Falling for Alaska Cathryn Brown, 2015-11-16 They re neighbors But not happy about it Can loathing turn to love Jemma inherits a house and moves to small town Palmer Alaska As she begins her business of flipping furniture her gorgeous but unpleasant neighbor gets in her way Sure she s making some noise A little sawing A bit of drilling Her dream s at stake And she s not sure about living in Alaska Nathaniel loves Alaska and moved here for peace and quiet That s been shattered He s terrible with relationships But when a stray puppy enters his life his heart begins to heal Could Jemma and Nathaniel have a happily ever after Looking Over Your Shoulder P.D. Workman, 2014-09-01 A peaceful life shatters under the weight of suspicion Things were going well for Abe Despite all of his past struggles with mental illness he was happily married had three wonderful children a nice home and a fantastic consulting business that satisfied his creativity and brought in a good income But you can never get too comfortable When Abe becomes a prime suspect in a jewel heist one of the largest successful jewel heists in history his schizophrenia becomes unmanageable and everything begins to spiral out of control Abe s own investigation into the heist has the jewel thieves hot on his tail but are they really or is he just losing the battle against his inner demons I really liked the description of mental illness in this book and living with a person like that I m a nurse not a specialist in a psychiatry but from what I know it is pretty accurate portrayal of a schizophrenic person The mystery alone was very compelling I only guessed half of the riddle so the reveal at the end surprised me It was a great novel

Another great thing about this book was the main character Abe. He was a likeable star at least in my opinion. He has playful banters with his children and the schizophrenia part of his character was done very well. Will he uncover the truth before it's too late? This compelling tale masterfully weaves themes of mental health with a riveting mystery that keeps readers guessing until the very last page. Don't miss out on this thought-provoking thriller that invites you into Abe's world, a place where love and fear intertwine. Click to begin your journey through this unforgettable tale filled with suspense, emotional depth, and shocking revelations. Keywords: mystery, jewel heist, schizophrenia, mental illness, bipolar, paranoia, family drama, ocd, allergies, foodie, addiction, substance abuse, depression, divorce. *All the Yellow Suns* Malavika Kannan, 2023-07-11

When a queer Indian American teenager is swept into a life of art, romance, and resistance, she must make up her own mind when it comes to identity, activism, and love in this story perfect for fans of Aristotle and Dante. Discover the secrets of the universe. Sixteen-year-old Maya Krishnan is fiercely protective of her friends, immigrant community, and single mother, but she knows better than to rock the boat in her conservative Florida suburb. Her classmate Juneau Zale is the polar opposite: she's a wealthy white heartbreaker who won't think twice before capsizing that boat. When Juneau invites Maya to join the Pugilists, a secret society of artists, vandals, and mischief makers who fight for justice at their school, Maya descends into the world of change-making and resistance. Soon, she and Juneau forge a friendship that inspires Maya to confront the challenges in her own life. But as their relationship grows romantic, painful, and twisted, Maya begins to suspect that there's a whole different person beneath Juneau's painted-on facade. Now Maya must learn to speak her truth in this mysterious, mixed-up world, even if it results in heartbreak. Between emotional threads of first love and identity comes a powerful exploration of the crusade for social change within a divided community. **ON THE CUSP: A Jewish Girl's Very, Very, Very Long Journey to Jesus**

Shai Blumberg, 2023-04-20. *On the Cusp* is a combination of the author's testimony and memoirs leading the reader through her innocence in the sixties and seventies, the tumultuous eighties and nineties, and the turning towards Jesus Christ, Yeshua as Lord and Savior in the new century of the two thousands. There is an undercurrent of love and acceptance, portraying an undeniable part of the Lord's patience and grace throughout the work, combined with His just nature. Growing up Jewish in the sixties and seventies in the shadow of J.F. State Park off Bond Boulevard in Southern California, there is a horsey element to the book as well, including Shai's behind-the-scenes life as a polo girl, her aspirations to show jump, and the privilege of having a beautiful off-the-track Thoroughbred in her suburban backyard. Also reflected here are the struggles of growing up Jewish in a decidedly non-Jewish world. When Grandma Lizzie tells Shai about Jesus as a six-year-old, the seed is planted despite Shai's mother covering Shai's ears and begging Grandma Lizzie to stop. Later, as an unhappy thirteen-year-old, Shai tries to connect with God on Christmas day, galloping her horse to Heaven's Point with Grandma Lizzy's New Testament tucked in her new saddlebags. But nothing special happens, and Shai is left to navigate murky waters of adolescence and a chaotic adult life without any tangible connection with God for decades to come. *On the Cusp* portrays God's mercy, patience,
