultural perspective It will be useful for students and lecturers in courses such as anthropology sociology social work nursing public health and medicine In particular it will assist health workers in community health centres and hospitals in understanding issues related to HIV AIDS and hence provide culturally sensitive health care to people living with HIV AIDS from different social and cultural backgrounds The book is useful for anyone who is interested in HIV AIDS related stigma and discrimination in diverse social and cultural settings **A Calling to Fulfill** Marion Lamar Simpson,2021-03-22 Marion Lamar Simpson has been called a trailblazer and pioneer among individuals and leaders of his community The late Atlanta City councilman Archie Byron once stated that Marion was born to help improve the conditions nurturing and growth of disadvantaged children and young adults Marion s life story is told and gives the reader detailed family issues that molded him into being who he became Much information is revealed from his childhood about incidents in his past while growing up in a world that affected him his friends his family and his community The book details his achievements challenges downfalls and triumphs of life and the world s state of turmoil and change during his development Simpson discusses his battle with using drugs and almost giving up on his dream to be a humanitarian Mr Simpson experiences an act of recompense with God himself and recognizes that he is able to accomplish an array of goals by the testing of his faith If Mr Simpson had not risen above his life adversities what would have happened to the over seventeen thousand homeless young people he was eventually responsible for overseeing and providing a haven at the Young Adult Guidance Center Inc Marion s story will also be of particular interest to those readers who are studying in the areas of social science social work and social services who may have a desire to develop their own support service agency The Relationship Training Manual for Men David Unger,2008-09 A self help manual specifically targeted for men Cancer, Intimacy and Sexuality Yacov Reisman,Woet L. Gianotten,2017-02-16 This book provides a wide ranging overview of the sexual consequences of cancer and its treatment with the aim of equipping physicians and other health care providers with the awareness and knowledge required in order to offer patients effective treatment While sexuality may not be the primary

focus for cancer patients at some point whether because of sexual changes or relationship issues many patients come to acknowledge the effects that cancer and its treatment have had on their sexuality Although the impacts are frequently similar significant variation is observed Some patients experience changes in all phases of sexual response while others experience none moreover the consequences of the effects may be felt differently by patients and partners Unfortunately many physicians and health care providers remain insufficiently aware of the impact of cancer on sexuality and or lack knowledge about the concerns of patients and the available treatments and coping strategies A further issue is the reticence of physicians to discuss sexuality and the fear of sexologists to talk to patients about cancer Readers will find this book to be a rich source of help in overcoming these constraints and delivering suitable care to patients
