Moments of Impact Jaime Schultz, 2016-01-01 In the first half of the twentieth century Jack Trice, Ozzie Simmons and Johnny Bright played college football for three Iowa institutions: Iowa State University, the University of Iowa and Drake University respectively. At a time when the overwhelming majority of their opponents and teammates were white, the three men, all African American, sustained serious injuries on the gridiron due to foul play, either because of their talents, their race or most likely an ugly combination of the two. Moments of Impact tells their stories and examines how the local communities of which they were once a part have forgotten and remembered those assaults over time. Of particular interest are the ways those memories have been expressed in a number of commemorations including a stadium name, a trophy and the dedication of a football field. Jaime Schultz focuses on the historical and racial circumstances of the careers of Trice, Simmons and Bright as well as the processes and politics of cultural memory. Schultz develops the concept of racialized memory, a communal form of remembering imbued with racial significance, to suggest that the racial politics of contemporary America have generated a need to redress historical wrongs, congratulate Americans on the ostensible racial progress they have made and divert attention from the unrelenting persistence of structural and ideological racism.

Tall Tales and Short Shorts Adam J. Cribble, 2017-06-09 In basketball just as in American culture the 1970s were imperfect. But it was a vitally important time in the development of the nation and of the National Basketball Association. During this decade Americans suffered through the war in Vietnam and Nixon's Watergate cover up, not to mention disco music and leisure suits while the NBA weathered the arrival of free agency and charges that its players were too black. Despite this turmoil or perhaps because of it, the NBA evolved into a cultural phenomenon. Tall Tales and Short Shorts Dr J, Pistol Pete and the Birth of the Modern NBA traces the evolution of the NBA from the retirement of Bill Russell in 1969 to the arrival of Larry Bird and Magic Johnson ten years later. Sandwiched between the youthful league of the sixties and its mature successor in the eighties, this book reveals the awkward teenage years of the NBA in the seventies. It examines the many controversies that plagued the league during this time, including illicit drug use, on-court violence and escalating player salaries. Yet even as attendance

dwindled and networks relegated playoff games to tape delayed late night broadcasts fans still pulled on floppy gray socks like Pistol Pete Maravich emulated Kareem Abdul Jabbar s sweeping skyhook and grew out mushrooming afros la Dr J Julius Erving The first book length treatment of pro basketball in the 1970s Tall Tales and Short Shorts brings to life the players teams and the league as a whole as they dealt with expansion a merger with the ABA and transitioning into a new era Sport historians and basketball fans will enjoy this entertaining and enlightening survey of an often overlooked time in the development of the NBA

Out of the Shadows David K. Wiggins, 2006-02 The original essays in this comprehensive collection examine the lives and sports of famous and not so famous African American male and female athletes from the nineteenth century to today Here are twenty insightful biographies that furnish perspectives on the changing status of these athletes and how these changes mirrored the transformation of sports American society and civil rights legislation Some of the athletes discussed include Marshall Taylor bicycling William Henry Lewis football Jack Johnson Satchel Paige Jesse Owens Joe Lewis Alice Coachman track and field Althea Gibson tennis Wilma Rudolph Bill Russell Jim Brown Arthur Ashe Michael Jordan Tiger Woods and Venus and Serena Williams

Benching Jim Crow Charles H. Martin, 2010 Historians sports scholars and students will refer to Benching Jim Crow for many years to come as the standard source on the integration of intercollegiate sport Mark S Dyreson author of Making the American Team Sport Culture and the Olympic Experience
