Madame Chrysantheme - Complete Work Pierre Loti, 2015-05-03 Madame Chrysantheme Complete Work from Pierre Loti French novelist and naval officer 1850 1923

Madame Chrysantheme (Full Text) Pierre Loti, 2016-06-03 We were at sea about two o'clock in the morning on a fine night under a starry sky Yves stood beside me on the bridge and we talked of the country unknown to both to which destiny was now carrying us As we were to cast anchor the next day we enjoyed our anticipations and made a thousand plans For myself I said I shall marry at once Ah said Yves with the indifferent air of one whom nothing can surprise Yes I shall choose a little creamy skinned woman with black hair and cat's eyes She must be pretty and not much bigger than a doll You shall have a room in our house It will be a little paper house in a green garden deeply shaded We shall live among flowers everything around us shall blossom and each morning our dwelling shall be filled with nosegays nosegays such as you have never dreamed of Yves now began to take an interest in these plans for my future household indeed he would have listened with as much confidence if I had expressed the intention of taking temporary vows in some monastery of this new country or of marrying some island queen and shutting myself up with her in a house built of jade in the middle of an enchanted lake I had quite made up my mind to carry out the scheme I had unfolded to him Yes led on by ennui and solitude I had gradually arrived at dreaming of and looking forward to such a marriage And then above all to live for awhile on land in some shady nook amid trees and flowers How tempting it sounded after the long months we had been wasting at the Pescadores hot and arid islands devoid of freshness woods or streamlets full of faint odors of China and of death We had made great way in latitude since our vessel had quitted that Chinese furnace and the constellations in the sky had undergone a series of rapid changes the Southern Cross had disappeared at the same time as the other austral stars and the Great Bear rising on the horizon was almost on as high a level as it is in the sky above France The evening breeze soothed and revived us bringing back to us the memory of our summer night watches on the coast of Brittany What a distance we were however from those familiar coasts What a tremendous distance Pierre Loti Other books available in North Star Ed Lettres Classiques SF Anticipation Fantastic click on the link North Star Ed under book title See also our site <http://northstar.editions-wix.com>

Madame Chrysantheme Pierre Loti, 1910 *Travellers' Visions* Akane Kawakami, 2005-01-01 Travellers Visions adds another perspective to ongoing debates over colonialism with an examination of the intercultural relations between France a major colonial empire for nearly three centuries and Japan a country that has remained mostly autonomous throughout its existence In this analytic history of French literary images of Japan from soon

after its reopening to the West to the present day Kawakami examines the work of many of France's most revered authors including Marcel Proust, Paul Claudel and Roland Barthes along with other lesser known writers and artists such as Loti and Farrer as they embarked on journeys literary and real to this exotic land. Authors are discussed according to type: journalists, diplomats or collectors for example, and the close readings are accompanied by Gerard Mac's beautiful and rarely seen photographs. *Travellers' Visions* offers new clarity to current intellectual debates and will be a valuable resource to students and scholars of French literature and Asian history alike.

The Chrysantheme Papers Christopher Reed, Félix Régamey, 2010-08-15

Pierre Loti's novel *Madame Chrysanthème* (1888) enjoyed great popularity during the author's lifetime, served as a source of Puccini's opera *Madama Butterfly* and remains in print to this day as a classic in Western literature. Loti's story, cast in the form of his fictionalized diary, describes the affair between a French naval officer and Chrysanthème, a temporary bride purchased in Nagasaki. More broadly, Loti's novel helped define the terms in which Occidentals perceived Japan as delicate, feminine, and to use one of Loti's favorite words, preposterous in short, ripe for exploitation. *The Pink Notebook* of *Madame Chrysanthème* (1893) sought, according to a newspaper reviewer at the time, to avenge Japan for the "adjectives that Pierre Loti has inflicted on it." Written by Félix Régamey, a talented illustrator with firsthand knowledge of Japan, *The Pink Notebook* retells Loti's story but this time as the diary of Chrysanthème. The book presented here in English for the first time, and together with the original French text and illustrations by Régamey and others, is certainly surprising in its late nineteenth-century context. Its retelling of a classic tale from the position of a character marginalized by her sex and race provocatively anticipates certain aspects of postmodern literature. Translator Christopher Reed's rich and satisfying introduction compares Loti and Régamey in relation to attitudes toward Japan held by notable Japonistes: Vincent van Gogh, Lafcadio Hearn, Edmond de Goncourt, and Philippe Burty. Reed provides further intellectual context by including new translations of excerpts from Loti's novel as well as a portion of the travel journal of Régamey's travel companion, the renowned collector Emile Guimet. Reed's emphasis on competing Western ideas about Japan challenges conventional scholarly generalizations concerning Japonism in this era. This elegant translation of *The Pink Notebook* and Japoniste documents will delight both general and specialized readers, particularly those interested in the ambiguities in the dynamics of nationalism, gender identification, and exploitation that since the nineteenth century have characterized the West's relationship to Japan.

Madame Chrysanthème Pierre Loti, 1988 *Madame Chrysanthème* Pierre Loti, 1908 *In Love with a Handsome Sailor* Richard M. Berrong, 2003-01-01

Writing at first anonymously and later under the pen name Pierre Loti, French author Julien Viaud (1850-1923) produced a series of fictions that sympathetically portrayed male same-sex desire and its accompanying societal conflicts. Due to the constraints of the time, Viaud had to develop various strategies for discussing his subject covertly; his success in doing so is demonstrated by the great critical and commercial success he enjoyed during his lifetime, which included his election to the French Academy at age forty-one. Richard Berrong presents a

gay reading of the novels and novellas of Julien Viaud chronologically tracing his development of a distinct homosexual identity and the strategies that he employed to discuss it in a way that would not be obvious to the general public In so doing Berrong asserts that Viaud s development of a homosexual identity undermined and realigned dominant constructions of masculinity presented the need for gay community and elaborated the role of literature for gay men The first book length gay reading of Viaud s corpus this work will make an important contribution not only to the study of Viaud but also to the study of gay and lesbian history culture and literature
